## Everyday Account Application

What you'll need before we get started...

- Queensland residential address
- Email address
- Australian mobile phone number
- At least one of the following identification documents:
  - Australian drivers licence
  - Valid passport
- Student ID (if applicable) to register for full time student or Australian apprentice fee exemptions. See terms and conditions.

Not already a QT Mutual Bank member?

By completing the Everyday Account Application you'll also become a QT Mutual Bank member. To do so, you will need to acquire a member share. The cost of a member share is \$10 and will be debited from your new account once your application is finalised.

Important things to note:

- You'll also need to print the last page of the application so we can record your signature. If you don't have access to a printer you can record your reference number and resume your application at a time and place where you're able to print.
- If the account is for joint applicants, both applicants must be present during this process.
