**First Notice: The types of death benefit arrangements and the order in which they take effect**

The Fund's Deed allows three types of death benefit payment arrangements. They, and the order in which they take effect, are as follows:

- the above form of **death benefit agreement** — which binds the trustee and which does not expire, see Part H of the Deed;
- **binding death benefit notices** — which bind the trustee but which expire after 3 years or earlier if replaced or revoked; and
- **non-binding nomination forms** — which do not bind the trustee but which do not expire until replaced or revoked.

**Death benefit agreements take priority over binding death benefit notices and non-binding nomination forms.**
