#### wealth-e-account Annual Investor and Tax Statement for 2019-2020

We are pleased to enclose your Annual Investor Statement and Tax Statement. Both Statements provide information for the period 1 July 2019 to 30 June 2020.

#### The **Annual Investor Statement** includes the following information:

- Portfolio Valuation
- Cash Account Summary summarising movements into and out of your Cash Account
- Transaction History summarising each investment transaction
- Annual Income and Expense report detailing income and expenses for the year including interest, dividends and distributions, fees, charges and taxes
- Details of your insurance cover if you hold insurance.

#### The **Tax Statement** should assist you to complete your 2019 - 2020 tax return and includes:

- Summary Tax Statement
- Supporting schedules providing more detailed information on the amounts shown on the Summary Tax Statement
- Details of the premiums paid if you hold insurance.

#### Please note the following points:

- The opening and the closing balances shown in your Annual Statement may differ from those shown in your Quarterly Reports. This is due to updated unit prices and transactions that settled after the Quarterly Reports were issued.
- The enclosed reports only contain information regarding assets held within this Wrap Service.
- If you held warrants throughout the financial year please refer to the tax guide under the "Additional information (including specific security treatment)" for further information on how these are to be treated when completing your tax return.
- All Tax and Annual guides are available at https://www.investorwrap.com.au/wrap/taxguides or by contacting your financial
- The Tax Guide and application of taxation law depends on your individual circumstances. We recommend seeking your own tax advice to ensure that the tax policies adopted are applicable to your circumstances.
- Your financial adviser can provide you with any Quarterly Reports upon request.

If you have any questions regarding the enclosed information, please contact your financial adviser.

The Income and Expense Report has been prepared on a cash basis, unless otherwise stated. Changes in market value exclude any gains or losses arising from assets held outside the service. This report does not provide the gain or loss on disposal for tax purposes and should not be relied upon in making decisions about your tax position. You should seek professional advice regarding your tax position. The information contained in this statement is given in good faith and has been derived from sources believed to be accurate at the report request date. However, it is general information only and should not be considered a comprehensive statement on any matter nor relied upon as such. No company in the Westpac Group nor any of their related entities, employees or directors gives any warranty of reliability or accuracy or accepts any responsibility arising in any other way including by reason of negligence for errors or omissions. This disclaimer is subject to any requirement of the law.

#### \*\*Indirect costs

This approximate amount has been deducted from your Investment and covers amounts that have reduced the return on your investment but are not charged as a fee. This indirect cost is the Cash Account Fee only.

The Wrap Advantage Fee Rebate is a rebate paid by fund managers and passed on to you in relation to funds in the Advantage Investment Series or other selected funds. Refer to Support>>Help section online for more information.

<sup>\*</sup>Direct equity dividend income is reported on an entitlements basis and may vary from the amount paid into the Cash Account. Distribution income is recorded on a cash basis. Where distributions have not been received at period end, investments in managed funds reflected in the portfolio valuation are valued using the cum distribution exit price.

The "Fees, charges and taxes" total on the previous page may not include all the fees and costs in relation to your underlying investments. For further information regarding the fees and costs of the underlying investment options available through the Product, please refer to the relevant product disclosure document for each underlying investment.

## Example of total fees and costs<sup>1</sup>

The following example illustrates the combined effect of the fees and costs of your product and an investment in the Advance Balanced Multi-Blend Fund through the product over a 1 year period.

This example is illustrative only and the fees and costs will vary depending on your actual investment:

- Cost of Product:
  - If you had an investment of \$50,000 at the beginning of the year and you invested an additional \$5,000 at the end of the year, you would be charged fees of \$222.75².
- PLUS fees and costs for an investment in Advance Balanced Multi-Blend Fund:
  - 0.79%3 (Management costs)
  - And for every \$50,000 you have in Advance Balanced Multi-Blend Fund you will be charged \$395.00 each year.

**EQUALS** \$617.75^\, being the total fees and costs of investing in the Advance Balanced Multi-Blend Fund through Wrap.

- <sup>1</sup> The example above assumes that \$50,000 is invested in the Advance Balanced Multi-Blend Fund through Wrap (with an additional \$2,500 held in the cash account) for the entire year, the value of the investment is constant over the year and that the additional \$5,000 is invested at the end of the year.
- <sup>2</sup> This amount is based on the management costs for Wrap, assuming all investments are in the Advance Balanced Multi-Blend Fund with an additional \$2,500 retained in the Cash Account. Please refer to the 'Fees and costs' section of the Investor Short Guide for the amount of each of these fees and costs. Management costs include the Account keeping fee, Cash Account fee and Expense recovery and do not include transaction fees, the custodial holdings option fee or the portfolio facility fee. It does not take into account costs incurred for investments that may be accessed through Wrap, such as management fees and indirect costs relating to underlying managed investments. The Cost of Product amount shown above has been calculated based on the Account keeping fee rates set out in the current Investor Short Guide. The Cost of Product amount may be different (and potentially higher) if you are subject to different Account keeping fee rates.
- <sup>3</sup> This amount includes management fees charged by the Advance Balanced Multi-Blend Fund and estimated indirect costs, such as performance-related fees and other indirect costs, incurred in managing the underlying investments but not directly charged by the Advance Balanced Multi-Blend Fund. The indirect costs are an estimate in relation to the year ended 30 June 2020. For more information regarding the fees and costs applicable to underlying investment options, please refer to 'Fees and costs of underlying investments' in the Investor Short Guide.

^^ Additional fees may apply. Refer to 'Additional explanation of fees and costs' in the Investor Short Guide for more information.

Independent audit report by the auditor to the Board of Directors of BT Portfolio Services Limited on internal controls and other relevant accounting procedures as they relate to the specified annual investor statements for the year ended 30 June 2020

#### Scope

We have audited the internal controls and other relevant accounting procedures of BT Portfolio Services Limited (the Operator and Custodian) relating to the preparation of the annual investor statements (which consist of the Portfolio Valuation, Cash Account Statement, Transaction History and the Annual Income and Expense Report included in the Annual Investor and Tax Statement for 2019-2020) given to the clients of wealth-e-account (the clients) for the year ended 30 June 2020. These internal controls and accounting procedures are hereafter referred to as "the internal controls". Our audit has been performed in order to express an opinion about the design of the controls to meet the criteria specified in Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended) and the effectiveness of the internal controls in mitigating the risk of material misstatement in the clients' annual investor statements.

The directors and management of the Operator are responsible for maintaining an effective internal control structure including the internal controls in relation to the preparation of annual investor statements of the clients, which comprise for each client a statement of the quantity and value of assets and liabilities held through the Operator by the client as at 30 June 2020 and the corresponding revenue and expenses of the client for the year ended on that date.

The directors of the Operator have determined that the accounting policies used, including the basis of accounting, are appropriate to meet the requirements of the Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No opinion is expressed as to whether the specified basis of preparation is appropriate to the needs of the clients.

Our audit has been conducted in accordance with the Australian Standard on Assurance Engagements (ASAE) 3000 Assurance Engagements other than Audits or Reviews of Historical Financial Information and ASAE 3150 Assurance Engagements on Controls and accordingly included such tests and procedures as we considered necessary in the circumstances. These procedures included testing that the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown collectively in the annual investor statements were properly reconciled in all material respects by the Operator as at 30 June 2020 to the corresponding amounts shown in reports prepared by the custodian(s) which have been independently audited.

These procedures have been undertaken to express an opinion whether:

- the Operator maintained internal controls and other relevant accounting procedures in relation to the
  preparation of annual investor statements, including those of its custodian(s) and any other relevant person
  acting on behalf of the Operator, that were suitably designed and operated effectively in all material respects to
  ensure that the annual investor statements for the year ended 30 June 2020 are or have been given to clients
  without material misstatements; and
- the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown in the clients' annual investor statements for the year ended 30 June 2020 have been properly reconciled in all material respects by the Operator as at 30 June 2020 to the corresponding amounts shown in the reports prepared by the custodian(s) which have been independently audited.

This report has been prepared to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No responsibility will be accepted for any reliance on this report for any other purpose.

Independent audit report by the auditor to the Board of Directors of BT Portfolio Services Limited on internal controls and other relevant accounting procedures as they relate to the specified annual investor statements for the year ended 30 June 2020 (cont.)

#### Inherent limitations

Because of the inherent limitations in any internal control structure, it is possible that fraud, errors or non-compliance with laws and regulations may occur and not be detected. Further, the internal control structure, within which the control procedures that we have audited operate, has not been audited and no opinion is expressed as to its effectiveness.

An audit is not designed to detect all weaknesses in control procedures as it is not performed continuously throughout the period and the tests performed are on a sample basis. Any projection of the evaluation of control procedures to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

The audit opinion expressed in this report has been formed on the above basis.

#### **Audit opinion**

In our opinion:

- the Operator maintained internal controls and other relevant accounting procedures in relation to the preparation of annual investor statements, including those of its custodian(s) and any other relevant person acting on behalf of the Operator, that were suitably designed and operated effectively, in all material respects, to ensure that the annual investor statements for the year ended 30 June 2020 are or have been given to clients without material misstatements; and
- the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown in the clients' annual investor statements for the year ended 30 June 2020 have been properly reconciled in all material respects by the Operator as at 30 June 2020 to the corresponding amounts shown in the reports prepared by the custodian(s) which have been independently audited.

Independent review report by the auditor to the Board of Directors of BT Portfolio Services Limited on the specified annual investor statements for the year ended 30 June 2020

## Scope

We have reviewed the annual investor statements generated (which consist of the Portfolio Valuation, Cash Account Statement, Transaction History and the Annual Income and Expense Report included in the Annual Investor and Tax Statement for 2019-2020) given to the clients of wealth-e-account (the clients) for the year ended 30 June 2020 prepared by BT Portfolio Services Limited (the Operator). The directors and management of the Operator are responsible for the annual investor statements of the clients, which comprise for each client a statement of the quantity and value of assets and liabilities held through the Operator by the client as at 30 June 2020 and the corresponding revenue and expenses of the client for the year ended on that date. The directors of the Operator have determined that the accounting policies used, including the basis of accounting, are appropriate to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No opinion is expressed as to whether the specified basis of preparation is appropriate to the needs of the clients.

We have conducted an independent review of the annual investor statements in order to state whether, on the basis of the procedures described below, anything has come to our attention that would indicate that any annual investor statement given to any client is materially misstated.

Our review has been conducted in accordance with Australian Auditing Standards applicable to review engagements. A review is limited primarily to inquiries of the Operator's personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less that given in an audit. We have not performed an audit of any individual annual investor statement and, accordingly, we do not express an audit opinion in relation to any client's individual annual investor statement.

We have also performed an independent audit of internal controls and other relevant accounting procedures of the Operator and Custodian, as they relate to the preparation of the annual investor statements ("the internal controls") and have issued a separate unqualified audit opinion on whether the internal controls implemented by the Operator were suitably designed and operated effectively to ensure that there are no material misstatements in the clients' annual investor statements for the year ended 30 June 2020.

This report has been prepared to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No responsibility will be accepted for any reliance on this report for any other purpose.

The Statement provided below has been prepared on the above basis.

## Statement

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that any annual investor statement for the year ended 30 June 2020 given to any client is materially misstated.
