### **Notes to the Financial Statements**

For the year ended 30 June 2022

### Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the Superannuation Fund is not a reporting entity because it is not publicly accountable and is not required by law or governing document to prepare financial statements that comply with Australian Accounting Standards. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations, the trust deed of the Fund and the needs of members.

The financial statements have been prepared on a cash basis and are based on historical costs, except for investments which have been measured at market value.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the Trustee(s).

### a. Measurement of Investments

The Fund initially recognises:

- (i) an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered to be the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- (ii) a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the Fund have been measured at market value, which refers to the amount that a willing buyer could reasonably be expected to pay to acquire an asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market value has been determined as follows:

- (i) shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) fixed-interest securities by reference to the redemption price at the end of the reporting period;
- (iv) unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
- (v) investment properties at the trustees' assessment of the market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the end of the reporting period. The trustees have determined that the gross values of the Fund's financial liabilities is equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

### b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and subject to an insignificant risk of change in value.

### c. Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is recognised at the fair value of the consideration received or receivable.

### Notes to the Financial Statements

For the year ended 30 June 2022

### Interest revenue

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

### Dividend revenue

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

### Rental revenue

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

### Distribution revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

### Remeasurement changes in market values

Remeasurement changes in the market values of assets are recognised as income and determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if acquired during the period).

### Contributions

Contributions and transfers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

### d. Liability for Accrued Benefits

The liability for accrued benefits represents the Fund's present obligation to pay benefits to members and beneficiaries, and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

### e. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or other payables in the statement of financial position.

### f. Critical Accounting Estimates and Judgements

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

### The Woolcock Superannuation Fund Trustees Declaration

The trustees have determined that the Fund is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The trustees declare that:

- (i) the financial statements and notes to the financial statements for the year ended 30 June 2022 present fairly, in all material respects, the financial position of the Superannuation Fund at 30 June 2022 and the results of its operations for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;
- (ii) the financial statements and notes to the financial statements have been prepared in accordance with the requirements of the trust deed; and
- (iii) the operation of the superannuation fund has been carried out in accordance with its trust deed and in compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations during the year ended 30 June 2022.

**Compilation Report** 

We have compiled the accompanying special purpose financial statements of the The Woolcock Superannuation Fund which

comprise the statement of financial position as at 30 June 2022, the operating statement for the year then ended, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements

have been prepared is set out in Note 1 to the financial statements.

The Responsibility of the Trustee(s)

The Trustee(s) of The Woolcock Superannuation Fund are solely responsible for the information contained in the special purpose

financial statements, the reliability, accuracy and completeness of the information and for the determination that the financial

reporting framework used is appropriate to meet their needs and for the purpose that the financial statements were prepared.

**Our Responsibility** 

On the basis of information provided by the Trustee(s), we have compiled the accompanying special purpose financial statements in

accordance with the financial reporting framework as described in Note 1 to the financial statements and APES 315: Compilation of

Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the

financial reporting framework described in Note 1 to the financial statements. We have complied with the relevant ethical

requirements of APES 110: Code of Ethics for Professional Accountants.

**Assurance Disclaimer** 

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or

completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not

express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the trustees who are responsible for the

reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of

the special purpose financial statements.

### Memorandum of Resolutions of

Scott Woolcock and Susan Woolcock ATF The Woolcock Superannuation Fund

FINANCIAL STATEMENTS OF SUPERANNUATION FUND:

It was resolved that the financial statements would be prepared as special purpose financial statements as, in the opinion of the trustee(s), the Superannuation Fund is not a reporting entity and therefore is not required to comply with all Australian Accounting Standards.

It was further resolved that the financial statements and notes to the financial statements of the Superannuation Fund in respect of the year ended 30 June 2022 thereon be adopted.

**TRUSTEE'S DECLARATION:** It was resolved that the trustee's declaration of the Superannuation Fund be

signed.

ANNUAL RETURN: Being satisfied that the Fund had complied with the requirements of the

Superannuation Industry (Supervision) Act 1993 (SISA) and Regulations during the year ended 30 June 2022, it was resolved that the annual return be

approved, signed and lodged with the Australian Taxation Office.

TRUST DEED: It was resolved that the advice received from the Fund's legal adviser confirming

that the fund's trust deed is consistent with all relevant superannuation and trust

law.

**INVESTMENT STRATEGY:** The allocation of the Fund's assets and the Fund's investment performance over

the financial year were reviewed and found to be within the acceptable ranges outlined in the investment strategy. After considering the risk, rate of return, diversification and liquidity of the investments and the ability of the Fund to discharge its existing liabilities, it was resolved that the investment strategy continues to reflect the purposes and circumstances of the Fund and its members. Accordingly, no changes in the investment strategy were required.

**INSURANCE COVER:** The trustee(s) reviewed the current life and total and permanent disability

insurance coverage on offer to the members and resolved that the current

insurance arrangements were appropriate for the Fund.

**ALLOCATION OF INCOME:** It was resolved that the income of the Fund would be allocated to the members

based on their average daily balance (an alternative allocation basis may be

percentage of opening balance).

INVESTMENT ACQUISITIONS: It was resolved to ratify the investment acquisitions throughout the financial year

ended 30 June 2022.

**INVESTMENT DISPOSALS:** It was resolved to ratify the investment disposals throughout the financial year

ended 30 June 2022.

AUDITORS: It was resolved that

Tony Boys

of

GPO box 3376, Rundle mall, South Australia 5000

act as auditors of the Fund for the next financial year.

TAX AGENTS: It was resolved that

CONNECTUS TAX PTY LTD

act as tax agents of the Fund for the next financial year.

**TRUSTEE STATUS:** Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the

### Memorandum of Resolutions of

Scott Woolcock and Susan Woolcock ATF The Woolcock Superannuation Fund

Fund and that they are not disqualified persons as defined by s 120 of the SISA.

**CONTRIBUTIONS RECEIVED:** 

It was resolved that the contributions during the year be allocated to members on the basis of the schedule provided by the principal Fund employer.

**PAYMENT OF BENEFITS:** 

The trustee has ensured that any payment of benefits made from the Fund, meets the requirements of the Fund's deed and does not breach the superannuation laws in relation to:

- 1. making payments to members; and,
- 2. breaching the Fund or the member investment strategy.

The trustee has reviewed the payment of the benefit and received advice that the transfer is in accordance with the Deed and the superannuation laws. As such the trustee has resolved to allow the payment of the benefits on behalf of the member.

**CONTRIBUTIONS RECEIVED** 

It was resolved that the contributions during the year be allocated to members on the basis of the tabled Contribution & Benefit Payment Confirmation. The trustee noted that all members contributing to the Fund had indicated that they met all necessary age based requirements.

It was noted that where any member indicated their intent to claim a tax deduction for contributions made to the Fund during the year on the tabled Contribution & Benefit Payment Confirmation, that the Trustee has taken action to deduct the appropriate level of tax from the contributions claimed.

Where a Contribution & Benefit Payment Confirmation was accepted as a Notice of Intent to Claim a Tax Deduction for the financial year ended 30 June 2022, in accordance with the requirements of s290-170 of ITAA97, the contributions covered by this Contribution & Benefit Payment Confirmation have not been included in an earlier notice.

Where member contributions or employer contributions (except mandated contributions) have been accepted by the Fund during the year, and the member was not under the relevant age (65 before 30 June 2020 and 67 from 01 July 2020) but is under 75, the trustee confirms that they are satisfied that the member has been gainfully employed at least on a part-time basis during the financial year in which the contribution is made. Further, the trustee confirms the member has made a declaration to this effect.

The basic work test for accepting contributions is to work for remuneration for at least 40 hours in a continual 30 day period within the year the contribution was made.

### **Audit Representation Letter from Trustee(s)**

### The Woolcock Superannuation Fund

### Year ended 30 June 2022

To the auditor,

Dear Sir,

With respect to the audit of the financial statements of the above mentioned fund for the year ended stated, the following representations are made which are true and correct to the best of my (our) knowledge and belief that will address the necessary compliance requirements of the *Superannuation Industry (Supervision) Act 1993*.

### Preparation of the ATO Income Tax & Regulatory Return

The information disclosed in the annual return is complete and accurate.

### **Sole Purpose of the Fund**

The sole purpose of the Fund is to provide retirement and/or death benefits to its members and/or beneficiaries.

### **Accounting Policies**

All the significant accounting policies of the Fund are adequately described in the Financial Statements and the Notes thereto. These policies are consistently applied unless specifically noted in the Financial Statements and Notes.

### Fund Books/Records/Minutes

All financial books, records and relevant material relating to the transactions and activities of the Fund have been made available to you, including minutes of the Trustees' meetings, the Trust Deed (as amended) and the Rules of the Fund. The Financial Statements accurately disclose the Revenue and Expenses and the full extent of the Assets and Liabilities of the Fund.

### **Asset Form**

The assets of the Fund are being held in an acceptable form suitable for the benefit of the members of the Fund, and have been stated at their net market value.

## Ownership and Pledging of Assets

- 1. The Fund has satisfactory title to all assets shown in the Financial Statements
- 2. Investments are registered in the name of The Woolcock Superannuation Fund
- 3. No assets of the Fund have been pledged to secure liabilities of the Fund or of any other fund or entity.

#### **Investments**

- 1. Investments are carried in the books at their net market value.
- 2. Amounts stated are considered reasonable in the current market condition, and there has not been any permanent diminution in their value below the amounts recorded in the Financial Statements.
- 3. There are no commitments, fixed or contingent, for the purchase or sale of long term investments.
- 4. Investment transactions and investments held are in accordance with the Investment Strategy, which has been determined with due regard to risk, return, liquidity and diversity.
- 5. The Trustee(s) have complied with all the Investment Standards stipulated in the Regulations relating to the SIS Act as amended.

## **Trust Deed Amendments**

All amendments (if any) to the Trust Deed were made in order for the Fund to comply with the SIS Act, Regulations and any other applicable legislation relating to the operation and governance of the Fund.

#### **Governing Rules**

The Fund is being conducted in accordance with its Trust Deed and Governing Rules.

#### **Legislative Requirements**

The Fund is being conducted in accordance with the *Superannuation Industry (Supervision) Act* 1993, and the Regulations of the said Act.

#### **Trustee Responsibilities**

The Trustees are aware of their responsibilities to the Members and the various regulatory bodies.

#### **Trustee Covenants**

The Trustee(s) have complied with all the Trustee Covenants set out in section 52 of the *Superannuation (Supervision) Act 1993*.

## Disqualified person not to act as a Trustee

There is no reason why any Trustee should be prohibited from acting as a Trustee of this Superannuation Fund.

#### **Information to Members**

Information relating to the transactions and activities of the Fund has been supplied in a timely manner.

## Meetings

Meetings have been conducted in accordance with the Trust Deed and the requirements of the SIS Act. Resolutions and issues on which the Trustee(s) have voted, or on which they were required to vote have been passed by at least a 2/3rds majority of the Trustees.

## **Subsequent Events**

Since the end of the financial year stated in the Financial Statements till the date of this letter, there have been no events or transactions that would have a material effect upon the Fund either financially or operationally.

Yours faithfully

Scott Woolcock

I soledo

Susan Woolcock

#### ENGAGEMENT LETTER

To: Scott & Susan Woolcock, The Woolcock Superannuation Fund

### Scope

You have requested that we audit the financial report of The Woolcock Superannuation Fund, which comprises the balance sheet as at 30 June 2022, and the income statement for the year then ended a summary of significant accounting policies, other explanatory notes and the trustees' declaration. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted with the objective of expressing an opinion on the financial report and compliance with the *Superannuation Industry Supervisory Act* 1993.

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial report.

Because of the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered. In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

We take this opportunity to remind you that the responsibility for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Superannuation Industry Supervisory Act 1993 is that of the trustees. Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report in accordance with the applicable financial reporting framework and this responsibility includes:

- designing, implementing and maintaining internal control relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error:
- selecting and applying appropriate accounting policies; and

• making accounting estimates that are reasonable in the circumstances. As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

## Other Matters under the Corporations Act 2001

Independence

We confirm that, to the best of our knowledge and belief, we currently meet the independence requirements of the *Corporations Act 2001* in relation to the audit of the financial report. In conducting our audit of the financial report, should we become aware that we have contravened the independence requirements of the *Corporations Act 2001*, we shall notify you on a timely basis.

We look forward to your full cooperation and make available to us whatever records, documentation and other information we request in connection with our audit.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial report.

Yours faithfully,		
A.W. Dovo

#### **Electronic Lodgment Declaration (SMSF)**

This declaration is to be completed where the tax return is to be lodged via an approved ATO electronic channel. It is the responsibility of the taxpayer to retain this declaration for a period of five years after the declaration is made, penalties may apply for failure to do so.

#### Privacy

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify each partner or beneficiary or entity in our records. It is not an offence not to provide the TFNs. However, you cannot lodge your tax return electronically if you do not quote your TFN.

Taxation law authorises the ATO to collect information and disclose it to other government agencies, including personal information about the person authorised to sign the declaration. For information about privacy go to ato.gov.au/privacy

#### The Australian Business Register

The Commissioner of Taxation, as Registrar of the Australian Business Register, may use the ABN and business details which you provide on this tax return to maintain the integrity of the register.

Please refer to the privacy statement on the Australian Business Register (ABR) website (www.abr.gov.au) for further information - it outlines our commitment to safeguarding your details.

#### Electronic funds transfer - direct debit

Where you have requested an EFT direct debit some of your details will be provided to your financial institution and the Tax Office's sponsor bank to facilitate the payment of your taxation liability from your nominated account.

Dear Trustees,

#### **SECTION 295.390 ACTUARY'S CERTIFICATE OF EXEMPT INCOME**

This certificate has been prepared for the Trustees of The Woolcock Superannuation Fund to certify the exempt income proportion in accordance with section 295.390 of the Income Tax Assessment Act ("ITAA") 1997 for the 2021/22 income year.

I hereby certify that the proportion of the applicable income of The Woolcock Superannuation Fund ("the Fund") for the year ending 30 June 2022 that should be exempt from income tax is: 67.182%

This exempt income proportion does not apply to income earned on segregated current pension assets and segregated non-current assets.

Further details of my calculation and the information on which it is based are contained in the appendices and covering email. These form part of my report and should be read in their entirety.

- Appendix A: Information used to calculate the exempt income proportion
- Appendix B: Fund liabilities
- Appendix C: Exempt current pension income result and adequacy opinion
- Appendix D: Apportioning expenses

I confirm that this actuarial certificate has been prepared in accordance with Professional Standard 406 issued by the Institute of Actuaries of Australia and other relevant professional standards and guidance notes.

Yours sincerely,

Doug McBirnie, B.Sc. (Hons), FIAA

## Appendix A – Information used to calculate the exempt income proportion

## Fund data and financials

This certificate has been prepared at the request of, and based on data supplied by, Superannuation Professionals on behalf of the Trustees for the 2021/22 income year. A summary of the data supplied to us for the purpose of calculating the exempt income proportion is provided below:

Name of fund: The Woolcock Superannuation Fund

**Fund ABN:** 44459550661

Trustees: Scott Woolcock

Susan Woolcock

Members: (1) Scott Woolcock

Preliminary net income	(\$426,724)
Gross assets available at year end (before tax)	\$5,531,180

We understand that the financial information provided to us when applying for this certificate may be unaudited. Should the financial information provided to us change, as a result of audit or otherwise, this may affect the results of our calculations and we recommend you apply for an amended certificate.

In addition to relying on the data provided to us, we have made the following assumption when completing this actuarial certificate:

 The tax exempt percentage calculation was completed based on the data supplied to us, no further assumptions were required.

The information provided to us indicated that this Fund had disregarded small fund assets, as defined in section 295.387 of the ITAA 1997. The Fund therefore had no segregated current pension assets or segregated non-current assets and could not use the segregated method to claim exempt current pension income during the income year.

## Minimum pension standards

Based on the information provided, the Fund contains only accumulation and account-based type income stream benefits (commonly referred to as pensions). These include allocated pensions, market linked pensions, and account-based income streams (including transition to retirement pensions). The Fund contains no other types of income stream benefits such as defined benefits in growth or pension phase.

The Superannuation Industry Supervision (SIS) Regulations for account-based income streams include a requirement for a minimum amount to be paid to the member over the year depending on the member's age, opening account balance date of commencement. Where the minimum pension standards are not met the earnings on the assets supporting that income stream may not be eligible for an exemption from income tax, and the exempt income proportion shown in this certificate may not be correct. It was confirmed upon submission of the data for this report that all assets shown as supporting retirement phase superannuation income streams are eligible for an exemption from income tax by virtue of having met the minimum pension standards for the Income year. We have not checked that this is the case and recommend that the Fund's auditor satisfies him or herself that the relevant standards have been met.

### Appendix B - Fund liabilities

## Segregated current pension assets

Section 295.385 of the ITAA 1997 defines segregated current pension assets as those assets that are set aside to solely support retirement phase income streams. Assessable income (excluding non-arm's length income and assessable contributions) earned on these assets is exempt from income tax.

Guidance from the Australian Tax Office states that where a fund's only superannuation liabilities are in respect of account-based retirement phase income streams at a particular point in time, the fund's assets are deemed to be segregated current pension assets. The eligible income earned during a period where a fund is 100% in retirement phase is therefore exempt from tax under the segregated method.

However, as long as the fund was not solely in retirement phase for the entire income year, trustee(s) can choose to treat periods of the year where the fund is 100% in retirement phase as unsegregated and therefore claim exempt income solely using the proportionate method. Trustee(s) must choose to claim exempt income in this manner as, if no choice is made, periods which are 100% in retirement phase must claim exempt income under the segregated method.

An exception to the above is where a fund has disregarded small fund assets and is therefore unable to use the segregated method. Disregarded small fund assets are defined under section 295.387 of ITAA 1997 and apply where an SMSF or small-APRA fund have a retirement phase income stream in an income year and at the previous 30 June:

- A member of the fund had a total superannuation balance (including accounts outside that fund) of over \$1.6 million, and
- That member was the recipient of a retirement phase income stream in any fund.

A fund will not have disregarded small fund assets if all fund assets were solely supporting retirement phase interests for the entire income year.

Based on the information provided, our calculations assume that:

 The Fund had disregarded small fund assets for the 2022 income year and therefore had no segregated current pension assets.

## Segregated non-current assets

Segregated non-current assets as defined in section 295.395 of ITAA 1997 are those assets set aside solely to support non-retirement phase superannuation liabilities such as accumulation interests. A separate actuary's certificate is required in order to segregate such assets. We understand that the Fund had no segregated non-current assets during the income year.

### Illustration of liabilities

The following chart illustrates the Fund's liabilities during the income year:

The green non-retirement phase liabilities represent accumulation interests, reserves and non-retirement phase transition to retirement income streams in the Fund over the income year. The grey unsegregated retirement phase liabilities represent retirement phase income streams that were not segregated current pension assets.

The liabilities shown in grey and green are those that are used to calculate the exempt income proportion. These liabilities are known as 'unsegregated' and eligible income earned on assets supporting these liabilities will claim ECPI based on the exempt income proportion in this actuarial certificate.

### Appendix C - Exempt income proportion results and adequacy opinion

## Exempt income proportion

Superannuation funds claiming exempt current pension income ("ECPI") under section 295.390 of the ITAA 1997, known as the proportionate or unsegregated method, are required to obtain an actuary's certificate prior to lodgement of the fund's income tax return. The proportion of the applicable income, excluding income earned on segregated current pension assets and segregated non-current assets, for the year ending 30 June 2022 that should be exempt from income tax is calculated as follows:

Within the requirements of legislation and the Fund's Trust Deed and Rules, the Trustees may have discretion about how income and expenses are allocated at the member level. We have not checked the terms of the Fund's Trust Deed and Rules. The daily weighted average calculation of the exempt income proportion provides a fair and reasonable method of apportioning these items between the member accounts at year end for income earned on assets that are not segregated assets and is provided below:

	Member 1	Member 2	Fund
Exempt income proportion	33.558%	33.624%	67.182%
Non-exempt income proportion	27.785%	5.033%	32.818%

The above proportions are unlikely to be appropriate for allocating income earned on segregated assets.

## Calculating the fund's exempt current pension income for the purpose of your tax return

The exempt income proportion is applied to net ordinary assessable income including net capital gains, but excluding assessable contributions, non-arm's length income and income including capital gains or losses derived from any segregated assets. The Trustee would calculate ECPI as follows:

Total ECPI = Eligible income \* Exempt income proportion + Income on segregated current pension assets

Unutilised capital losses (except capital losses on segregated current pension assets) can be carried forward until they can be offset against assessable capital gains.

### Adequacy opinion and methodology

By definition, the liabilities of an account-based member interest or reserve at a particular time, in the absence of any unusual terms or guarantees, are equal to the value of the assets backing it. Therefore no specific assumption has been made (or is needed) regarding rates of return on the Fund's assets; pension increases; or the liability calculation discount rate. As such, I am satisfied that the amount of the assets at the end of the year, if accumulated together with the Fund's future earnings and contributions, will provide the amount required to discharge in full the liabilities as they fall due. No recommendation is needed with regard to future contributions.

The average values used in the exempt income proportion are determined using a daily weighted average calculation which takes into account relevant information such as the opening balances of each member account, any reserves, and the size and timing of any member transactions during the income year. Unless otherwise stated, all member transactions including pension commencements and commutations are assumed to occur immediately at the start of each day. More information on the methodology used can be found at <a href="https://portal.accurium.com.au/content/certs/methodology-guide.pdf">https://portal.accurium.com.au/content/certs/methodology-guide.pdf</a>

## Appendix D - Apportioning expenses

## Methods for apportioning expenses

A superannuation fund can generally deduct expenses to the extent they were incurred in producing assessable income. Where an expense can be attributed to solely producing assessable income then it can be deducted from assessable income it its entirety. Where it is solely attributable to non-assessable income it is entirely non-deductible. However, expenses that cannot be attributed to solely producing exempt income or solely producing assessable income need to be apportioned to determine how much can be deducted.

A fair and reasonable approach must be used to determine what proportion of such an expense can be deducted. A common industry approach has used the tax exempt proportion provided in the fund's actuarial certificate to determine an appropriate deductibility proportion as follows:

Expense deductibility proportion = 1 – actuarial exempt income proportion

This generally represents the proportion of fund's total income that is assessable during an income year. It is therefore a fair and reasonable approach to apportioning an expense that relates to the whole fund for that income year.

However, superannuation liabilities supported by segregated current pension assets are excluded from the actuarial exempt income proportion calculation. This includes assets which were deemed to be segregated at a particular time due to the fund only having retirement phase superannuation liabilities at that time.

Where a fund does have segregated current pension assets, the approach above is likely to underestimate the extent to which an expense was incurred in producing exempt income, and therefore overstate the amount that can be reasonably deducted.

For those funds wishing to use the actuarial exempt income proportion as the basis for the deductibility of expenses we have determined below a deductibility proportion that takes into account all fund liabilities over the income year. This may be different to (1 – actuarial exempt income proportion) where the fund has segregated current pension assets and may be a fair and reasonable deductible proportion for expenses which must be apportioned and relate to the whole income year.

## Expense deductibility proportion

The following deductible proportion has been determined based on all fund liabilities, including any segregated current pension assets identified in Appendix B, using the same methodology as the exempt income proportion described in Appendix C.

Expense deductibility proportion: 32.818%

This is not intended to be tax advice and you should determine whether this deductible proportion is appropriate for this fund and for each relevant fund expense prior to use.
