Dear Shona,

**Hutchings Super Fund 19-20 Financial statements**

Thanks for your email of 3 December.

Attached herewith is all the information requested. No doubt there may be something missing, and we'd be happy to chase that up.

Notes:

1. The big event for this year was each of us making contributions in October 19 to the fund after settlement of our respective house sales & purchase. The amounts were:  

Sue	\$130,000
Phil	\$87,000
2. We continued with regular payments as pension. These should be allocated to our respective balances in proportion to our closing balances as at June 30 2019.
3. There were three withdrawals from Phil's account in July and August 2019 totaling \$20,000.

Feel free to touch base on 0402 120 531.

I've included the paperwork re the sale of the Antipodes investment and application to Hyperion in July 2020.

Kind regards,

Phil Hutchings

Suzanne Evans
