## 1.2 Compliance

The Fund must meet the requirements of the Act to be regulated as a complying self managed superannuation fund.

To the extent that anything in the Deed and these Rules is inconsistent with the Act then it is to be severed from the Deed and these Rules.

The Deed and these Rules includes the provisions of the Act applying to the regulation of self managed superannuation funds, and in the absence of a specific provision in the Deed and these Rules those provisions are (to the extent they are relevant to the Fund) deemed to be incorporated in the Deed and these Rules.

If there is any conflict between the provisions of the Deed and these Rules and the provisions deemed to be included in the Deed and these Rules as provided above then the deemed provisions shall prevail over the provisions of the Deed and these Rules to the extent of any inconsistency.

Nothing in the Deed and these Rules requires the Trustee or any other person to do anything that is contrary to the Act or prevents the Trustee or any other person doing

anything that is required to be done to comply with the Act.

### 1.3 Interpretation

In the Deed and these Rules unless the contrary intention appears or can reasonably be implied from the context:

A term used in the Deed and these Rules which is defined in the Act has the same meaning in the Deed and these Rules.

A reference to the Deed and these Rules or any other instrument includes any variation or replacement of them;

A reference to a statute or other law includes regulations and other instruments ("subordinate instrument") made under such a statute or law and any consolidation, amendment, re-enactment or replacement of such a statute, law or subordinate instrument;

The singular includes the plural and vice versa;

Terms such as "including", "for example" and similar expressions or words are not words or expressions of limitation;

A reference to a person includes:

- (a) a body corporate, any other entity recognised at law, a partnership and any other group or organisation of persons; and
- (b) a person's legal personal representatives, successors and assigns;

Where an expression is defined in the Act but is not defined in the Deed and these Rules then that expression will have the meaning given to it in the Act.

Where a word or phrase is given a particular meaning, other parts of speech and grammatical forms of that word or phrase have corresponding meanings;

Headings are inserted for convenience of reference only and are not to be taken into account in interpreting the Deed and these Rules;

A reference to any thing (including any amount) is reference to the whole or any part of it; and

A reference to a group of persons is a reference to any one or more of them.

3.4.4 If the Act or any other law does not permit the terminating Trustee to appoint a new Trustee in accordance with Rule 3.4.3 or the terminating Trustee fails to do so, the new Trustee may be appointed:

- (a) where management of the affairs of the Trustee has been placed under a liquidator, receiver, manager, administrator or other controller, by that person;
- (b) where paragraph (a) does not apply, or where it does apply but the controller fails to appoint a new Trustee within 30 days of the vacancy arising, by vote of the Members;

**2.2 Disablement benefit**

The above Rule 2.1 does not apply in the case of a benefit payable on the Member's Temporary Disablement. The benefit payable in those circumstances will be calculated having regard to:

## PART 3

### PROVISIONS APPLYING TO PENSION BENEFITS

#### 1. Forms of pension

Without limiting anything in these Rules, the Trustee and a Beneficiary may agree that the whole or any part of any amount payable to a Beneficiary under these Rules will be paid in one or more of the forms of pension if that is permitted by the Act and the terms of such a pension complies with any relevant provision of the SIS Regulations:

- (a) a Lifetime Pension;
- (b) an Allocated Pension;
- (c) a Life Expectancy Pension;
- (d) a Market Linked Pension;
- (e) a Flexi Pension;
- (f) a Simple Pension;
- (g) a Transition to Retirement Pension; and
- (h) subject to the Act, any other form of pension that the Trustee chooses to make available at the relevant time.

Terms relating to each type of pension referred to in paragraphs (a) to (h) are provided in the subsequent Rules 4 to 11 of this Schedule ("Pension Rules").

#### 2. Provisions of Act

##### 2.1 Pension Provisions

The Pension Rules and including any other form of pension referred to in Rule 1(h) of this Part are designed to reflect certain provisions of the Act relating to pensions. To the extent that those provisions of the Act may be:

- (a) varied or supplemented, the Trustee may offer pensions on terms that are consistent with the varied or supplemented provisions; or
- (b) removed, the Trustee may adjust the features of pensions to which the Pension Rules apply, having regard to the provisions that have been removed.

To avoid any doubt, a provision of the Act or the SIS Regulations includes part of a provision.

Subject to the Act, where a change of the type referred to in paragraphs (a) or (b) of this Rule 2 occurs, or if the Trustee otherwise considers it appropriate to do so, the Trustee may change the terms on which a current pension is paid, without being required to amend the terms of these Rules or any other deed evidencing any agreement with a Beneficiary in relation to payment of a Pension benefit.

Any form of pension being paid to a Beneficiary prior 1 July 2007 that satisfies the requirements of Regulation 1.06(2) (4) (6) (7) or (8) of the Act may continue to be paid to the Beneficiary.

## 2.2 Life Tables etc

In determining the life expectancy of a person under these pension terms, then if required by the SIS Regulations or the Act, the relevant life tables required under the Act or Regulations made under the Tax Act (as the case may be) are to be used in ascertaining the life expectancy of a person for the purposes of these terms.

## 3. Additional Terms

Subject to the Act, the Trustee is also permitted to:

- (a) pay pensions in any form permitted by the Act, which may include forms other than those described in the Pension Rules;
- (b) make the payment of pensions, including those governed by the Pensions Rules, subject to any other terms that the Trustee considers appropriate. Those other terms may supplement or wholly or partly replace the terms that would otherwise apply. For example, the Trustee may, but is not obliged to, impose terms that it considers may enable the pension payments or the assets supporting those payments to be subject to concessional treatment under laws relating to tax or social security or similar entitlements; and
- (c) further document the terms governing any pension, including those governed by the Pension Rules, in any manner it considers appropriate, whether by way of variation, supplement, qualification or deletion of terms that might otherwise apply.

## 4. Terms

Terms used in the Pension Rules have the same meaning as in the Act (and in particular those provisions of the Act relating to pensions) unless the context otherwise requires.

## 5. Lifetime Pension

The following provisions apply to Lifetime Pensions:

- (a) the pension must meet the standards of Regulation 1.06(2);
- (b) as from 1 July 2007 if the benefit commenced to be paid before 20 September 2007 the pension must also meet the standards of Regulation 1.07B;
- (c) a benefit that commenced to be paid on or after 20 September 2007 is taken to be a pension for the purposes of the Act if the benefit was purchased with a rollover superannuation
