Important notices**Don't let your insurance policy fall short when you need it most**

Whether it's your home or an investment property, buying real estate is one of the most important financial decisions you'll make. You need to make sure your property is adequately insured to cover the full replacement value, as well as any extra costs, if your property is damaged or destroyed.

As outlined in your home loan terms and conditions, you're required to hold adequate home insurance at all times. It's important to get in touch with your insurer regularly to review your cover to make sure it meets your needs, as well as that of your lender. For more information about how to avoid underinsurance visit the ASIC MoneySmart website at moneysmart.gov.au
