IMPORTANT INFORMATION

PAYMENT OPTIONS

- **Instalments**

Rates may be paid by instalments as shown on the front of this notice. If payment is being sent by post, please allow time for delivery as interest is payable on overdue instalments.

Ratepayers choosing this option will be sent separate notices for the second, third and fourth instalments. These notices will be posted at least 30 days before the due date. Under this option you are not prevented from paying more than one instalment.

- **Full Payment**

If you pay your rate account in full it must be received by the due date 31st August.

- **Arrangements**

Can be made with Council if normal instalment payment/s cannot be met.

INTEREST CHARGES

Interest accrues on all rates and charges that are overdue and is calculated on a daily basis at the rate shown overleaf. Under certain circumstances Council may consider writing off accrued interest in line with Council's Financial Hardship Policy.

ELIGIBLE PENSIONER REBATE

Eligible pensioners may receive a rebate on rates and charges. A pro-rata rebate may apply should eligibility be granted after issue of this notice. Should eligibility cease for any reason, a writeback of all or part of any rebate may occur. Rebate forms are available on request.

RATEABLE VALUE

The land values assigned for rating purposes were supplied under legislation by the Valuer General's Department of whom objections must be made at the time of issue of that notice. Whether or not an objection is still pending, the rates levied must be paid when due.

NON-RATEABLE CLAIMS

A property may be non-rateable if it belongs to and is used in relation to the activities carried out by churches, schools, public hospitals and charities.

APPEALS

Appeals against rates levied must be made within 30 days of the date of service of this notice. Appeals may be made on the basis that the land is not rateable or is not rateable to a particular rating category.

CATEGORISATION OF LAND

- **Category of land for rating**

The rating category of your land is shown on the front of this notice. If this category changes, you must notify Council within 30 days.

- **Application for change in category**

Application can be made to Council at the time for review of the category in which your land has been placed.

- **Appeal against declaration of category**

Appeals may be made to the Land and Environment Court within 30 days of a declaration of land category.

DOMESTIC WASTE MANAGEMENT CHARGES

Council must make a separate charge for the provision of domestic waste management services. The cost of these services cannot be financed from ordinary rates and the charge must be sufficient to recover reasonable costs of providing the service.

Dear ANZ Customer

Important information about your Credit Card account

Product name: ANZ BUSINESS ONE

Account number: xxxx xxxx xxxx 5641

We are writing to let you know that we have reviewed the above credit card account and have identified that we charged fee(s) (and where applicable, associated fees and interest) on the account, before the facility was used or activated. We apologise for any inconvenience you may have experienced.

What you need to know

We have enclosed a cheque for \$31.53. This amount is made up of \$21.72 for the portion of the fee(s) charged on the account before the facility was used or activated and, where applicable, associated fees and interest that may have been charged, plus an additional amount of \$9.81.

Any questions?

You will find some Frequently Asked Questions on the next page. If you are not able to take the cheque to a branch to deposit, please call our Customer Remediation Specialist Team on 1800 245 416 (or +61 3 8699 6956 if calling from outside Australia), Monday to Friday, 8am to 6pm AEST and quote reference RID2037 to discuss alternate options on how we can arrange for funds to be credited to you.

Yours sincerely

Sarah Stubbings
Responsible Banking Lead

RID2037

Frequently Asked Questions

Why have I received this letter?

We have identified that we charged fee(s) (and where applicable, associated fees and interest) on a credit card account, before the facility was used or activated.

How has ANZ resolved this issue?

We are refunding the relevant fee(s) which were charged on the credit card account before the facility was used or activated and where applicable, associated fees and interest that may have been charged. We're also paying you an additional amount to reflect the fact that for a period of time you did not have use of the money. This is sometimes referred to as a 'time value of money' amount.

Who is receiving this refund?

We have paid this refund based on the ownership information we currently have recorded on the account. If you have any questions, please contact our Customer Remediation Specialist Team on 1800 245 416 (or +61 3 8699 6956 if calling from outside of Australia), Monday to Friday, 8am to 6pm AEST.

Did this happen to all of my accounts?

Not all ANZ accounts have been impacted by this matter. This payment relates to the credit card account specified in this letter. If any other account is impacted, you may receive a separate payment in relation to that account.

What is the account number referred to in this letter?

The account number referred to in the headline of this letter may be different to your card number. We have referenced your credit card account number rather than the card number, as your card number can change (if it is lost / stolen or needs to be replaced) whereas your account number will remain the same. Your account number is printed on your statement of account.

If I received a cheque, when do I need to deposit it by?

Please note that if the cheque is less than \$500, and not deposited within 15 months of the cheque date, the cheque may be cancelled and, in that case, the value of the cheque will be donated to charity.

Will I have to pay tax on this payment?

If you have any questions regarding the tax implications of your refund (and if applicable, any additional amount paid to you), please discuss these with a registered tax agent or with the Australian Taxation Office. Please keep a copy of this letter for your tax records.

Why does the additional tax apply to you

For the 2020-21 financial year, your combined income and super contributions were more than \$250,000. This means you now have to pay an additional tax of 15% on some of your concessional contributions.

paid 6/5/22

What you need to do now

There are two options for making a payment (your payment can be made using any combination of these):

1. Pay with your own money
2. Elect to release money from any of your existing super balances by completing a Division 293 election form online, instructions to do this are on the final page of this notice.
