FEES AND COSTS SUMMARY

This section summarises all fees and costs related to your account.

We are required by law to set out the information this way. We know it might be confusing, but we are here to answer any questions you have, so give us a call.

The 'Fees deducted directly from your account' includes all fees shown as transactions in the 'Your account in detail' section of this statement.

The 'Fees and costs deducted from your investment' are estimates of the fees and costs you incurred on your investments. These are not additional deductions from your account and they have already been included in the returns you received. Depending on the type of fee or cost, these may be deducted daily, monthly or at some other time.

Fees deducted directly from your account

This amount has been deducted directly from your account (reflected in the transactions listed on this statement).

	Amount (gross of tax)	Tax adjustment	Amount (net of tax)
Administration fee	\$11.71	\$1.76	\$9.95
Insurance fees and charges	\$899.89	\$134.98	\$764.91
Total	\$911.60	\$136.74	\$774.86

Fees and costs deducted from your investment

This approximate amount has been deducted from your investment and covers amounts that have reduced the return on your investment and that are not reflected as transactions listed on this statement or in the 'Additional explanation of fees and costs' section.

	Amount (gross of tax)
Investment fee	\$4.54
Indirect costs	\$0.22
Costs met from reserves	\$0.00
Buy-sell spread	\$10.40
Total	\$15.16

Total fees and costs you paid

This approximate amount includes all the fees and costs that affected your investment during the period.

	Amount (gross of tax)
Total fees and costs you paid	\$926.76

The total fees and costs you paid are the total of all fees and costs disclosed in this exit statement.

Additional explanation of fees and costs

The 'Amount (gross of tax)' is gross of income tax and includes GST (less any available reduced input tax credits) and stamp duty (where applicable).

The Fund receives a tax deduction of up to 15% for expenses relating to administration. The administration fees you paid are net of tax and are shown in the 'Amount (net of tax)' column. The benefit of any tax adjustment shown for Insurance fees and charges is passed onto you as part of any Tax on contributions – rebate transactions posted to your account.

If your account balance is less than \$6,000 when you leave the Fund, the total combined amount of fees and costs charged to you in relation to administration and investment is capped at 3% of the balance paid in exit. Any amount charged in excess of that cap must be refunded.

The Trustee can generally recover properly incurred expenses and costs incurred in the administration and management of the Fund. The Trustee may use the assets of the Fund (including reserves) to do this. Any excess amounts are retained within the reserve to meet future costs.

EXPLANATION OF YOUR BENEFITS

In this section, we give a brief explanation of some of the expressions and terms which may be used in your statement as the information in this statement is important and should be read carefully. If there's anything about your statement you're still unsure about, please ask your financial adviser - or of course you can always give us a call on the Customer Service number on the front of your statement. Alternatively, please consult the PDS and Product Guide for more information.

Closing account balance

Is calculated by multiplying the number of units by the sell unit price after fees and charges have been deducted but not including any relevant charges if you withdraw the benefit.

Eligible service date

Where applicable, this date is used to calculate the amount of tax payable when your benefit is paid.

Fees

These transactions are debits from your account and include any fees and charges (less any rebates).

- **Administration fee**
Administration fees are comprised of different components and you may see more than one charge for the same date on your statement. The total value of all Administration fees shown is equal to the amount deducted from your account.
- **APRA levy**
The Australian Prudential Regulation Authority (APRA) imposes a levy on the Trustee, a proportion of which will be recouped from your account on a monthly basis.
- **Contribution and personal advice fees**
If applicable, this is an amount agreed with an adviser in relation to services provided by the adviser.
- **Fee rebate**
From 1 July 2019, under super law, where an account balance is less than \$6,000 at financial year end or in exit, the total combined amount of fees and costs charged to you in relation to administration and investment is capped at 3% (pro-rated in the financial year of exit). Fee rebates represent a rebate or refund of fees and are paid directly to your account (so reduce the other fees quoted) to comply with this cap. Fee rebates may cover fees deducted directly from your account and fees and costs deducted from your investment.

For members at 30 June each year, any applicable rebate will be made to your account by 30 September for the previous financial year. For exiting members, any applicable pro-rated rebate will be made to your account either at exit or within 3 months of your exit.
- **Insurance fees and charges**
Deductions from your account to cover the cost of any Life, Total and Permanent Disablement and Income Protection cover you may have. This includes insurance fees, adviser fees and any government stamp duty. Insurance fees are comprised of different components and you may see multiple insurance fees deducted on the same date on your statement.

Taxes

'Taxes' means Commonwealth, state, local, foreign or international taxes, fees, withholdings, levies, imposts, duties, assessments and charges of any kind and nature arising out of or related to contributions and investments, together with applicable interest and penalties.

Government co-contribution

If applicable is the total of the amounts of Government co-contributions received during the reporting period.

Insurance cover

This is the type and level of insurance cover you had prior to your account closure. The level of cover represents the maximum amount of benefit you would have been able to claim prior to the closure of your account.

Interest Accrued (Asteron Traditional Capital Guaranteed Fund)

Interest accrued on your investment (if any) is based on the interim interest rate for the relevant period. Interest accrued is not included in your closing balance but is included in your withdrawal benefit. The interim rate may be changed at any time.

Investment earnings

The movement in the unit price of your investment during the statement period, expressed as a dollar amount.

Investment's net rate of return

This is the combined total rate of return for all the investments in your super fund during the statement period. It's calculated after deducting tax and fees in the unit prices of your investments, and taking into account the timing and amounts of inflows and outflows in your account.

If you're invested in the Asteron Traditional Capital Guaranteed Fund, your net investment rate of return includes accrued interest calculated using the current interim rate.

Product Dashboards

The latest product dashboards are available for this Fund at www.suncorp.com.au/super. The product dashboard is intended to provide key information about MySuper products and other investment options and for this information to be presented in a standardised manner to allow consumers to easily compare products and make informed choices.

Tax on contributions

A Government-imposed tax levied on concessional contributions.

Trustee

Every super fund is required by law to have a trustee, who is appointed to ensure that the fund is run according to the best interests of all the members and that it complies with all superannuation rules and legislation. The trustee of the Fund is Suncorp Portfolio Services Limited.

Withdrawal benefit

The withdrawal benefit shown in this statement is calculated using the latest available unit price. When you submit your withdrawal request, the amount payable to you will be calculated using the unit price effective the date of your request. Your withdrawal benefit may differ from your closing account balance because of contributions received, changes to the value of underlying investments, withdrawals, and the deduction of taxes, fees and charges. Importantly, if you hold insurance in your super, any payable insured amount will be added to the withdrawal benefit amount.

Additional information

We are required to provide you with any information you reasonably require to understand your entitlements. Please consult the PDS and Product Guide for more information or give us a call on the Customer Service number, included at the front of your statement, if you require additional assistance.

WE WELCOME YOUR FEEDBACK

If you experienced a problem, were not satisfied with our products or services or a decision we have made, let us know so that we can help. Give us a call on 13 11 55.

Complaints can sometimes be resolved on the spot and usually within 5 business days.

Review by our Internal Dispute Resolutions Team

If we are not able to resolve your complaint or you would prefer not to contact the people who provided your initial service, our Internal Dispute Resolutions team can assist:

By phone: 13 11 55
By email: financialservicesidr@suncorp.com.au
By Fax: 1300 369 954
In writing: GPO Box 1576 SYDNEY NSW 2001

Internal Dispute Resolutions will contact you if they require additional information or when they have reached a decision.

When responding to your complaint you will be informed of the progress of, and the timeframe for, responding to your complaint.

Seek review by an external service

We expect our procedures will deal fairly and promptly with your complaint. However, if you remain dissatisfied, or we don't respond within the required time frame, you may be able to access the services of the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to consumers and small businesses. Any determination AFCA makes is binding on us, provided you also accept the determination. You do not have to accept their determination and you have the option of seeking remedies elsewhere.

There are some complaints that AFCA may not have the authority to hear. Contact AFCA to confirm if they can assist you.
