B & A Williamson Super Fund PO Box 686 **DUBBO NSW 2830**

Dear Bill & Alison

2022 Financial Statements & Tax Return

Please find enclosed the following documents:

- Financial statements for the year ended 30 June 2022, including members' statements and investment register schedules.
- Superannuation Fund income tax return for the year ended 30 June 2022 including audited disclosure.

Could you please review the documentation to ensure that the financial statements, which have been prepared from your books and records, reflect your understanding of the fund's results and financial position as of 30 June 2022. Whilst the financial statements have been audited, you as trustees remain responsible for the information included in those financial statements and the tax returns. Accordingly, we recommend that you review the tax returns and query any matters of uncertainty.

Financial Results

The B & A Williamson Super Fund holds wealth of \$377,223 at 30 June 2022 (2021 - \$390,603) for the purpose of William & Alison's retirement. In determining these values, investments have been recorded at their market value at the balance date.

Your fund's result the 2022 year is an accounting loss of \$5,955 (2021 - \$33,012 profit), including contributions, and after deducting insurance payments.

The result excluding contributions and before insurance payments, which better reflects the investment performance of the fund, is an accounting loss of \$24,550 (2021 - \$20,183 profit). The result is largely represented by investment income of \$14,457 (2021 - \$4,212) and the decrease in the market value of investments (net of capital gains) of \$21,172 (2021 - \$23,001 increase).

Your fund's performance for the 2022 year against other selected investment indices is as follows:

| Selected Market Indicator ¹ | Return on assets 2022 (%) | Return on assets 2021 (%) |
|--|------------------------------|------------------------------|
| Australian Shares | -6.8% | 30.2% |
| International Shares | -6.5% | 27.5% |
| Australian Listed Property | -11.4% | 33.2% |
| Australian Bonds | -10.5% | -0.8% |
| Australian Cash | 0.1% | 0.1% |
| Australian CPI to 30 Jun | 6.1% | 3.8% |
| Your Fund | -6.3% | 5.6% |

Your fund's return of -6.3% has been calculated using the profit before tax, insurance, and contributions, divided by the opening value of accumulated funds. Should you be uncertain as to the adequacy of your fund's performance and its ability to meet your retirement goals, please contact us for a referral to an appropriate financial adviser.

Taxation

Following is a summary of the taxation position of the fund for the year:

Dear Trustee/s

Audit Management Letter

The audit of B & A Williamson Super Fund (the Fund) for the year ended 30 June 2022 has been completed and attached is the signed Audit Report which you should retain for your records.

Auditors are encouraged by the Australian Taxation Office to issue management letters at the completion of each audit as a means of advising the trustee of any matters noted during the course of the audit.

Our audit was conducted to obtain reasonable assurance that the financial report is free from material misstatement and the fund has complied in all material respects with requirements of the Superannuation Industry (Supervision) Act 1993 (SIS Act) and the Superannuation Industry (Supervision) Regulations 1994 (SIS Regulations).

We would like to bring the following to your attention:

Separation of Fund Assets

The Fund paid for capital improvements relating to the property situated at 98 Talbragar Street, Dubbo, New South Wales. Invoices for the capital improvements were incorrectly issued in the Trustee's name and not the Fund.

SIS Requirements

Regulation 4.09A of the SIS Regulations requires the trustees to keep all money and other assets of the fund separate from those held by the trustee personally.

Action Required

The Trustees should ensure that the Fund's money is kept separate to personal money and that all Fund Invoices are issued in the correct name, to ensure compliance with the legislation.

If you would like to discuss any of the matters raised, please do not hesitate to contact me.

Yours faithfully

General Information

Investment Strategy

Recently the ATO has had an increased focus on Fund's Investment Strategies.

The Trustees are responsible for formulating and regularly reviewing the Fund's Investment Strategy. Please review your Investment Strategy to ensure it sufficiently documents your decisions and complie with SIS Regulation 4.09. If you have an updated Investment Strategy, please ensure a signed and dated copy is provided to us as part of the next year's Audit.

If you require assistance with the Fund's Investment Strategy, we suggest you seek advice from a financial adviser as we are not licenced to provide financial product advice.

As a reminder of the legislative requirements regarding the Fund's Investment Strategy under the Superannuation Industry (Supervision) Regulations 1994 (SIS Regulations) – Regulation 4.09 we have included part of the operating standard for your reference.

SUPERANNUATION INDUSTRY (SUPERVISION) REGULATIONS 1994 - REG 4.09 Operating standard--investment strategy

- (1) This regulation:
 - (a) is made for subsection 31(1) of the Act; and
 - (b) applies to a superannuation entity that is a self managed superannuation fund
- (2) The trustee of the entity must formulate, review regularly and give effect to an investment strategy that has regard to the whole of the circumstances of the entity including, but not limited to, the following:
 - (a) the risk involved in making, holding and realising, and the likely return from, the entity's investments, having regard to its objectives and expected cash flow requirements;
 - (b) the composition of the entity's investments as a whole, including the extent to which they are diverse or involve exposure of the entity to risks from inadequate diversification;
 - (c) the liquidity of the entity's investments, having regard to its expected cash flow requirements;
 - (d) the ability of the entity to discharge its existing and prospective liabilities;
 - (e) whether the trustees of the fund should hold a contract of insurance that provides insurance cover for one or more members of the fund.
- (3) An investment strategy is taken to be in accordance with subregulation (2) even if it provides for a specified beneficiary or class of beneficiaries to give directions to the trustee where the directions:
 - (a) relate to the strategy to be followed by the trustee in relation to the investment of a particular asset or assets of the entity; and
 - (b) are given in the circumstances covered by regulation 4.02.

Year of income being audited 2022

To the SMSF trustees of B & A Williamson Super Fund

Part A: Financial Audit

Opinion

I have audited the special purpose financial report of B & A Williamson Super Fund comprising the Statement of Financial Position as at 30 June 2022, and the Operating Statement and Notes to the Financial Statements for the year ended 30 June 2022.

In my opinion, the financial report presents fairly in all material respects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2022 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards¹. My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to this audit and as required by the *Superannuation Industry (Supervision) Regulations 1994* (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm did not prepare the financial statements for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist B & A Williamson Super Fund meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes and should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that

 $^{^{\}mathrm{1}}$ The Australian Auditing Standards issued by the Auditing and Assurance Standards Board

an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I may identify during the audit.

Part B: Compliance Engagement

Opinion

I have undertaken a reasonable assurance engagement on B & A Williamson Super Fund's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2022.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

In my opinion, each trustee of B & A Williamson Super Fund has complied in all material respects, with the listed provisions, for the year ended 30 June 2022.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standards ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Service Engagements* in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF trustees' responsibilities

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor's responsibilities

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2022. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee have complied, in all material respects, with the listed provisions for the year ended 30 June 2022.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2022.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2022 does not provide assurance on whether compliance with the listed provisions will continue in the future.

Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is not a reporting entity because it is not publicly accountable and is not required by law or governing document to prepare financial statements that comply with Australian Accounting Standards. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994*, the trust deed of the fund and the needs of members.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of SISA 1993, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

Market values for various types of investment have been determined as follows:

- listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

The financial report was authorised for issue on 28 April 2023 by the directors of the trustee company.

Note 2 - Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

| | Current | Previous |
|---|----------|----------|
| Liability for Accrued Benefits at beginning of period | 390,603 | 359,193 |
| Benefits Accrued during the period | (13,380) | 31,410 |
| Benefits Paid during the period | 0 | 0 |
| Liability for Accrued Benefits at end of period | 377,223 | 390,603 |

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 – Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

| Vested Benefits at end of period | 377,223 | 390,603 |
|--|----------|----------|
| Benefits Paid during the period | 0 | 0 |
| Benefits Accrued during the period | (13,380) | 31,410 |
| Vested Benefits at beginning of period | 390,603 | 359,193 |
| | Current | Previous |

Note 4 - Guaranteed Benefits

No guarantees have been made in respect of any part of the liability for accrued benefits.

Note 5 - Funding Arrangements

No fixed funding arrangements were in place for the Fund as at year end.

MINUTES OF THE MEETING OF THE DIRECTOR(S) OF THE CORPORATE TRUSTEE TOMBAL PTY LTD ATF

B & A WILLIAMSON SUPER FUND HELD ON/...... AT 5 DALTON STREET, DUBBO NSW

PRESENT: Alison Williamson William Williamson

INVESTMENT STRATEGY: The Fund's proposed Investment Strategy was tabled for approval.

The Investment Strategy was reviewed, having appropriate regard for:

- (i) The Fund's circumstances, including members' ages and expectations, the Fund's benefit structure, the size of the Fund, and the Fund's tax position.
- (ii) The Members' circumstances, whether it is appropriate for the trustees of the fund to hold a contract of insurance that provides insurance cover for one or more members of the fund.
- (iii) The risk involved in making, holding and realising, and the likely return from, the Fund's investments having regard to its objectives and its expected cash flow requirements. Risks involved include market risk, operational risk, liquidity risk, and credit risk.
- (iv) The composition of the Fund's investments as a whole including the extent to which the investments are diverse or involve the entity in being exposed to risks from inadequate diversification.
- (v) The liquidity of the Fund's investments having regard to its expected cash inflows, and cash outflow requirements. Items considered included the required amount of investment in cash or in assets readily convertible into cash, the expected timing of investment income and member contributions, and the expected timing of expenditure such as tax and member benefit payments.
- (vi) The ability of the entity to discharge its existing and prospective liabilities.

It was noted that the Fund's investment strategy defined the minimum and maximum allocations to the various asset classes as follows:

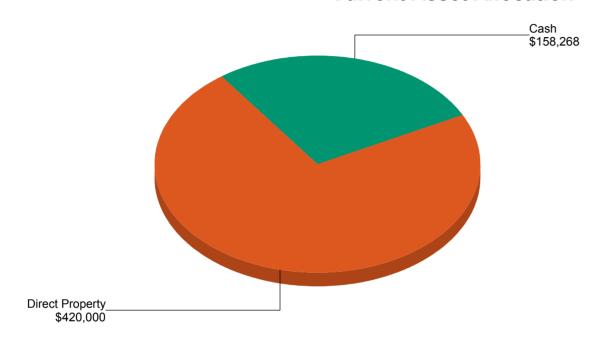

| Asset Class | Min % | Max % |
|---------------------------|-------|-------|
| Australian Equities | 25% | 90% |
| Australian Fixed Interest | 0% | 80% |
| Cash | 5% | 95% |
| Direct Property | 25% | 90% |

It was resolved that the Investment Strategy appropriately addressed the aims and objectives of the Fund and, as a result, should be adopted as tabled.

| CLOSURE: | There being no further business the meeting was closed. | | | | |

Section C: Deductions and non-deductible expenses

12 Deductions and non-deductible expenses

Under 'Deductions' list all expenses and allowances you are entitled to claim a deduction for. Under 'Non-deductible expenses', list all other expenses or normally allowable deductions that you cannot claim as a deduction (for example, all expenses related to exempt current pension income should be recorded in the 'Non-deductible expenses' column).

Section K: **Declarations**

Penalties may be imposed for false or misleading information in addition to penalties relating to any tax shortfalls.

Important

Before making this declaration check to ensure that all income has been disclosed and the annual return, all attached schedules and any additional documents are true and correct in every detail. If you leave labels blank, you will have specified a zero amount or the label was not applicable to you. If you are in doubt about any aspect of the annual return, place all the facts before the ATO.

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). We will use the TFN to identify the entity in our records. It is not an offence not to provide the TFN. However if you do not provide the TFN, the processing of this form may be delayed.

Taxation law authorises the ATO to collect information and disclose it to other government agencies. For information about your privacy go to ato.gov.au/privacy

TRUSTEE'S OR DIRECTOR'S DECLARATION:

I declare that, the current trustees and directors have authorised this annual return and it is documented as such in the SMSF's records. I have received a copy of the audit report and are aware of any matters raised therein. The information on this annual return, including any attached schedules and additional documentation is true and correct.
