Annexure A

Financial Statements (Superannuation Fund)

It is essential that the directors of the trustee/s read and review the financial report in detail to ensure the information contained therein is satisfactory before signing.

Income Tax Return

The return has been compiled from information supplied to us and, consequently, the accuracy of the return depends on these details. Whilst we have exercised due care and skill in preparing the return, the provisions of the Income Tax Assessment Act place the responsibility of the contents of the return with the taxpayer. Accordingly, please check the details shown to satisfy yourself that the return is correct before signing the electronic lodgement declaration.

Electronic Lodgement

The return will be lodged electronically upon receipt of your signed electronic lodgement declaration. The tax office requires a signed declaration authorising us to lodge the returns electronically. This declaration also certifies that the details in the tax returns are correct.

Record Keeping

The Superannuation Industry Supervisory Act (SISA) requires that you keep all accounting records, financial reports and other relevant documentation for at least 5 years (calculated from the date the records were prepared or obtained, or from the date the transactions or acts to which the records relate were completed, whichever is the later). It is essential that all supporting documentation is retained for the period specified to enable figures in your tax return to be verified. The SISA requires that all minutes and records of trustee' or directors of the corporate trustee meetings and / or decisions have been kept for a minimum period of 10 year and trustee declarations in the approved form have been signed and kept for each trustee appointed after 30 June 2007.

Superannuation Contribution Limits

Limits are imposed on the amount each member is able to contribute into to superannuation each year. The amounts can vary dependant on the members age and work status, if you are unsure as to what you are able to contribute please contact our office to confirm.

Additional Contributions Tax – High Income Earners

If a Member has personal adjusted taxable income greater than \$300,000 for the 2017 financial year, or \$250,000 for the 2018 financial year, they will be assessed for Division 293 tax on the excess over the threshold or on their concessional contributions, whichever is less. Tax on these concessional contributions will be assessed at a higher rate of 30%, rather than the usual 15% levied on Superannuation Funds. Please contact our office should with wish to discuss additional Contributions Tax.

Minimum Pensions

Each year members who are in pension phase must ensure that they draw at least their minimum pension amount to meet SISA requirements. The minimum amount is worked out by multiplying the member's pension account balance by a percentage factor which is based on age.

Funds in Both Accumulation & Pension Phase

If a Superannuation Fund is in both accumulation and pension phase, the Fund is required to obtain an Actuarial Certificate in order to determine the portion of the net ordinary assessable income which is exempt from income tax. Where an Actuarial Certificate is required, a copy is included for your information. Please contact our office should you wish to discuss this further.

Investment Strategy Template

If an Investment Strategy Template is provided, this is a template only and to be used at your own discretion and is to be tailored to the individual SMSF trustee circumstances. No advice has been provided to you on the appropriateness of your investment strategy. This template does not consider the trustees personal circumstances and is not financial advice. Please obtain the services of a qualified financial adviser if you require advice on the asset allocation, investment selection and insurances for your SMSF.

Notes to the Financial Statements

As at 30 June 2018

Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994* and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *SISA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

Healy-Williamson Super Fund

Notes to the Financial Statements

As at 30 June 2018

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

Healy-Williamson Super Fund
Notes to the Financial Statements
As at 30 June 2018

(h) Income Tax

The income tax on the benefits accrued as a result of operations for the year comprises current and deferred tax. Income tax expense is recognised in the Operating Statement.

Current income tax expense is calculated by reference to the amount of income taxes payable in respect of the taxable income for the year using tax rates enacted or substantively enacted by reporting date and any adjustment to tax payable in respect of previous years. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as any unused tax losses.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled and their measurements also reflect the manner in which the Trustees expect to recover or settle the carrying amounts of the related assets or liabilities.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax assets can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable that the related tax benefits will be realised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur.

Deferred tax assets and liabilities are offset when a legally enforceable right of set-off exists, they relate to income taxes levied by the same taxation authority and the fund intends to settle the tax assets and liabilities on a net basis in future when they are realised.

The financial report was authorised for issue on 20 March 2019 by the trustee of the fund.

Note 2 – Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	Current
Liability for Accrued Benefits at beginning of period	0
Benefits Accrued during the period	104,492
Benefits Paid during the period	0
Liability for Accrued Benefits at end of period	104,492

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 – Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

	Current
Vested Benefits at beginning of period	0
Benefits Accrued during the period	104,492
Benefits Paid during the period	0
Vested Benefits at end of period	104,492

2. the fund satisfies the statutory requirements and conditions applicable to be classified as a 'Regulated Superannuation Fund/Complying Superannuation Fund' for the year of income and;
3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2018 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

It was resolved that the aims and objectives of the investment strategy were being achieved and that the said investment strategy requires no further modification or adoption at this time.

Dear Sir/Madam

**Audit Engagement of
Fleay-Williamson Super Fund
for the Year Ended 30 June 2018 and future years**

You have requested that we audit the financial report of the abovenamed superannuation fund, and we are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

OBJECTIVE AND SCOPE OF THE AUDIT

Our audit will be conducted with the objective of expressing an opinion on the financial report and express a conclusion on the trustee's compliance with the provisions of the SISA and SISR as follows:

- Financial report, which comprises the statement of financial position, operating statement and notes to the financial statements; and
- Compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA), Superannuation Industry (Supervision) Regulations 1994 (SISR) with the relevant requirements of the following provisions (refer Appendix 1 for further explanations to the meanings of the SIS Sections and Regulations).

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

FINANCIAL AUDIT – AUDITOR'S RESPONSIBILITY

Our audit will be conducted in accordance with Australian Auditing Standards issued by the Auditing and Assurance Standards Board (AUASB). These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

A financial audit involves performing audit procedures to obtain audit evidence about the amount and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustee, as well as evaluating the overall presentation of the financial report. Due to the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some materials misstatements may remain undiscovered.

In making our risk assessment, we consider internal controls relevant to the fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of an audit completion letter.

FINANCIAL AUDIT – TRUSTEE’S RESPONSIBILITY

The trustee is responsible for the preparation and fair presentation of the financial report and has determined that the accounting policies used are consistent with the financial reporting requirements of the SMSF’s governing rules, comply with the requirements of the SISA and the SISR and are appropriate to meet the needs of the members. The trustee’s responsibility also includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; making accounting estimates that are reasonable in the circumstances; and making available to us all books of the fund, including any registers and general documents, minutes and other relevant papers of all Trustee meetings and giving us any information, explanation and assistance we require for the purpose of our audit.

Section 35(C) of SIS requires that trustees must give to the auditor any document that the auditor requests in writing within 14 days of the request. As part of our audit process, we will request from the trustee written confirmation concerning representations made to us in connection with the audit. The representation letter must be signed and returned to us prior to signing the audit report. Our audit report is prepared for the members of the fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the fund, or for any purpose other than that for which it was prepared.

COMPLIANCE ENGAGEMENT – AUDITOR’S RESPONSIBILITY

Our compliance engagement will be conducted in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB), to provide reasonable assurance that the trustee of the fund has complied, in all material respects, with the provisions of the SISA and SISR specified in the ATO’s approved form auditor’s report.

Our responsibility is to express a conclusion on the trustee’s compliance, based on the compliance engagement. Our procedures include examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR.

These tests will not be performed continuously throughout the period, are not designed to detect all instances of non-compliance, and will not cover any other provisions of the SISA and the SISR apart from those specified. Our procedures with respect to Section 62 include testing that the fund trust deed establishes the fund solely for the provision of retirement benefits for fund members or their dependants in the case of the member’s death before retirement; a review of investments to ensure the fund is not providing financial assistance to members, unless allowed under the legislation; and that no preserved benefits have been paid before a condition of release has been met.

Our procedures with respect to Regulation 4.09 included testing that the fund trustee has an investment strategy, that the trustee has given consideration to risk, return, liquidity and diversification and that the fund’s investments are made in line with that investment strategy. No opinion is made on the investment strategy or the appropriateness of those investments to the members.

COMPLIANCE ENGAGEMENT – TRUSTEE’S RESPONSIBILITY

It is the responsibility of the trustee to ensure that the fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the fund. As part of the audit process we will request from the trustees written confirmation concerning representations made to us in connection with the audit. This representation letter must be signed and returned to us prior to signing the audit report.

REPORT ON SIGNIFICANT MATTERS

Under Section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the Australian Taxation Office (ATO) of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under Section 130, we are required to report to you and the ATO if we believe the financial position of the fund may be, or may be about to become unsatisfactory.

You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matter that you should be aware of in meeting your responsibilities. The completed audit report may be provided to you as a signed hard copy or a signed electronic version.

INDEPENDENCE

We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of APES 110, Code of Ethics for Professional Accountants as issued by the Accounting Professional & Ethical Standard Board in relation to the audit of the fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

FEES

Our fees are based on a standard schedule of fees as agreed with your accountant/administrator after taking into account the degree of responsibility and skill involved. For ease of administration, an invoice for audit fees is addressed to your accountant/administrator unless alternate arrangements have been agreed to. However, ultimate responsibility for ensuring that the audit fee is paid rests with the trustees of the fund.

We reserve the right to withhold the audit report until all outstanding invoices have been paid in full. We reserve the right to issue an invoice for our audit fee on substantial completion of the audit. The audit fees are reviewed annually by us. We reserve the right to alter our standard fee structure in the future. We will endeavour to advise you of any such alterations to the fee structure well in advance. However, a new engagement letter may not be issued if the fee structure is the only change required to this engagement letter.

The services offered under this letter of engagement will be provided and invoiced by SiDCOR Chartered Accountants.

RESPONSIBILITY FOR LOSS

We must take reasonable care in performing services for you under this agreement. If you suffer loss or damage partly as a result of our fault in providing the services, and partly as a result of your own fault, your claim for damages against us for breach of contract will be reduced, as in a negligence claim made by you or the superannuation fund that you are engaging our services on behalf of, to the extent that is just and equitable having regard to your share in the responsibility for that loss or damage. As a firm participating in a scheme approved under Professional Services Legislation, our liability may be limited under the scheme.

In the event that we do not receive sufficient information more than 4 weeks prior to the due lodgement date to complete our audit and in the event that our outstanding queries resulting from our audit are not resolved within 2 weeks of us issuing our outstanding matters letter, we accept no responsibility for any interest, penalties or losses incurred.

Further the responsibility to lodge the fund's annual return, other forms and statements statutorily required by the Australian Taxation Office, is that of the trustees of the fund or its accountants/fund administrators. We accept no responsibility for late lodgement or failure of these lodgements.
