SM Boyle Retirement Fund
Notes to the Financial Statements
As at 30 June 2020

Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994* and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *SISA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

SM Boyle Retirement Fund

Notes to the Financial Statements

As at 30 June 2020

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

SM Boyle Retirement Fund
Notes to the Financial Statements
As at 30 June 2020

(h) Income Tax

The income tax on the benefits accrued as a result of operations for the year comprises current and deferred tax. Income tax expense is recognised in the Operating Statement.

Current income tax expense is calculated by reference to the amount of income taxes payable in respect of the taxable income for the year using tax rates enacted or substantively enacted by reporting date and any adjustment to tax payable in respect of previous years. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as any unused tax losses.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled and their measurements also reflect the manner in which the Trustees expect to recover or settle the carrying amounts of the related assets or liabilities.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax assets can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable that the related tax benefits will be realised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur.

Deferred tax assets and liabilities are offset when a legally enforceable right of set-off exists, they relate to income taxes levied by the same taxation authority and the fund intends to settle the tax assets and liabilities on a net basis in future when they are realised.

The financial report was authorised for issue on 29 January 2021 by the directors of the trustee company.

Note 2 – Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	Current	Previous
Liability for Accrued Benefits at beginning of period	2,641,941.93	2,464,117.46
Benefits Accrued during the period	157,284.74	177,824.47
Benefits Paid during the period	0.00	0.00
Liability for Accrued Benefits at end of period	2,799,226.67	2,641,941.93

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 – Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

	Current	Previous
Vested Benefits at beginning of period	2,641,941.93	2,464,117.46
Benefits Accrued during the period	157,284.74	177,824.47
Benefits Paid during the period	0.00	0.00
Vested Benefits at end of period	2,799,226.67	2,641,941.93

Note 9 – Subsequent Events

Subsequent to the end of the financial year there have been considerable economic impacts in Australia and globally arising from the Coronavirus (COVID-19) pandemic, and Government actions to reduce the spread of the virus.

At the date of signing the financial statements the Trustees are unable to determine what financial effects the outbreak of the virus could have on the fund in the coming financial period.

No financial effects arising from the economic impacts of the virus have been included in the financial statements for the year ended 30 June 2019. The impacts may include a significant reduction in the carrying value of the SMSF assets and investments. The Trustees acknowledge their responsibility to continuously monitor the situation and evaluate this impact including whether the fund remains a going concern and its ability to pay its liabilities and future retirement benefits.

SM Boyle Retirement Fund

Trustee Declaration

In the opinion of the Trustees of the SM Boyle Retirement Fund.

The Fund is not a reporting entity and this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to these financial statements.

- (i) the financial statements and notes to the financial statements for the year ended 30 June 2020 present fairly the financial position of the Fund at 30 June 2020 and the results of its operations for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements; and
- (ii) the financial statements and notes to the financial statements have been prepared in accordance with the requirements of the Trust Deed; and
- (iii) the operation of the Fund has been carried out in accordance with its Trust Deed and in compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 during the year ended 30 June 2020.

Signed in accordance with a resolution of the directors of SM Boyle Super Pty Ltd by:

.....
Suzanne Boyle
Director: SM Boyle Super Pty Ltd

Dated: 4/5/21

**MINUTES OF THE MEETING OF THE DIRECTOR(S) OF THE CORPORATE TRUSTEE SM
BOYLE SUPER PTY LTD ATF
SM BOYLE RETIREMENT FUND
HELD ON/...../..... AT
226 UNION STREET, MEREWETHER NSW**

PRESENT

Suzanne Boyle

**APPROVAL OF
PREVIOUS MINUTES:**

It was resolved that the minutes of the previous meeting had been signed as a true and correct record.

**ALLOCATION OF
CONTRIBUTION:**

It was resolved that the contributions received during the year be allocated to members as follows:

Member Name/Contribution type	Amount
<i>Ms Suzanne Boyle</i> Member	25,000.00

The contributions will be subject to normal preservation and payment rules under the *Superannuation Industry (Supervision) Regulations 1994 (SISR)*

**ALLOCATION OF NET
INCOME:**

It was resolved that the income of the fund be proportionally allocated to members based on the members' daily weighted average balances. The following amounts of income, and related amounts of tax, are to be credited to / debited from member accounts:

	Income	Fund Tax	Conts Tax	Direct Tax
<i>Ms Suzanne Boyle</i> Accumulation	161,135.14	25,100.40	3,750.00	0.00

**REPORTING ENTITY
CONCEPT:**

It was resolved that, in the opinion of the trustee, the fund is not a reporting entity because it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy specifically all their information needs.

Therefore, the financial statements for the fund are to be prepared on the basis of the fund being a "non-reporting entity", and will therefore take the form of Special Purpose Financial Reports.

**REPORTS AND
STATEMENTS:**

The Financial Reports consisting of Statement of Financial Position, Operating Statement and Notes to the Financial Statements, Trustee's Declaration, Compilation Report, Auditor's Report and Member Statement for the period ended 30 June 2020 were tabled for consideration at the meeting.

It was resolved that the financial statements be adopted in their present format and that the statement by the trustees attached to the financial reports be signed by the Trustees, stating that:

1. the financial statements are drawn up so as to present fairly the financial position of the fund as at 30 June 2020, the benefits accrued as a result of operations and its cash flow for the year then ended;
2. the financial statements have been prepared in accordance with the requirements of the trust deed and Australian Accounting Standards as noted in Note 1 to the Financial Statements and
3. the fund has operated substantially in accordance with the trust deed and the requirements of the *Superannuation Industry (Supervision) Act 1993 (SISA)*, during the year ended 30 June 2020.

INCOME TAX RETURN:

The completed Self-Managed Superannuation Fund Annual Return for the financial year ended 30 June 2020 was tabled for consideration at the meeting.

It was resolved that:

1. the particulars contained in the 2020 income tax return and the relevant records used to ascertain the taxable income, as shown, derived by the fund from all sources in and out of Australia during the year of income are true and correct and;
2. the fund satisfies the statutory requirements and conditions applicable to be classified as a 'Regulated Superannuation Fund/Complying Superannuation Fund' for the year of income and;
3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2020 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

It was resolved that the aims and objectives of the investment strategy were being achieved and that the said investment strategy requires no further modification or adoption at this time.

TRUSTEE AND MEMBER STATUS:

Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the fund and that they are not disqualified persons as defined by Section 120 of the SISA.

Each of the member(s) confirmed that they are a member of the fund and agreed to be bound by the provisions contained within the Trust Deed of the fund (and any subsequent amendments).

AUDITOR:

It was resolved that

Tony Boys
of

PO Box 3376
Rundle Mall, SA 5000

act as the auditor of the fund for the next financial year.

TAX AGENT:

It was resolved that

Mr Dene Kilpatrick
of
Visionary Advisors

SM Boyle Retirement Fund

Dear Trustee

SM Boyle Retirement Fund
Audit Engagement Letter

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2020. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;

- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30 June 2020, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your expressed consent.

Our audit files may, however, be subject to review as part of the quality control review program of Regulators and or Professional Bodies which monitors compliance with professional standards by its members.

We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under this program. Should this occur, we will advise you. The same strict confidentiality requirements apply under this program as apply to us as your auditor.

Independence/Conflict of Interest

We have established policies and procedures designed to ensure our independence, including policies on holding financial interests in the superannuation fund and other related parties, rotation of audit partners, business relationships, employment relationships, and the provision of non-audit services in accordance with professional statement APES 110 – Code of Ethics for Professional Accountants.

Outsourced Services

We do not use any outsourced services in overseas locations when conducting client assignments.

Dear Anthony,

SM Boyle Retirement Fund
Superannuation Fund Management/Trustee Representation Letter

In connection with your audit examination of the financial report of SM Boyle Retirement Fund for the year ended 30 June 2020, hereby confirm, at your request that to best of our knowledge and belief, the following representation relating to the accounts are correct.

Financial Report

We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter, for the preparation of the financial report.

The management/trustee have determined that the fund is not a reporting entity for the year ended 30 June 2020 and that the requirement to apply Australian Accounting Standards and other mandatory reporting requirements do not apply to the fund. Accordingly, the financial report prepared is a special purpose financial report, which is for distribution to members of the fund and to satisfy the requirement of the SISA and the SISR, and to confirm that the financial report is free of material misstatements, including omissions.

Sole Purpose

The fund has been maintained for the sole purpose of providing superannuation benefits to its members and their dependents.

Superannuation Fund Books/Records/Minutes

- (a) We have made available to you all financial records and related data, other information, explanations and assistance necessary for the conduct of the audit.
- (b) We have made available to you Minutes of all trustee(s)' meetings and the Trust Deed.
- (c) We have established and maintained an adequate internal control structure to facilitate the preparation of reliable financial statements, and adequate financial records have been maintained. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.
- (d) We have no plans or intentions that may materially affect the carrying values, or classification, of assets and liabilities.
- (e) Records maintained during the period were in accordance with the Australian Taxation Office requirements.

Asset Form

The assets of the superannuation fund are being held in a form suitable for the benefit of the members of the fund, and have been held in accordance with the fund's investment strategy.

Ownership and Pledging of Assets

The superannuation fund has satisfactory title to all assets disclosed in the Statement of Financial Position. Investments are registered in the name of the trustee(s).

No assets of the superannuation fund have been pledged to secure liabilities of the superannuation fund or of others.

Investments

- (a) We have considered the requirement of generally accepted accounting standards in regards to impairment of assets when assessing the impairment of assets and in ensuring that no assets are stated in excess of their recoverable amount.
- (b) There are no commitments, fixed or contingent, for the purchase or sale of long-term investments that have not been disclosed in the financial statements.
- (c) The investment strategy has been determined with due regard to risk, return, liquidity, diversity and the insurance needs of fund members, and the assets of the fund are in line with this strategy.
- (d) All investments are acquired, maintained and disposed of on an arm's length basis.

Trust Deed

The superannuation fund is being conducted in accordance with its Trust Deed.

Superannuation Industry (Supervision) Act and Regulations

- (a) The fund meets the definition of a self-managed superannuation fund under the SISA.
- (b) The fund has been conducted in accordance with the SISA, the SISR and its governing rules at all times during the year. Also there were no amendments to the governing rules during the year, except as notified to you.
- (c) The fund is being conducted in accordance with the SISA and the SISR, in particular the relevant requirements of the following provisions:

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA
- (d) The trustee(s) have been nominated and may only be removed in such manner and circumstances as are allowed in the Trust Deed.
- (e) The trustees are not disqualified persons under s126K of the SISA.
- (f) Any vacancy among the trustee(s) is filled in accordance with the Trust Deed.
- (g) The trustee(s) have complied with all trustee standards set out in SISR and the covenant prescribed by section 52 of the SISA.
- (h) The trustee(s) have complied with all investment standards set out in the SISA and the SISR.
- (i) Information retention obligations have been complied with.

- (j) All contributions accepted and benefits paid have been in accordance with the governing rules of the fund and relevant provisions of the SISA and the SISR.

There are no breaches or possible breaches of the SIS legislation whose effects should be considered for disclosure in the financial report or to the Australian Taxation Office.

Commitments

- (a) There are no material commitments for construction or acquisition of property, plant and equipment to acquire other non-current assets, such as investments or intangibles, other than those disclosed in the financial report.
- (b) There were no commitments for purchase or sale of securities or assets or any options given by the fund including options over share capital.

Taxation

- (a) We have calculated income tax expense, current tax liability, deferred tax liability and deferred tax asset according to the definitions of taxable income and allowable deductions. We have calculated and recognised all other applicable taxes according to the relevant tax legislation.
- (b) There are no activities that invoke the anti-avoidance provisions of any applicable tax legislation.

Borrowings

The trustees have not borrowed money on behalf of the superannuation fund with the exception of borrowings which were allowable under the SIS Act and the SIS Regulations.

Related Parties

- (a) The fund has not made any loans to, or provided financial assistance to members of the fund or their relatives.
- (b) No asset has been acquired from a member or related party other than as permitted under the SISA and the SISR.
- (c) Related party transactions and related amounts receivable or payable have been properly disclosed in the financial statements.

Accounting Misstatement Detected by Audit

There has been no misstatement noted by audit during the course of the current year audit.

Insurance

The superannuation fund has an established procedure whereby an officer reviews at least annually the adequacy of insurance cover on all assets and insurable risks where relevant. This review has been performed and where it is considered appropriate, assets and insurable risks of the superannuation fund are adequately covered by insurance.

Accounting Estimates

We confirm the significant assumptions used in making accounting estimates are reasonable.

Fair Value Measurements and Disclosures

We confirm that significant assumptions used in fair value measurements and disclosures are reasonable and appropriately reflect our intent and ability to carry out specific courses of action on behalf of the fund.

Going Concern

In the opinion of the trustees there are reasonable grounds to believe that the superannuation fund will be able to:

- Pay its debts as and when they fall due.
- Continue as a going concern for the foreseeable future.

We, therefore, confirm that the going concern basis is appropriate for the financial report.

Events after Balance Sheet Date

We are not aware of any events that have occurred between the financial reporting date to the date of this letter that we need to disclose or recognise in the financial report.

Comparative Information

We confirm that there have been no restatements made to correct a material misstatement in the prior period financial report that affects the comparative information.

Fraud and Error

- (a) There has been no:
 - (i) Fraud, error, or non-compliance with laws and regulations involving management or employees who have a significant role in the internal control structure.
 - (ii) Fraud, error, or non-compliance with laws and regulations that could have a material effect on the financial report.
 - (iii) Communication from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report.
- (b) The superannuation fund has disclosed to the auditor all significant facts relating to any frauds or suspected frauds known to management that may have affected the superannuation fund.
- (c) The superannuation fund has disclosed to the auditor the results of its assessment of the risk that the financial report may be materially misstated as a result of fraud.

Legal Matters

We confirm that all matters that may result in legal action against the fund or the trustees in respect of the fund, have been discussed with a solicitor and brought to the attention of the auditor so that a solicitor's representation letter may be obtained.

General

- (a) Neither the superannuation fund nor any Trustees have any plans or intentions that may materially affect the book value or classification of assets and liabilities at balance sheet date.
- (b) The superannuation fund accepts responsibility for the implementation and operations of accounting and internal control systems that are designed to prevent and detect fraud and error. We have established and maintained adequate internal control to facilitate the

preparation of a reliable financial report, and adequate financial records have been maintained. There are no material transactions that have not been properly recorded in the accounting records underlying the financial report.

- (c) There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial report or as a basis for recording an expense.
- (d) The superannuation fund has complied with all aspects of contractual agreements that would have a material effect on the financial report in the event of non-compliance.

We understand that your examination was made in accordance with the Australian Auditing Standards and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the fund taken as a whole, and that your tests of the financial records and other auditing procedures were limited to those which you considered necessary for that purpose.

Additional Matters

There are no additional matters.

AUDITING
DUE DILIGENCE
FORENSIC ACCOUNTING

Part A: Financial audit

Opinion

I have audited the special purpose financial report of the SM Boyle Retirement Fund comprising; the Profit & Loss Statement for the financial year ending 30 June 2020, the Balance Sheet as at 30 June 2020 and the Notes to and forming part of the Accounts for the year ended 30 June 2020 of the SM Boyle Retirement Fund for the year ended 30 June 2020.

In my opinion, the financial report, presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial report, the financial position of the fund at 30 June 2020 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards¹. My responsibilities under those standards are further described in the Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to this audit and as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter - Basis of accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist SM Boyle Retirement Fund meet the requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes and should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of the corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair

¹The Australian Auditing Standards issued by the Auditing and Assurance Standards Board.

presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund, or have no realistic alternative but to do so. The going concern basis of accounting is appropriate when it is reasonably foreseeable that the fund will be able to meet its liabilities as they fall due.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the trustees and or the trustee's authorised representative regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Part B: Compliance engagement

Opinion

I have undertaken a reasonable assurance engagement on the SM Boyle Retirement Fund's compliance, in all material respects, with applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2020.

Sections: 17A, 34, 35AE, 35B, 35C(2), 35 (D) (1), 52 (2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA 13.22 (B and C)

In my opinion, each trustee of SM Boyle Retirement Fund has complied, in all material respects, with the listed provisions, for the year ended 30 June 2020

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 Compliance Engagements issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements and applied Auditing Standards ASQC 1 Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements in undertaking this assurance engagement.

SMSF trustees' responsibilities

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor’s responsibilities

My responsibility is to express an opinion on the trustees’ compliance with the listed provisions for the year ended 30 June 2020. ASAE 3100 Compliance Engagements requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee(s) has / have complied in all material respects, with the listed provisions for the year ended 30 June 2020.

An assurance engagement to report on the trustees’ compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2020.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2020, does not provide assurance on whether compliance with the listed provisions will continue in the future.

Dear Trustee,

I have completed the audit of the SM Boyle Retirement Fund for the financial year ending 30 June 2020. The Trustee has complied in all material respects with the *Superannuation Industry (Supervision) Act 1993* and Regulations. ***The trustee is obliged to obtain valuations or market appraisals of the real property assets held by the Fund and report those market values in the financial statements of the Fund every year pursuant to Regulation 8.02B. In addition, the trustee is requested to minute all nonstandard significant events and transactions in the AGM minutes of the Fund.***

The Trustee is required to maintain the financial records of the Fund for a minimum of five years and the minutes of meetings are to be retained for ten years.

It is recommended that the trustee review their Investment Strategy annually to ensure the strategy meets the objectives of the members having regard to risk, return, liquidity and diversification of investments. Further, the trustee should determine whether the Fund should hold a contract of insurance that provides insurance cover for one or more members of the Fund.

Thank you for your professionalism and full cooperation throughout the audit process.

Should you have any queries regarding any of the above please contact me on 0410 712708.

Yours sincerely

**RESOLUTION OF SM BOYLE SUPER PTY LTD
AS TRUSTEE OF SM BOYLE RETIREMENT FUND**

Investment Strategy A proposed Investment Strategy was tabled.
It was resolved to adopt the tabled Investment Strategy.

Signed as a true and correct record

INVESTMENT STRATEGY

SM BOYLE RETIREMENT FUND (THE "FUND")

The attached appendix sets out a range of matters considered by the trustee in formulating the Fund's investment strategy. The strategy itself has been summarized below.

Background

At the time of writing this investment strategy, the members of the Fund were as follows:

Member	Gender	Date of Birth
Suzanne Boyle	Female	22/05/1966

New members may be added over time and existing members may leave. This will not necessarily result in a change to the investment strategy.

Investment Objective

The trustee will seek to achieve investment returns that exceed inflation by at least 3% pa before taxes and expenses over rolling 3 year periods.

Target Asset Allocation

The Fund's target asset allocation ranges to achieve its investment objective are:

Asset Class	Range
Cash	2% - 20%
Australian fixed interest	0% - 20%
Direct property	20% - 98%

The Fund will maintain borrowings from time to time to make some of its investments.

Unless resolved otherwise, the Fund does not offer member investment choice and does not offer separate pools of investments for members.

Insurance Strategy

The Trustee has considered holding policies of insurance for one or more members and has resolved not to do so at this stage because:

- the members have advised that they hold sufficient insurance outside the fund for their needs

Suzanne Boyle
Director

APPENDIX

Background

The Superannuation Industry (Supervision) Act & Regulations (the “superannuation law”) requires self managed super fund (SMSF) trustees to formulate, regularly review and give effect to an investment strategy for their fund.

In preparing that strategy, trustees are required to take into account the whole of the circumstances of the fund and consider six key factors:

- the risk involved in making, holding and realising the fund’s investments, taking into account the trustee’s objectives and expected cash flow requirements,
- the likely return from the fund’s investments taking into account the trustee’s objectives and expected cash flow requirements,
- the composition of the investments as a whole, including the extent to which they are diversified or involve the fund being exposed to risks from inadequate diversification,
- the liquidity of the investments taking into account the fund’s expected cash flow requirements,
- the ability of the fund to meet its existing and prospective liabilities, and
- whether the trustees should hold insurance that provides cover for one or more members of the fund.

The superannuation law allows SMSF trustees to be directed by members to purchase specific investments on behalf of members (referred to as “member investment choice” in this document) provided the investments purchased are in accordance with the fund’s investment strategy. SMSF trustees are also permitted to offer separate pools of investments for members based on factors such as their age, risk profile or pension status.

In addition to the investment strategy requirement, the superannuation law also has rules which:

- dictate how trustees must approach investing overall,
- limit the parties from whom funds may acquire assets,
- place limits on funds holding particular assets that might be considered risky or difficult to police (either because of the nature of the asset or how it is controlled),
- control how assets are held and managed while owned by an SMSF, and
- dictate how and when funds can lend or borrow money.

An SMSF’s governing rules may also impose restrictions on a fund’s investments.

It is the Trustee’s responsibility to formulate an investment strategy for the Fund. The Trustee is also required to implement the strategy, taking into account the requirements of

both the superannuation law and the Fund's governing rules, and then regularly review it. This document sets out the steps taken by the Trustee to meet these responsibilities.

These steps are:

1. Review the Fund's circumstances
2. Develop an investment objective for the Fund
3. Decide on a strategy for how the Fund will invest to achieve that investment objective
4. Develop an insurance strategy for the Fund
5. Document those decisions in an investment & insurance strategy (this document)
6. Implement the strategy
7. Regularly review the strategy

Step 1 – Review of Fund Circumstances

The Trustee has reviewed and considered the whole of the Fund's circumstances including:

- in respect of the Fund members: their age, their attitude to risk, the size of their balances (including amounts to yet be transferred from other funds), the likely amount and frequency of contributions, the likely amount and timing of any benefit payments such as pensions, and their willingness (and that of their beneficiaries) to receive lump sum benefits in specie rather than in cash.
- in respect of the Fund's assets and liabilities: their current or anticipated value, their composition by asset class, and the extent to which cash flow or asset sales will support the payment of anticipated costs and benefits.
- any external factors which may impact the Fund: the current economic climate, its outlook and constraints imposed by superannuation and tax law.

Step 2 – Fund's Investment Objective

The next step is to decide upon the Fund's investment objective. In setting the investment objective, the Trustee considered the following issues:

Purpose of Fund

The purpose of the Fund is to provide superannuation benefits to members on their retirement, or for their dependants, in the case of members who die before their retirement (and any other ancillary benefits allowed by the superannuation law) at a level which meets the long-term expectations of the Fund members taking into account their risk profile.

Risk/Return

In reviewing the risk involved and the likely return from investments, the Trustee considered:

- The Fund's investment returns have a direct impact on members' benefits. This means the risks and the rewards associated with Fund investments are borne by the members.
- Often, investments which promise higher returns over the long term also present greater risk of losses over shorter periods.
- Investment returns are generally influenced by economic, environmental and financial factors which are unpredictable. This means investments in any form will entail a degree of risk impacting on that investment's future returns.

- Investments in any form may generate a negative return in any given period, although that risk can be minimised with higher exposure to defensive assets (eg cash, term deposits) rather than growth assets (eg equities, property).
- Investment risk can often be reduced through diversification.
- International investments are exposed to risk from currency movements.
- Gearing can result in additional risk. SMSFs can be exposed to gearing directly (via limited recourse borrowing arrangements) or indirectly (via trust or company structures).

Diversification

In reviewing the extent to which the Fund's investments will be diversified or will involve the Fund being exposed to risks from low levels of diversification, the Trustee considered:

- Diversification can be achieved in various ways, including:
 - investing in a range of different asset classes or investments within that class
 - investing in different industries, sectors or countries
 - gradually building up an exposure to any investment instead of making one large investment, and
 - using more than one investment manager.
- In some situations, the Fund's investments may lack diversification (eg by investing in a single asset or asset class) but this decision should only be made after considering the likely return from the investment and the risks of inadequate diversification.
- In taking into account the extent to which the Fund may be exposed to risk from inadequate diversification, the Trustee may choose to take into account the asset allocation of the members outside the Fund.

Liquidity/Liabilities

In reviewing the liquidity of the Fund and its expected cash flow requirements, the Trustee considered:

- In periods when the Fund is providing pensions to members, the Fund's assets will need to be sufficiently liquid to allow for payment of at least the required minimum annual pension amount.
- The Trustee may decide to pay lump sum benefits (including death benefits) in-specie rather than making a payment in cash (ie by transferring all or part of a Fund asset to the beneficiary).
- The Fund may only borrow in very limited circumstances. Where borrowings are to be undertaken, this decision should only be made after developing a plan for how the borrowing will be repaid and how the Fund's liquidity requirements will be met.

- If the Fund invests solely in assets which provide little or no income return (ie they are held predominately for capital growth), the Fund may be unable to meet its liabilities as and when required.

After consideration of the above factors, the Trustee has decided to adopt the investment objective set out earlier.

Step 3 – Strategy for how Fund will invest to achieve Investment Objective

The Trustee must develop a strategy for how the Fund will invest in a way which will achieve the investment objective established in step 2.

The Trustee's strategy will be to invest in a mix of different assets within the ranges of the target asset allocations set out earlier.

The Trustee may deviate from these ranges, on a short-term or long-term basis, if and when particular investment opportunities or market conditions suggest it would be prudent to do so.

Step 4 – Fund's Insurance Strategy

In reviewing whether the Fund should hold insurance cover for one or more members, the Trustee considered:

- The superannuation law allows funds to hold certain types of insurance cover in respect of fund members. The aim of such cover is generally to provide financial support to members (or their dependants) in the event of the member's death, injury or illness.
- The personal circumstances of individual members will be relevant in determining whether or not insurance cover is necessary, and whether it is appropriate to hold that cover via a superannuation fund. This will be influenced by factors such as the different tax treatment and cash flows to pay premiums.

After consideration of the above factors, the Trustee has decided to adopt the insurance strategy set out earlier.

Step 5 – Document the Strategy

To allow the Fund's auditor and the Australian Taxation Office to review the Trustee's compliance with the investment strategy requirements of the superannuation law, the Fund's investment strategy has been incorporated into this document.

Step 6 – Implement the Strategy

The Trustee is required to implement the investment strategy. That is, the Trustee must invest the Fund's assets in accordance with the strategy.

The Trustee may use various advisers and investment vehicles to implement its strategy. The choice of investment vehicles will be made at the discretion of the Trustee (subject to the requirements of the Fund's governing rules and the superannuation law). These investment vehicles may include managed funds, exchange traded funds, direct investments or any other investment vehicle the Trustee believes will assist it to meet its investment objective.

The Trustee will ensure all Fund money and assets are properly recorded in the name of the Trustee for the Fund and kept separate from any assets owned by the Trustee in any other capacity.

If the Trustee chooses to appoint an investment manager, they will do so in writing.

Unless resolved otherwise, the Trustee has no specific policy on labour standards or environmental, social or ethical issues when it comes to selecting, retaining or realising investments, although it may take these issues into consideration at its discretion.

Step 7 – Regularly Review

The Trustee will review this investment strategy regularly, including:

- annually, when the Fund's financial statements are completed, and
- when there are significant changes to the Fund's circumstances.

This review will assist the Trustee in determining whether any changes to the strategy are necessary to accommodate changes in the Fund's circumstances or the superannuation/tax law.
