No changes?

- If you opted to rollover to a new term deposit at maturity, this will happen automatically.
- If you opted to close your account at maturity, we'll do this for you and transfer the funds to your linked account.

How to change and rollover

If you planned to close the account but would rather reinvest, simply log into your account and change your maturity instructions to "rollover into a new term deposit" (you choose the amount and term).

Timings? Make sure you change your maturity instructions at least one business day before your current term deposit is due to mature.

For pre-maturity changes. Once logged in, go to:

- > Your Business Term Deposit
- > Click 'Maturity instructions'
- > And scroll to 'Maturity instructions'
- > Update and 'Save'

The new interest rate

We'll write to you with all the new details, including the interest rate, within a few days of rollover. Alternatively, you'll be able to check these yourself by logging in on rollover day.

Depending on interest rates available on rollover day, you may rollover to a new Business Term Deposit with a lower rate. The interest rate remains fixed for the term. (A higher rate may be available for another Business Term Deposit with a comparable term.)

The grace period (if you change your mind)

Once you rollover to a new term deposit, you have a seven-calendar-day grace period to make any changes - from 10/01/2022 to 16/01/2022. This can be done by calling us 24/7 on 133 464.

Here's what you can do in your grace period:

- Change the amount you're investing
- Change the term
- Close the new term deposit (you'll be paid for any interest earned in the grace period)

You can only make a change once in your grace period. So if, for example, you need to change the term and amount, this must happen simultaneously.

After the grace period

If you need to access your funds once the grace period has ended, 31 days' prior notice is required (cases of financial hardship aside). Note however that by ending your term deposit earlier than instructed, there will be a reduction in rate - see your Terms and Conditions for more details.

How to change and close

If you planned to rollover but would rather close your term deposit at maturity instead, simply log into your account to update your instructions at least one business day before your current term deposit is due to mature. All funds will be returned to your current linked account.

We're here to help

To change your maturity instructions, learn about current interest rates and ask any questions, simply log into your account or call us 24/7 on 133 464.
