Additional Explanation of Fees and Costs

Transactional and operational costs are not fees paid by you to Magellan Asset Management Limited. Transactional and operational costs may be nil where the buy and sell spreads recovered exceed the transactional and operational costs incurred by the Fund.

Indirect costs of your investment are a dollar value of the indirect costs incurred in the Fund (within the Funds indirect cost ratio). These costs comprise the management and where applicable the performance fee charged by the manager of the Fund.

The fee amounts set out in this statement are inclusive of goods and services tax and net of the benefit of any reduced input tax credits claimed by the Fund.
