Payment by Instalments – Conditions

Ratepayers may choose to pay their rate account by instalments subject to the following conditions:

- (2) The ratepayer must select the payment by instalments option by signing the instalment slip below and returning to Council no later than the due date listed on the front of this notice. **Ratepayers are encouraged to return forms prior to the 30 day due date to avail of the longest payment period possible.**
- (3) No interest penalty on current rate levy is involved if application is returned prior to the due date stated on the front of this notice. **Interest WILL apply to all applications returned after the due date.**
- (4) **Default** of any payment in an approved rate instalment plan will result in the commencement of interest charges.
- (5) Council will not forward monthly reminder notices for instalments.
- (6) Instalments will be calculated using the **gross** balance shown on the front of the notice.
- (7) The instalment amount is determined by taking the GROSS amount outstanding and dividing by the number of monthly payments required to finalise the arrangement. It is Council's preference that all rates and charges are fully paid by 30 June each year to avoid arrears showing on the subsequent rate notice.
- (8) Rate Instalments are due on the 21st monthly, and ratepayers will be advised in writing when their first instalment payment is due. Should any instalment not be received by the 21st every month, the instalment arrangement will be cancelled and the total amount outstanding becomes due and payable. Should you prefer to pay weekly or fortnightly instalments, please contact the rates department to discuss.
- (9) If an approved instalment plan is already in place from the issue of the 2018-19 rate notice in September 2018, a new application is not required, however you must pay the water component of this notice separately to keep your instalment plan up to date.
