Dear Mr Radisich,

Your policy is due for renewal soon and we're looking forward to covering you for another year.

#### Paying your premium

You are paying your premium by super rollover. The balance in your ClearView Life Super Cash Fund is not enough to cover the payment due. This means you need to rollover money from your other super fund by completing the enclosed form or make a contribution to cover the premium due amount.

To ensure your cover continues, please choose from one of our easy payment options shown opposite prior to your renewal date.

#### Indexation Benefit

Your benefit amount automatically increases each year so it keeps up with the increased cost of living, unless you choose to opt out. The increases are set at a minimum of 5% for policies that commenced prior to 1 October 2018 - please notify us if you would like to use our updated Indexation Benefit that will only increase your benefit amount at the rate of inflation.

### Changes to the LifeSolutions Super arrangements

We recently informed you that LifeSolutions Super members would be transferred from the ClearView Retirement Plan (CRP) to the HUB24 Super Fund on 31 October 2020. Now that the transfer is complete, we would like to remind you that your policy continues with the same insurer, cover and options. However, you are reminded of some changes:

- The superannuation fund for your LifeSolutions Super product is now HUB24 Super Fund and its trustee, and therefore the policy owner, is HTFS Nominees Pty Limited. You have ceased to be a member of the CRP and you are now a member of the HUB24 Super Fund.
- Any LifeSolutions Super account balance has been transferred to the HUB24 Super Fund. Your opening account balance in the HUB24 Super Fund is the same as your closing account balance in the CRP.

Further information on the transfer and the Product Disclosure Statement for LifeSolutions Super can be found at [clearview.com.au/Tools/pds-and-brochures](http://clearview.com.au/Tools/pds-and-brochures). Information about the HUB24 Super Fund can be found at [hub24.com.au/who-is-hub24](http://hub24.com.au/who-is-hub24).

### Changes to the use of eligible rollover funds (ERFs)

Recent changes to superannuation law require ClearView to cease using eligible rollover funds (ERFs) from 1 May 2021. Instead, in circumstances where we would have transferred your account balance or member benefit to an ERF (such as where we are unable to contact you or where insurance cover has ceased and a premium refund is due) these amounts will instead be transferred to the Australian Tax Office (ATO). The ATO has processes to reunite unclaimed super money into one of your active super accounts.

More information about this change can be found at [clearview.com.au/Tools/pds-and-brochures](http://clearview.com.au/Tools/pds-and-brochures).

### Understanding your premium

You have cover with a stepped premium type, which means your premiums are recalculated each year based on your changing benefit amounts, your increase in age and any change we have made to our premium rate tables.

Last year we reviewed our premium rates as communicated on your previous renewal notice. If your cover, or part of your cover, is now in its second renewal, these rate changes did not apply at the first renewal, but do apply now.

### Continuing cover

We cannot cancel or further restrict the terms of your cover after the cover start date because of any change in your health, occupation or pastimes.

Please be aware that if you cancel your cover, this protection ceases and there is a risk that any adverse changes in your health, occupation and pastimes since your cover started may cause you to be worse off under any replacement policy. A financial adviser may be able to help assess whether this is a risk for you.

### Easy access, fast answers

If you have any questions about your policy or policy terms, are having difficulty making payments, or if you are lodging a claim, please speak to your financial adviser or contact our Customer Service Centre on 132 979, Monday to Friday 8am to 7pm (AEST). Alternatively you may email [life@clearview.com.au](mailto:life@clearview.com.au). We're committed to great service and that means we're always ready to help.

Thank you for choosing us for your life insurance needs.

Cover type	Non indexed details		Renewal details		Indexed

Life Cover	\$1,527,000	\$8,250.74	\$1,540,132	\$8,321.70	Yes

## Premium and payment summary

**Mark Radisich** \$8,321.70

**Yearly premium** \$8,321.70

### Here's how we calculate your payment due amounts

<b>Yearly premium</b>	\$8,321.70
<b>Balance in ClearView Life Super Cash Fund</b>	<b>\$0.00</b>
Less amount deducted from the ClearView Life Super Cash Fund	- \$0.00
Less 15% tax benefit to ClearView Life Super Cash Fund*	<u>- \$0.00</u>
<b>Payment due via contribution</b>	\$8,321.70
<b>Payment due via rollover</b> (including 15% tax benefit)	\$7,073.45

**Note:** The 15% tax benefit (which reduces your amount payable when paying via a rollover) only applies at the time money is rolled out of your ClearView Life Super Cash Fund to pay the premium. The balance in your cash fund does not have the 15% tax benefit applied until it is actually used to pay the premium due. This is why the 'Yearly premium' amount, less the 'amount deducted from the ClearView Life Super Cash Fund' does not equal the 'Payment due via contribution' or the 'Payment due via rollover'.

Your premiums may have increased in accordance with your policy terms due to: indexation, an increase in your age under stepped premiums, changes in stamp duty rates, and changes to our premium rates.
