Additional Explanation of fees and costs

Administration fees and costs are fees and costs that relate to the administration or operation of the superannuation entity and includes costs that:

- (a) relate to that administration or operation; and
- (b) are not otherwise charged as investment fees and costs, a buy-sell spread, a switching fee, an activity fee, an advice fee or an insurance fee.

The SMI Administration Fee is deducted from your account each month and paid into the Pooled Superannuation Trust's (PST) Administration Reserve. The PST's Administration Reserve is separately maintained by the Trustee to manage the receipt of Administration Fees and the payment of PST expenditure. Any tax benefit associated with Fund expenditure is paid into the Fund's Administration Reserve.

Investment fees and costs are fees and costs that relate to the investment of the assets of a superannuation entity and includes:

- (a) fees in payment for the exercise of care and expertise in the investment of those assets (including performance fees); and
- (b) costs incurred by the trustee of the entity that:
 - (i) relate to the investment of assets of the entity; and
 - (ii) are not otherwise charged as administration fees and costs, a buy-sell spread, a switching, activity, advice or insurance fees.

Indirect fees and costs, deducted from your investment, may include a trustee indemnity fee. The trustee indemnity fee rules arise from Supreme Court-ordered changes to the Hostplus Superannuation Fund and PST trust deeds in response to recent legislative changes which impact all superannuation fund trustees' indemnity rights on and from 1 January 2022.

The Hostplus trustee indemnity fee is charged as follows:

0.0155% of the value of gross investment returns attributable to your account balance and deducted before net returns are credited to your account.

In certain circumstances, Hostplus agrees, as part of the fees payable to an investment manager, to pay a performance fee. Performance fees are payable to investment managers if they outperform required performance targets. The performance fees payable vary between the underlying investment managers and may change from year to year. These performance fees are included within the investment fee and are borne by members invested in an investment option before investment earnings are declared and applied to their account. Investment fees can change as a result of changes to the performance fees. Under the law, performance fees are calculated by averaging these over a 5-year period.

The Fees have been capped at 3% of the account balance for the members with an account balance less than \$6,000. This statement is prescribed by law, but it only relates to interests in the Hostplus Superannuation Fund.

For further details on fees please refer to the Product Disclosure Statement and Additional Information Brochure available from our website. Please note the updates provided above are current as of the date of preparation. For up-to-date information about your investment please log into your account on-line or contact us via phone or email.

The long-term investment returns are not necessarily reflective of your actual return over the same period.
