- You have paid a rollover superannuation benefit to another fund or RSA and are providing a statement about the rollover to your member.
- You are the trustee of a non-complying fund and are paying member benefits to another superannuation fund or RSA (complete section D instead of section C).

You must provide your member with a member statement using this form (or a similar form you create that includes the same information) for **all** rollovers, including if you applied the data standards and you didn't use this form for the fund-to-fund transaction.
