My bill is lower than usual. Why?

As part of your **Simpler Billing transition**, we're switching services charges from being billed in advance to billed in arrears to align with usage charges. So your current bill has no services charges due as we already billed you in advance for services up to 31 March, 2021 on previous bills. Services charges can account for 60% of average residential bills. Yours has none this quarter, so it's likely lower than usual. Simple! Scan below for more or see *Pipeline*.

Excludes customers in Somerset and Lockyer Valley who transitioned to Simpler Billing in 2019.
