### WORK COMPLETED:

Painting of all walls throughout house:

- All plasterboard walls will be sanded down with our dustless sanding system, we will patch any dents, holes or scratch marks.
- All plaster patch work will be touched up with undercoat followed by one coat of Dulux Wash & Wear Supahide low sheen in the same existing colour.
- Some walls have been drawn on with pen, the drawn on sections will have a ink blocking undercoat applied to these areas so that the ink does not come through new paint work.
- All flooring will have protection.
- All materials included in pricing.
