### When you need to contact us

It is important that you check the information provided on your Certificate of Insurance. If any details are incorrect or have changed, you should contact us to update your details.

Also, when you hold a policy with us, there are other circumstances you need to tell us about during the period of insurance. These circumstances are set out in the 'When you need to contact us' section of your PDS. If you do not contact us when you need to, you may not be covered under your policy and it may lead us to reduce or refuse to pay a claim and/or cancel your policy.

## Premium Details

### Why your premium may change

Each time you renew your insurance, your premium is likely to change, even if your personal circumstances have not. There are many factors that may change your premium in any given year, examples include the amount your assets are insured for, your claims history, more accurate data, our claims experience and changes to repair/replacement costs. Your premium may also be impacted by changes to discounts.

The premium comparison has been included to assist you in understanding the changes to your premium, including the impact of any taxes and charges. The premium shown includes any discounts.

To provide a more useful comparison, we are showing you an amount for your cover as of your most recent change. The amount from last year has been provided for comparison purposes only and should not be used for tax purposes.

Please contact Terri Scheer in the first instance if you have any questions about your policy.
