Danielle Eisele M.I.P.A PO Box 547 Yarra Glen 2021 Engagement / Substantiation Letter

This letter is to confirm our understanding of the terms of our engagement and the nature and limitations of the services that we provide.

Purpose, Scope and Output of the Engagement

We will provide accounting and taxation services, which will be conducted in accordance with the relevant professional and ethical standards issued by the Accounting Professional & Ethical Standards Board Limited (APESB). The extent of our procedures and services will be limited exclusively for this purpose only. As a result, no audit or review will be performed and, accordingly, no assurance will be expressed. Our engagement cannot be relied upon to disclose irregularities including fraud, other illegal acts and errors that may exist. However, we will inform you of any such matters that come to our attention.

This engagement is to provide the accounting and taxation services (prepare and lodge BAS returns for business entities, prepare annual financial statements for business entities, prepare and lodge annual income tax returns) required to complete the Compliance requirements of the Australian Taxation Office (ATO) and/or the Australian Securities Investments Commission (A.S.I.C). These services exclude ALL Superannuation advice and SGC payment obligations and financial planning as these services are not provided by this firm.

Income tax returns and financial statements will be prepared for distribution to the client for the agreed purpose. There is no assumption of responsibility for any reliance on our report by any person or entity other than yourself and those parties indicated as previously agreed. The report shall not be inferred or used for any purpose other than for which it was specifically prepared. Accordingly, our report may include a disclaimer to this effect.

Period of Engagement

This engagement will commence at our initial meeting and relate to all dealings for the year ended 30th June 2021 and any future services.

Responsibilities

In conducting this engagement, information acquired by us in the course of the engagement is subject to strict confidentiality requirements. That information will not be disclosed by us to other parties except as required or allowed for by law, or with your express consent.

We wish to draw your attention to our firm's system of quality control, which has been established and maintained in accordance with the relevant APESB standard. As a result, our files may be subject to review as part of the quality control review program of IPA, which monitors compliance with professional standards by its members. We advise you that by accepting our engagement you acknowledge that, if requested, our files relating to this engagement will be made available under this program.

The Client is responsible for the reliability, accuracy and completeness of the accounting records, particulars and information provided and disclosure of all material and relevant information. Clients are required to arrange for reasonable access by us to relevant individuals and documents, and shall be responsible for both the completeness and accuracy of the information supplied to us. Any advice given to the Client is only an opinion based on our knowledge of the Client's particular circumstances.

A taxpayer is responsible under self-assessment to keep full and proper records (tax invoices/receipts) in order to facilitate the preparation of a correct return and apportionment of expenses has been considered by the client. Whilst the Commissioner of Taxation will accept claims made by a taxpayer in an income tax return and issue a notice of assessment, usually without adjustment, the return may be subject to later review. Under the taxation law such a review may take place within a period of up to [4] years after tax becomes due and payable under the assessment. Furthermore, where there is fraud or evasion there is no time limit on amending the assessment. Accordingly, you should check the return before it is signed to ensure that the information in the return is accurate.

Where the application of a taxation law to your particular circumstances is uncertain you also have the right to request a private ruling, which will set out the Commissioner's opinion about the way a taxation law applies, or would apply, to you in those circumstances.

You must provide a description of all of the facts (with supporting documentation) that are relevant to your scheme or circumstances in your private ruling application. If there is any material difference between the facts set out in the ruling and what you actually do the private ruling is ineffective.

If you rely on a private ruling you have received, the Commissioner must administer the law in the way set out in the ruling, unless it is found to be incorrect and applying the law correctly would lead to a better outcome for you. Where you disagree with the decision in the private ruling, or the Commissioner fails to issue such a ruling, you can lodge an objection against the ruling if it relates to income tax, fuel tax credit or fringe benefits tax. Your time limits in lodging an objection will depend on whether you are issued an assessment for the matter (or period) covered by the private ruling.

Fees Our fees, including GST, will be billed at the completion of the assignment, or should the assignment exceed one month, we may interim bill (on a monthly or quarterly basis) the assignment in accordance with our time costing reports plus direct out of pocket expenses. Our payment terms are 7 Days from date of invoice.

If an amended return is required, due to circumstances beyond our responsibility, then additional fees will be payable.

<u>Limitation of Liability</u> Our liability is limited by a scheme approved under Professional Standards Legislation. Further information on the scheme is available from the Professional Standards Councils' website: http://www.professionalstandardscouncil.gov.au.

Ownership of Documents

All original documents obtained from the client arising from the engagement shall remain the property of the client. However, we reserve the right to make a reasonable number of copies of the original documents for our records.

Our engagement will result in the production of output documents including, if applicable, electronic documents, of which one copy will be supplied to the client, such as income tax returns or financial statements. Ownership of these documents will vest in you. All other documents produced by us, work papers / calculations etc in respect of this engagement will remain the property of the firm.

The firm has a policy of exploring a legal right of lien over any client documents in our possession in the event of a dispute. The firm has also established dispute resolution processes.

Indemnity

In consideration of our agreement to supply you with the services described in this engagement letter, you agree to indemnify this firm, its partners, associates, employees, contractors and any other person who may be sought to be made liable in excess of the limit of liability described above in respect of any claim of whatever kind, including negligence, that may be made by any person and any costs and expenses that may be incurred by us.

Disclosure Statement

I have reviewed the 2021 Income tax return and financial statements prepared for me and declare:

- That I have disclosed to you ALL income (PAYG, interest, dividends, CGT, rental etc.) earned and that it has been declared in my 2021 income tax return and financial statements;
- That all claims for deductions and rebates which have been included in the return and financial statements are based on my specific instructions and are in connection with deriving my assessable income;
- That if at the meeting with my tax agent I did not have available any of the receipts or other documentary evidence required to substantiate the claims made, that I will be able to produce them if required by the Tax Office.

Confirmation of Terms

Please sign and return letter to indicate that it is in accordance with your understanding of the arrangements.

Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the Superannuation Fund is not a reporting entity because it is not publicly accountable and is not required by law or governing document to prepare financial statements that comply with Australian Accounting Standards. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations, the trust deed of the Fund and the needs of members.

The financial statements have been prepared on a cash basis and are based on historical costs, except for investments which have been measured at market value.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the Director(s).

a. Measurement of Investments

The Fund initially recognises:

- (i) an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered to be the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- (ii) a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the Fund have been measured at market value, which refers to the amount that a willing buyer could reasonably be expected to pay to acquire an asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market value has been determined as follows:

- (i) shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) fixed-interest securities by reference to the redemption price at the end of the reporting period;
- (iv) unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
- (v) investment properties at the trustees' assessment of the market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the end of the reporting period. The trustees have determined that the gross values of the Fund's financial liabilities is equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and subject to an insignificant risk of change in value.

c. Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is recognised at the fair value of the consideration received or receivable.

For the year ended 30 June 2021

Interest revenue

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

Dividend revenue

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

Rental revenue

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

Distribution revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Remeasurement changes in market values

Remeasurement changes in the market values of assets are recognised as income and determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if acquired during the period).

Contributions

Contributions and transfers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

d. Liability for Accrued Benefits

The liability for accrued benefits represents the Fund's present obligation to pay benefits to members and beneficiaries, and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

e. Critical Accounting Estimates and Judgements

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

We believe that significant assumptions used by us in making accounting estimates are reasonable.

22. Limiting powers of Trustees

The Trustees have not entered into a contract or done anything else, that would prevent the Trustees from, or hinder the Trustees in, properly performing or exercising the Trustees' functions and powers.

23. Collectables and Personal Use Assets

If the Trustees own collectables and/or personal use assets these assets are not being used for personal use.
