Term See below

Amount

Amount to be determined by yourself. We will accept any amount from \$50,000 to \$1,000,000.

Interest Rate

8.5% payable from date of receipt, calculated daily, added to your loan on the last day of March, June, September and December. You can elect from quarter to quarter how much of the interest you wish to withdraw. It can be all, some or none. The choice is yours. In the absence of any request from you we will automatically add the quarter's interest to the investment. Withdrawals of accumulated interest may be made at any time with 14 days' notice.

Term

Initial term is for three months. At the end of the initial term the deposit will be automatically rolled over into a further identical 3-month investment pending a suitable first mortgage investment being offered to you at 10% interest.
