Date of Birth: 25/04/1951

I make application to become a member of the Oates Superannuation Fund

I acknowledge that the Trustee/s of the Plan are:

Carolyn Joyce Oates

I acknowledge that I have received information about the Fund and the Benefits provided by the Fund.

What is your tax file number? . . . 484 685 352 . . .

*The trustee of the superannuation fund is required to tell you the following things before you provide it with your tax file number. Your tax file number is confidential, and you should know the following things before you decide to provide it:*

- The trustee can collect your tax file number under the Superannuation Industry (Supervision) Act 1993.*
- If you do provide your tax file number to the trustee, it will only be used for legal purposes. This includes finding or identifying your superannuation benefits where other information is insufficient, calculating tax on any eligible termination payment you may be entitled to, and providing information to the Commissioner of Taxation. These purposes may change in the future.*
- It is not an offence if you choose not to quote your tax file number. But, if you don't tell the trustee your tax file number, either now or later, you may pay more tax on your benefits than you have to (you may reclaim the extra tax through the income tax assessment process). It may also be more difficult to find your benefits in the future, to pay you any superannuation benefits you are entitled to, or to amalgamate or find any other benefits for you. These consequences may change in the future.*
- If you provide your tax file number to the trustee, it may be provided to the trustee of any other superannuation fund to which your benefits are transferred in the future. The trustee will not pass your tax file number to any other fund if you inform it, in writing, that you don't want it to pass it on. The trustee may also give it to the Commissioner of Taxation. Otherwise, the trustee will treat it as confidential."*
