**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2021**

---

The financial statements cover the business of GRANDBELL HOLDINGS PTY LTD and have been prepared to meet the needs of stakeholders and to assist in the preparation of the tax return.

Comparatives are consistent with prior years, unless otherwise stated.

## **1 Basis of Preparation**

The Company is non reporting since there are unlikely to be any users who would rely on the general purpose financial statements.

The special purpose financial statements have been prepared in accordance with the significant accounting policies described below and do not comply with any Australian Accounting Standards unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

## **2 Summary of Significant Accounting Policies**

### **Income Tax**

The tax expense recognised in the statement of profit or loss and other comprehensive income comprises of current income tax expense plus deferred tax expense.

Current tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (loss) for the year and is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and laws that have been enacted or substantively enacted by the end of the reporting period. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred tax is not provided for the following:

- The initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

These notes should be read in conjunction with the attached compilation report of Carter Woodgate Pty Ltd.

**GRANDBELL HOLDINGS  
PTY LTD  
ACN: 079 099 773**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2021**

---

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and losses can be utilised.

Current tax assets and liabilities are offset where there is a legally enforceable right to set off the recognised amounts and there is an intention either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Deferred tax assets and liabilities are offset where there is a legal right to set off current tax assets against current tax liabilities and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Current and deferred tax is recognised as income or an expense and included in profit or loss for the period except where the tax arises from a transaction which is recognised in other comprehensive income or equity, in which case the tax is recognised in other comprehensive income or equity respectively.

These notes should be read in conjunction with the attached compilation report of Carter Woodgate Pty Ltd.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2021**

---

### **Impairment of Non-Financial Assets**

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss , except for goodwill.

### **Intangibles**

#### **Trade and Other Receivables**

Trade receivables are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for impairment. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in income statement.

#### **Provisions**

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

These notes should be read in conjunction with the attached compilation report of Carter Woodgate Pty Ltd.

### **Cash and Cash Equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

### **Trade and Other Payables**

Trade and other payables represent the liabilities at the end of the reporting period for goods and services received by the company that remain unpaid.

Trade payables are recognised at their transaction price. Trade payables are obligations on the basis of normal credit terms.

## **3 Trust Liabilities and Right of Indemnity**

The company acts as trustee of a unit trust and liabilities have been incurred on behalf of that unit trust in the company's capacity as corporate trustee.

Liabilities incurred on behalf of the unit trust are not recognised in the financial statements if it is not probable that the company will have to meet any of those unit trust liabilities from its own resources. If the company becomes obligated to meet unit trust liabilities, the trustee has a right to be indemnified from unit trust assets. If it is probable that there will be a deficiency in unit trust assets, a liability is recognised by the company to the extent of that deficiency. Details of the unit trust liabilities, the offsetting right of indemnity, and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

Rights of indemnity for liabilities incurred by the company on behalf of the following trust and not recognised in the financial statements of the company were:

-	The Evans Superannuation Fund	(352,611)
-		(352,611)
-	<b>Total Indemnity</b>	<b>(352,611)</b>

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2021**

---

The assets of the unit trust, which lie behind the right of indemnity, are not directly available to meet any liabilities of the company acting in its own right.

The assets of the unit trust were sufficient to discharge all liabilities of the unit trust at 30 June 2021.

These notes should be read in conjunction with the attached compilation report of Carter Woodgate Pty Ltd.
