Terms of Consignment

1. Diamond Brokers Queensland have the right to sell the mentioned consigned diamond/ring for the client until sold or collected at a price that is fair and reasonable price to both the buyer and seller
2. Diamond Brokers Queensland will take a commission payment from the sale of the mentioned diamond/ring of 15% of the sale price exclusive of GST for store sales or 10% of the sale price achieved at tender auction.
3. The listed items will be taken in possession by Diamond Brokers Queensland, which will be kept in a locked secure location and must be presented to the client for viewing at any stage at their request by appointment
4. Although all duty and care will be taken, Diamond Brokers Queensland request that clients keep their ring insured in the case that our insurance does not fully cover the loss or theft.
5. All final sales decisions will be made by, Diamond Brokers Queensland, on the client's behalf, based on the wholesale replacement price of the diamonds and the listed specifications.
6. The minimum price set by the client is the agreed amount to which we will sell the item without consultation and any reasonable offers below will be referred back to the client where possible.
7. All non-certified diamonds can be assumed even with a valuation that the size and quality may vary slightly once taken out of the jewellery and properly assessed before sale and client will be notified of any variations found that may alter the sales price.
8. If the clients jewellery is lost, stolen or damaged, Diamond Brokers Queensland will be liable to cover repair costs, pay out the client at the current estimated value or to replace the jewellery where possible to the same or equal quality in new condition.
