Dear Sir/Madam

RE: AUDIT MANAGEMENT LETTER

I wish to advise that the audit of the Antsar Superannuation Fund for the year ended 30th June 2018, has recently been completed.

Auditors are encouraged by the Australian Taxation Office to issue management letters as the completion of each audit as a means of advising the trustee of any matters noted during the course of audit.

It should be appreciated that my audit procedures are designed primarily to enable me to form an opinion on the financial statements as a whole, and may therefore not bring to light all the errors or weaknesses that may exist in terms of internal controls, procedures and in the systems. It is your responsibility to maintain an adequate system of internal control as the principal safeguard against irregularities which an audit examination may not disclose.

Should you wish to discuss the above, please do not hesitate to contact the undersigned.

Yours faithfully

Ron Taylor
Fund Auditor

The Trustee(s)
Antsar Superannuation Fund

Dear Sir/Madam,

RE: TRUSTEES REPRESENTATIONS

We, the Trustees of Antsar Superannuation Fund ('the Fund'), have determined that the Fund is not a reporting entity for the year ended 30 June 2018 and, therefore, there is no requirement to apply accounting standards and other mandatory professional reporting requirements in Australia in the preparation and presentation of the financial statements.

Therefore, the financial statements are a special purpose financial report which has been prepared for distribution to members and to satisfy the requirements of the *Superannuation Industry (Supervision) Act 1993* ('SISA') and *Superannuation Industry (Supervision) Regulations 1994* ('SISR').

We acknowledge responsibility for the true and fair presentation in the financial statements of the state of affairs and transactions of the Fund in conformity with the accounting policies outlined in Note 1 to the financial statements. We believe the accounting policies outlined in Note 1 to the financial statements are appropriate for the Fund.

We also acknowledge responsibility for conducting the activities of the Fund in accordance with the requirements of all governing rules, including the Fund's trust deed, the SISA and SISR. We acknowledge our responsibility for the implementation and operation of accounting and internal control systems which are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

For the purpose of expressing an opinion as to the truth and fairness of the financial statements and the compliance of the Fund with the SISA and SISR, we confirm, to the best of our knowledge and belief, the following representations made to you during your examination:

1. The Fund has met the definition of an Australian superannuation fund by being an Australian resident at all times during the financial year.
2. No disqualified person acts as director of the trustee company or as an individual trustee, as required by the SISA and SISR.
3. All individual trustees or directors of the trustee company are members of the Fund. However if the Fund is a single member fund then the member is one of only two individual trustees; the sole director of the trustee company; or where there are two directors of the trustee company, the two directors are related or not employed by each other.
4. We have made available to you all statutory records, accounting records and related data for the fund, and certify that all documents supplied, including photocopies or scanned documents, are true representations of the original documents (we note the auditor reserves the right to request original documents where circumstances warrant it).
5. We are currently maintaining the Fund's financial reports as well as all accounting records for a period of five years and all members' statements and trustee minutes for a period of ten years.
6. We are currently maintaining for a period of ten years from the date of signing, any trustee declarations required after 30 June 2007 in accordance with section 104A of SISA.
7. We are currently maintaining for a period of ten years from the date of signing, any written records documenting the reasons for the decisions on where to store the collectables and personal use assets as required by regulation 13.18AA of SISR.
8. There have been no violations or possible violations of laws or regulations, except as made known to you, whose effects should be considered for disclosure in the financial statements or to the Australian Taxation Office.
9. We have notified the Australian Taxation Office within 28 days of any changes in the Fund structure and/or its details.
10. There have been no material contingencies that should have been accrued or otherwise disclosed that have not been brought to the attention of the auditor. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities of the Fund.
11. All assets of the Fund actually exist and the Fund has satisfactory title to all such assets. Except as disclosed in the financial statements, there are no mortgages or encumbrances on such assets nor has any asset been pledged to secure liabilities of the Fund or others.
12. No charge over, or in relation to, a member's benefit has been recognised, encouraged or sanctioned by the Trustees.
13. The Investment Strategy has been determined with due regard to risk, return, liquidity and diversity and the assets of the Fund are in line with this strategy. As part of the Investment Strategy we have considered whether the Fund should hold insurance for one or more of its members.
14. Where insurance is held for a member, that insurance is not held due to a buy/sell agreement the member is party to.
15. We confirm both the concessional and non-concessional contributions reported in the member statements are true and correctly stated.
16. We confirm that we have made all reasonable efforts to confirm that members have received the income stream(s) or lump sum payments (if applicable) as reported in the member statements.

17. All matters that may result in legal action against the Trustees in respect of the Fund, or the Fund itself, have been discussed with a solicitor and brought to the attention of the auditor so that a solicitor's representation letter may be obtained.
18. No events have occurred subsequent to the date of the financial statements that would require adjustment to, or disclosure in, the financial statements except for those which have been made known to you.
19. In connection with your audit we have submitted to you minutes covering all meetings of trustees. These minutes constitute a full and complete record of all meetings of trustees held from the end of the previous financial year to the current date.
20. We understand our duties and responsibilities as a trustee or director of the trustee company. We understand that by law we must act honestly in all matters concerning the Fund and exercise skill, care and diligence in managing the Fund and act in the best interests of all the members.
21. We have not entered into any contract, or done anything else, that would prevent us from, or hinder us in, properly performing or exercising our functions and powers as a trustee or director of the trustee company.
22. We confirm we have no knowledge of any actual, suspected or alleged fraud affecting the Fund.
23. We have assessed the risk that the financial report may be materially misstated as a result of fraud to be low. We have assessed the risk that the assets of the Fund may have been misappropriated as a result of fraud to be low.

The Trustee(s)
Antsar Superannuation Fund

Dear Sir/Madam,

RE: TERMS OF ENGAGEMENT

Dear Trustee(s),

Further to your request for me to act as Auditor of Antsar Superannuation Fund ('the Fund') for the year ended 30 June 2018 I hereby consent to the appointment and would like now to set out my understanding of the terms of this engagement.

Audit Scope

In accordance with Section 35C of the *Superannuation Industry (Supervision) Act 1993* ('SISA'), I am required to give you a report, in the approved form, known as an 'Independent Auditor's Report', on the operations of the Fund for each financial year for which I am appointed. More specifically, my report must include an opinion on the special purpose financial report of the Fund, as well as the Fund's compliance with the following specific sections of SISA and the *Superannuation Industry (Supervision) Regulations 1994* ('SISR').

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06 (9A) 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

My procedures with respect to Regulation 4.09 will include testing that you have an Investment Strategy and that you have given consideration to risk, return, liquidity, diversification, the insurance needs of the Fund's members and that the Fund's investments are made in line with that Investment Strategy. No opinion is made on the Investment Strategy or its appropriateness to the Fund's members.

My procedures do not include a review of the Fund's self-managed superannuation fund annual return, although I may peruse it to identify areas that require my close attention. Accordingly, no opinion will be given and no responsibility taken for any issues arising from any inaccuracies in the return lodged.

Auditor Responsibilities, Audit Objectives and Audit Approach

My audit will be conducted in accordance with the Australian Auditing Standards, the applicable standards on Assurance Engagements and with the relevant professional and ethical standards issued by the Accounting Professional and Ethical Standards Board Limited ('APESB'), with the objective of providing an opinion on the items contained within, and confined to, the audit scope. I confirm that, to the best of my knowledge, my staff and I, currently meet the independence requirements of APES 110 and have complied with the competency standards set by ASIC.

My audit of the Fund's Financial Report will be planned and conducted primarily to enable me to express my professional opinion as to whether the financial statements comply with Australian Accounting Standards and your reporting requirements under a special purpose reporting framework, so as to have reasonable expectations of detecting those material misstatements arising as a result of irregularities which would have a material effect on the financial statements. Unless otherwise agreed with you, I assume no responsibility to design audit procedures to identify matters that may be appropriate to report to you. However, if I encounter matters during the course of my audit that I believe should be brought to your attention, I will communicate these matters to you. I note that my communication to you may be directed to you through the accountant, administrator or financial advisor you may have engaged to complete the Fund's financial statements and maintain its member records.

The work undertaken by my staff and I ('us') to form an opinion is determined by judgement, in particular regarding the nature, timing and extent of the audit procedures for the gathering of audit evidence, and the drawing of conclusions based on the audit evidence gathered. In addition, there are inherent limitations in any audit, and these include the use of testing, the inherent limitations of any internal control structure, the possibility of collusion to commit fraud, and the fact that most audit evidence is persuasive rather than conclusive. As a result, my audit can only provide reasonable – not absolute – assurance that the financial statements are free from material misstatement. The report provided at the completion of the audit shall not be inferred or used for any purpose other than for which it was specifically prepared.

Trustee Responsibilities

I direct your attention to the fact you are responsible for the maintenance of adequate accounting records and internal controls, the safeguarding of superannuation fund assets, the selection of accounting policies, the preparation and fair presentation of financial statements in accordance with a special purpose financial reporting framework, and compliance with SISA and SISR. In particular, I remind you that you are responsible for the implementation and operation of accounting and internal control systems necessary to enable the preparation of the financial report that is free from material misstatements whether due to fraud or error.

As part of the audit process, my staff and I ('we') may request from you, your accountant, administrator or financial advisor, written confirmation concerning representations made to us in connection with the audit. Please note, Section 35C(2) of SISA requires a trustee to give an auditor a document within 14 days if requested in writing by the auditor. For the purposes of this section, a request in writing to the trustee(s) will include an email sent by us to your accountant, administrator or financial advisor.

Report on Compliance Matters

In accordance with Section 129 of SISA, I am required to report to you in writing if during the course or in connection with my audit, I become aware of any contravention of SISA or SISR which I believe has occurred, is occurring or may occur. I am also required under Section 130 of SISA to report to you if I believe the Fund may be, or be about to become, in an unsatisfactory financial position. Where the contravention is of such a nature that it meets the reporting criteria established by the Australian Taxation Office, then I am also obliged to report the matter to the Australian Taxation Office by way of an Auditor Contravention Report.

Report on Other Matters

As well as reporting to you, either directly or through your accountant, administrator or financial advisor, any compliance matters that may have arisen during the audit, I may also report to you any matters arising from the financial audit and any other issues I believe should be brought to your attention. You should not however assume that any management letter issued will indicate all matters that you should be aware of in meeting your responsibilities. If there are no matters for me to report to you, I will not provide a management letter.

Privacy and Quality Control

The conduct of my audit shall be in accordance with Australian Auditing Standards, which means that information acquired by us in the course of my audit is subject to strict confidentiality requirements. <Audit Firm Name> is also subject to the Privacy Act 1988 in its handling of personal information. We will not use any personal information obtained during the audit for any purpose other than for the purpose of conducting the audit.

We will keep secure personal information obtained during the audit to ensure it is not misused, lost, or improperly accessed, modified, or disclosed. After completing the audit, we will return to you any original documents we have obtained from you, your accountant, administrator or financial advisor during the course of the audit. Documentation forwarded to us electronically, or that is not an original, will not be returned to you unless specifically requested. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your authority. I wish to draw your attention to our firm's system of quality control which has been established and maintained in accordance with the relevant APESB standard and ASQC1. As a result, my audit files may be subject to review as part of the quality control review program of Chartered Accountants Australia and New Zealand (<or insert other professional association as applicable>), which monitors compliance with professional standards by its members. I advise you that by signing this letter you acknowledge that, if requested, my audit files relating to this engagement will be made available under this program. Should this occur, I will advise you. My files may also be reviewed by the Australian Taxation Office in its capacity as Regulator of self-managed superannuation funds. Should this occur, I will advise you.

Fees

My fees are based on the time required by the individuals assigned to the engagement plus direct out of pocket expenses. Please note this fee is inclusive of the goods and services tax ('GST').

Confirmation of Terms and Conditions

This letter will be effective for future years unless I advise you of its amendment or replacement, or if the engagement is terminated. Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements of the audit of the financial statements and SIS compliance. By signing and returning the attached copy of this letter you are also taken to have acknowledged and agreed to your responsibilities outlined above.

Yours faithfully,

Ron Taylor – Partner
Ron Taylor & Associates Pty Ltd

PART A: FINANCIAL REPORT

Approved SMSF Auditor's Opinion

I have audited the special purpose financial report of the Antsar Superannuation Fund comprising the statement of financial position as at 30 June 2018, and the operating statement, statement of changes in equity for the year then ended, a summary of significant accounting policies and other explanatory notes' of the Antsar Superannuation Fund for the year ended 30 June 2018.

In my opinion, [except for the effects on the financial statements of the matter/s referred to below] the financial report presents fairly, in all material aspects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2018 and the results of its operations for year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards¹. My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the self-managed superannuation fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter - Basis of accounting

Without modifying my opinion, I draw attention to note [X] of the financial report, which describes the basis of accounting. The financial report has been prepared to assist (*name of superannuation fund*) meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund. The going concern basis of accounting is appropriate when it is reasonably foreseeable that the fund will be able to meet its liabilities as they fall due.

The trustees are responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My responsibility is to express an opinion on the financial report based on my audit. I have conducted an independent audit of the financial report in order to express an opinion on it to the trustees.

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error

and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

I have complied with the competency standards set by Australian Securities & Investments Commission (ASIC). My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

PART B: COMPLIANCE REPORT

Approved SMSF Auditor's Opinion

I have performed a reasonable assurance engagement on the Antsar Superannuation Fund to provide an opinion in relation to its compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below in the *Approved SMSF auditor's Responsibility* section of this report.

In my opinion, [except for the matter/s referred to below] each trustee of Antsar Superannuation Fund has complied, in all material respects, with the applicable provisions of the SISA and the SISR specified below, for the year ended 30 June 2018.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence requirements in accordance with the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by the SISR.

I/My firm apply/applies Australian Standard on Quality Control 1 ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement.

I have complied with the competency standards set by ASIC.

SMSF trustees' responsibility for compliance

Each SMSF trustee is responsible for complying with the requirements of the SISA and the SISR and for identifying, designing and implementing internal controls as they determine necessary to meet compliance requirements and monitor ongoing compliance.

Approved SMSF auditor's responsibility for the compliance report

My responsibility is to express an opinion on the trustees' compliance with the applicable requirements of the SISA and the SISR, based on the compliance engagement. My procedures included testing that the fund has an investment strategy that complies with the SISA and that the trustees make investments in line with that strategy, however, no opinion is made on its appropriateness to the fund members.

My reasonable assurance engagement has been conducted in accordance with applicable Standards on Assurance Engagements issued by the Auditing and Assurance Standards Board, to provide reasonable assurance that the trustees of the fund have complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SISA and the SISR.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

An assurance engagement to report on the fund's compliance with the applicable requirements of the SISA and the SISR involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR for the year ended 30 June 2018.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected. A reasonable assurance engagement does not provide assurance on whether compliance with the listed provisions will continue in the future.
