Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations, the trust deed of the fund and the needs of members.

The financial statements have been prepared on a cash basis and are based on historical costs, except for investments which have been measured at market value.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the Director(s).

a. Measurement of Investments

The fund initially recognises:

- (i) an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered to be the date on which control of the future economic benefits attributable to the asset passes to the fund; and
- (ii) a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the fund have been measured at market value, which refers to the amount that a willing buyer could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market value has been determined as follows:

- (i) shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) fixed-interest securities by reference to the redemption price at the end of the reporting period;
- (iv) unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
- (v) investment properties at the trustees' assessment of the market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the end of the reporting period. The trustees have determined that the gross values of the fund's financial liabilities is equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and subject to an insignificant risk of change in value.

c. Revenue

Revenue is recognised at the fair value of the consideration received or receivable.

Interest revenue

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

Notes to the Financial Statements

For the year ended 30 June 2018

Dividend revenue

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

Rental revenue

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

Distribution revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Remeasurement changes in market values

Remeasurement changes in the market values of assets are recognised as income and determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if acquired during the period).

d. Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries, and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

e. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or other payables in the statement of financial position.

f. Critical Accounting Estimates and Judgements

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

22/05/2019

To the trustee of the
BARRON'S SUPERANNUATION FUND
28 BRISBANE AVENUE,
CAMP HILL
Queensland, 4152

Dear Trustee,

The Objective and Scope of the Audit

You have requested that we audit the BARRON'S SUPERANNUATION FUND (the Fund):

1. financial report, which comprises the statement of financial position, as at 30/06/2018 and the operating statement for the year then ended and the notes to the financial statements; and
2. compliance during the same period with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and SIS Regulations (SISR) specified in the approved form auditor's report as issued by the ATO, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of the SISR.

We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted pursuant to the SISA with the objective of our expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and SISR.

The Responsibilities of the Auditor

We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB). These standards require that we comply with relevant ethical requirements relating to audit and assurance engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement and that you have complied, in all material respects, with the specified requirements of the SISA and SISR.

The annual audit of the financial reports and records of the Fund must be carried out during and after the end of each year of income. In accordance with section 35C of the SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in the SISR, 28 days after the trustees have provided all documents relevant to the preparation of the auditor's report.

Financial Audit

A financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report. Due to the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered.

In making our risk assessments, we consider internal controls relevant to the fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a letter to the Trustee.

Compliance Engagement

A compliance engagement involves performing audit procedures to obtain audit evidence about the fund's compliance with the provisions of the SISA and SISR specified in the ATO's approved form auditor's report.

Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the fund, which has been reviewed regularly and gives due consideration to risk, return, liquidity, diversification and the insurance needs of members/managers. Our procedures will include testing whether the investments are made for the allowable purposes in accordance with the investment strategy, but not for the purpose of assessing the appropriateness of those investments to the members.

The Responsibilities of the Trustees

We take this opportunity to remind you that it is the responsibility of the trustees to ensure that the fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the fund. The trustees are also responsible for the preparation and fair presentation of the financial report.

Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report and for determining that the accounting policies used are consistent with the financial reporting requirements of the SMSF's governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members. This responsibility includes:

- Establishing and maintaining controls relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error. The system of accounting and internal control should be adequate in ensuring that all transactions are recorded and that the recorded transactions are valid, accurate, authorised, properly classified and promptly recorded, so as to facilitate the preparation of reliable financial information. This responsibility to maintain adequate internal controls also extends to the Fund's compliance with SIS including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements.
- Selecting and applying appropriate accounting policies.
- Making accounting estimates that are reasonable in the circumstances; and
- Making available to us all the books of the Funds, including any registers and general documents, minutes and other relevant papers of all Trustee meetings and giving us any information, explanations and assistance we require for the purposes of our audit. Section 35C(2) of SIS requires that Trustees must give to the auditor any document that the auditor requests in writing within 14 days of the request.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

Our audit report is prepared for the members of the Fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the fund, or for any purpose other than that for which it was prepared.

Our audit report should not be used in determining the amount to pay member's benefits. The Trustee should calculate the amount of the benefit payment based on the market value (if applicable) of Fund assets at the date of payment provided this is consistent with the Fund's trust deed, SISA, SISR, or any agreement reached with the member.

Independence

We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of the SISA and SISR including APES 110 *Code of Ethics for Professional Accountants* in relation to the audit of the Fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

Report on Matters Identified

Under section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the Australian Taxation Office (ATO) of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of the materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be, or may be about to become unsatisfactory.

You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matters that you should be aware of in meeting your responsibilities. The completed audit report may be provided to you as a signed hard copy or a signed electronic version.

Compliance Program

The conduct of our engagement in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements means that information acquired by us in the course of our engagement is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent. Our audit files may, however, be subject to review as part of the compliance program of a professional accounting body or the ATO. We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under these programs. Should this occur, we will advise you. The same strict confidentiality requirements apply under these programs as apply to us as your auditor.

Limitation of Liability

As a practitioner/firm participating in a scheme approved under the Professional Services Legislation, our liability may be limited under the scheme.

Fees

We look forward to full co-operation with you/your administrator and we trust that you will make available to us whatever records, documentation and other information are requested in connection with our audit.

Our fees, which will be billed as work progresses, are based on the time required by staff members assigned to the engagement plus out-of-pocket expenses. Individual hourly rates vary according to the degree of responsibility involved and the experience and skills required. Our annual audit fee will be revised and agreed upon each year with the Trustee. Any additional services required, that are outside the scope of this engagement, will be billed on a time basis.

If we are required to respond to requests for information from regulators in relation to our engagement as auditor, the Fund will reimburse us at standard billing rates for our professional time and expenses, including reasonable legal fees, incurred in responding to such requests.

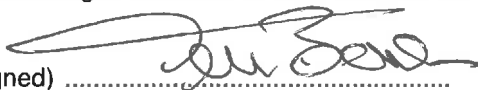

We would appreciate if you could sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our financial audit and compliance engagement of the Fund.

Yours sincerely

ANTHONY BOYS

WORK TEST DECLARATION

01/08/2017

Barron's Superannuation Fund
Po Box 598
Coorparoo Qld 4151

Dear Trustees,

Please be advised that I am aged between 65 and 74 inclusive and have satisfied the work test requirement of being gainfully employed for at least 40 hours in a 30 day period in the 2018 financial year. Accordingly, the fund can accept my employer and personal superannuation contributions.

Yours faithfully,

Lesley Barron

Date of Birth: 05/03/1952

Note:

People aged between 65 and 74 must satisfy the **work test** – at least 40 hours **gainful** employment in a consecutive 30 day period, in the financial year in which the contributions are made before you are allowed to make non- concessional contributions to your super fund.

The Australian Taxation Office has indicated that gainful employment means employment or self employment for gain or reward in any business, trade, profession, vocation, calling, occupation or employment. For this reason a person who only receives passive income such as trust distributions or dividend income would fail to meet the gainful employment test.

In addition, unpaid or charity work does not meet the definition of gainfully employed.
