# Reduce costs and help the environment

By providing your email address and switching to e-Communications.

Each year Telstra spends millions of dollars on paper, printing and postage in order to send dividend statements and the Notice of Annual General Meeting to shareholders. By switching to e-Comms you will help us reduce our carbon footprint (less printing, less paper, more trees saved) and also our costs. This is good for our environment and for our company.

Here's how to provide your email address online:

1. Go to Telstra's Investor Centre at [www.linkmarketservices.com.au/telstra](http://www.linkmarketservices.com.au/telstra). Enter your HIN/SRN and your postcode in the fields required and securely access your shareholder account.
2. Select the '**Communications**' menu then '**Preferences**', and choose '**All communications electronically**'. Other options are also available if you do not wish to receive all documents electronically.
3. Type in your email address and select '**Next**' to review that you've entered it correctly.
4. Select '**Confirm**'.

Once you've provided your email address, all your future AGM materials, annual report and dividend statements (if elected) will be sent to you by email, and each year you'll be contributing to a more efficient Telstra.

We look forward to your support. Please note, if you do not provide your email address, we will continue to send your dividend statement by post.
