1 Contribution Risks

All Contributions were allocated to the appropriate member(s) and agreed to employers contributions received and individual tax returns

Confirmed member contributions were received by the fund (see attached) and compared to the member's individual tax return to ensure the correct amount have been claimed as deduction.

2 Other Income Risks

A random sample was selected (see attached chess statements) and were confirmed to share registry records. From the sample selected it was reasonable to suggest that all incomes are reported and are at correct amounts

3 Expenditure Risks

A sample was selected (see attached) and vouched to source documents. From the sample selected it is reasonable to suggest that all expenditures incurred were related to S/F and were correctly reported

4 Benefits Payments Risks

See Attached Member's Benefits Calculation Statement. Reviewed calculations were reasonable and in accordance with current requirements

5 Investments and Other Assets Risks

A sample was selected and vouched to bank statements, chess statements and portfolio valuations. From the selected sample, it was reasonable that investments and other assets were held in the super fund's name (See Attached Chess Statements)

From the sample selected, market values agreed with those published in AFR and were appropriately reported in the accounts

6 Liabilities and Members Benefits Risks

All investments are shares and cash and therefore the only reasonable risk of unrecorded liability is tax which was brought to balance sheet

1 Have all appropriate Class Super data feeds (bank and investment) been setup properly?

No

Additional Notes:

Client has not agrred to access for Westpac data feed

2 For Class Super bank data feed clients, was there a change of bank accounts during the year? If yes, please ensure authority forms are completed for the new accounts.

N/A

Bank audit confirmations are not necessary for those on Class Super. Ensure data feed agrees with ledger balance. For those not on Class Super data feeds, a bank confirmation is necessary if risks are high.

Debit Balance - considered circumstances that caused bank account to be in debit, and was satisfied that no further action was required.

Obtained a copy of the rollover statement

Confirmed that where applicable all transfers/rollovers have been recorded correctely ensuring that benefits characteristics are maintained and there were no other issues in relation to any benefits transferred/rollovered during the year

5 Contributions Splitting

Was spouse splitting applicable during the year? Confirm with AJB and clients

No

Ensure the trust deed allows for contribution splitting

Ensure spouse meet conditions for splitting, either:

- less than their preservation age or
- between preservation age and 65 years and not retired

Ensure contributions splitting application is completed correctly prior to processing

Check amounts are consistent with prior year and ensure benefit paid and rollover statements are attached to workpapers

6 Recontribution Strategy

Have you considered a re-contribution strategy for members of this fund?

- * Work-test requirement for members aged 67 or over for Non-concessional contributions
- * Members currently receiving transition to retirement pension need to consider cost and benefits of this strategy
- * Tax-free and taxable components (less attractive if current tax-free component is already high)

Yes

Objective To ensure benefits paid were in accordance with condition of release of the trust deed and stated correctly

Benefits Paid

1 Documentation of conditions of release were obtained and agreed to trust deed and SIS Act/Regulations.

Prior year member statements were reviewed and benefit payments were found to be reasonable.

Confirmed benefit paid with exited member (if applicable).

Confirmed minimum pension standards were met.

Pensions commenced during the financial year

Confirmed accounts were drawn up correctly up to commencement date for a new account based pension.

Commencement of account based pension was documented in the minutes of the fund (including reversionary beneficiary where applicable).

PAYG withholding was registered correctly and correct amounts were withheld taking into account tax free amounts and tax offsets (pension member under 60 years).

For transition to retirement pension, ensure that maximum pension amount is 10% only.

(need to register for PAYG withholding if member has been paid a pension prior to turning 60).

2 Reviewed accounts and there were no transfers out during the year.
