Dear Shareholder,

Important changes to payment of dividends in 2020

Incitec Pivot Limited (IPL) is streamlining the way it pays dividends. Any future cash dividend payments to shareholders with a registered address in Australia will only be made by direct credit to an Australian financial institution (bank, credit union or building society) account.

The benefits of having your dividend paid by direct credit into your nominated account include:

- there is no delay in waiting for your cheque in the mail – your funds will be deposited on the date of payment;
- direct credit is a more secure method of receiving payments; and
- you can elect to have your dividends paid either directly to your own bank account or any nominated account in Australia.

Our records show you have provided the IPL Share Registry your Australian bank account details. Going forward please ensure your banking instructions are current and if required provide the IPL Share Registry with updated account details to enable us to pay future dividends.

To Update your Australian banking details:

Log in to your shareholder account on our Share Registry's website at

<https://investorcentre.linkmarketservices.com.au>.

Instructions for Corporate and Joint holdings can only be updated through a Portfolio. Please login to your Portfolio or Register to set up a Portfolio. If you do not require a Portfolio, please follow the instructions below to use the "Single Holding" login:

1. Key in Incitec Pivot Limited or IPL in the Issuer Name field
2. Type your SRN/HIN
3. Enter your postcode or, if your registered address is overseas, click on the OUTSIDE AUSTRALIA link to look up your country of residence
4. Type in the security code
