Pension payment Request:

The Trustee resolved to pay \$124,000 each as pension payments for Jonathan and Patricia Baldwin during the 18/19 financial year. All withdrawals made after this will be treated as a lump sum payment against Jonathan Baldwin's accumulation account as was requested by the members.

The Trustee noted that the members were entitled to access all their benefits in as a pension and the payment of a pension was allowed under the fund's trust deed.

Investment Strategy Review:

Given that the fund's current investment strategy provides sufficient liquidity to enable the Trustee to meet all pension payments, the Trustee resolved that the fund's strategy remains unchanged following the commencement of the new pensions.
