#### Trustees' Declaration

The trustees have determined that the fund is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to these financial statements.

In our opinion:

- (i) The financial statements and notes to the financial statements for the year ended 30 June 2022 present fairly the financial position of the superannuation fund at 30 June 2022 and the results of its operations for the year then ended; in accordance with the accounting policies described in Note 1 to the financial statements; and
- (ii) The financial statements and notes to the financial statements have been prepared in accordance with the requirements of the trust deed; and
- (iii) The operation of the superannuation fund has been carried out in accordance with its trust deed and in compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 during the year ended 30 June 2022.

Signed in accordance with a resolution of trustees.

The accompanying notes form part of these financial statements.

These statements should be read in conjunction with the attached compilation report.

### Notes to the Financial Statements for the year ended 30 June 2022

#### Note 1 Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the fund is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the trustees have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis. The accounting policies that have been adopted in the preparation of these statements are as follows:

#### (a) Measurement of Investments

Investments of the fund have been measured at net market values. Changes in the net market value of assets are brought to account in the operating statement in the periods in which they occur.

Net market values have been determined as follows:

- (i) shares and other securities listed on the Australian Stock Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) insurance policies by reference to the surrender value of the policy; and
- (iv) investment properties at trustees' assessment of their realisable value.

#### (b) Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the sundry liabilities and income tax liabilities as at the end of the reporting period.

#### (c) Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting period. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as unused tax losses.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

### Notes to the Financial Statements for the year ended 30 June 2022

#### Note 1 Summary of Significant Accounting Policies (continued)

#### (c) Income Tax (continued)

Deferred tax assets and liabilities are calculated at tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates enacted or substantively enacted at the end of the reporting period. Their measurement also reflects the manner in which the trustees expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where a legally enforceable right of set-off exists, the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities, where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

#### (d) Excess Contributions Tax

The superannuation fund is recognising excess contribution tax as an expense at the time of receipt of the "Voluntary release authority for excess contributions tax" form, as issued by the Australian Taxation Office. The cost of the excess contribution tax is charged to the relevant member's account.

#### (e) Comparatives

Some comparatives may have been modified to align with current year reporting.

The financial statements are authorised for issue on 04/04/2023 by the trustees of the fund.

#### McKeever Superannuation Fund (The Fund) Compilation Report

We have compiled the accompanying special purpose financial statements of McKeever Superannuation Fund, which comprise the statement of financial position as at 30 June 2022, the operating statement, notes to the financial statements for the year ended 30 June 2022 and trustees' declaration. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1 to the financial statements.

#### The Responsibility of the Trustee

The trustee(s) of McKeever Superannuation Fund are solely responsible for the information contained in the special purpose financial statements and have determined that the financial reporting framework used is appropriate to meet their needs and for the purpose that the financials statements were prepared.

#### Our Responsibility

On the basis of information provided by the trustee(s), we have compiled the accompanying special purpose financial statements in accordance with the financial reporting framework described in Note 1 to the financial statements and APES 315: Compilation of Financial Information.

Our procedures use accounting expertise to collect, classify and summarise the financial information, which the trustee(s) provided, in compiling the financial statements. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

The special purpose financial statements were compiled exclusively for the benefit of the trustee(s). We do not accept responsibility to any other person for the contents of the special purpose financial statements.

Preservation: The preserved portion of your withdrawal benefit is the amount which cannot be paid out until you permanently retire from the workforce on or after age 55. The preservation age is to be increased from 55 to 60, on a phased basis, by 2025.

Excess Contributions Tax: The cost of excess contributions tax, if any, is deducted from your member's account at the time of receipt of a voluntary release authority for excess contributions tax form issued by the Australian Taxation Office.

Annual return for the Fund (after income tax which includes any tax on contributions):

-8.92%

<sup>\*</sup> The table above represents all reported Non-Concessional Contributions into this Self Managed Superannuation Fund.
