We're here to help

Did you know that if your circumstances have changed, your AIA Australia policy can change with you? There are options to reduce the premium. Keep in mind, reducing cover is easy, whilst reinstating or increasing benefits may require the completion of a new application form and medical underwriting. If you have any questions in relation to your premium or if you would like information on any other aspect of your policy, please call 13 1056 from 9.00 am to 5.00 pm (AEST/AEDT), Monday to Friday (excluding public holidays).
