Where more than one meaning may be given then the Trustee may determine which of those meanings applies.
- (b) This Deed will be read and construed on the basis that the provisions of the SIS Act are incorporated to the extent that they impose requirements on the Trustee or are required by that Act to be so incorporated, but this Deed will not be so read or construed and no provision will be so incorporated if to do so would constitute a breach of the power granted by this Deed to vary, add to or rescind its provisions. To the extent not prohibited by the SIS Act, the Trustee may however by resolution determine that a provision of the SIS Act does not apply, either generally to the Fund or in respect of any particular application and the Deed must be interpreted accordingly.
- (c) If a provision of this Deed refers to a provision of a statute or regulation then it shall be interpreted as referring to that provision as may be made whether before or after this Deed and as may be amended, enacted or replaced from time to time.

2.4 Inconsistencies with the Superannuation Conditions

Where it appears to the Trustee that there is any inconsistency or difference between:-

- (a) any provision of any applicable legislation or other laws and another provision or provisions;
- (b) the rulings of the Commissioner and other rulings of the Commissioner;
- (c) the Acts or laws referred to in (a) and the rulings referred to in (b);
- (d) this Deed,

then subject to the Act, the Trustee may determine, either generally or in respect of any particular application, in their absolute discretion, which provision or ruling applies and the Deed must be construed accordingly.

2.5 Proper Law

This Deed is governed and construed and takes effect in accordance with the laws of the State or Territory of residence of the Trustee (however Section 35(b) of the South Australian Trustees Act 1936 does not apply to this Deed). Any person having or claiming any interest under this Deed must submit to the jurisdiction of the Courts of that State or Territory.

2.6 Saving Provision

To the extent any provision of this deed would be void or invalid, but for this paragraph ("an invalid provision"):

- (a) where a reading down or limitation of the operation of the invalid provision would remove the voidness or invalidity, that must be done in constructing the Deed;

(b) where it is not possible to apply paragraph (a), the invalid provision is severed from the Deed;

(c) in any event, an invalid provision does not affect the continued operation of the remainder of the Deed.

2.7 Trustee must comply with the Law

The Trustee must not do or fail to do anything as Trustee of the fund that would result in either a breach of law, including the Act or the fund ceasing to qualify as a self managed fund under superannuation law or to qualify for concessional tax treatment under the Tax Act, even if the Trustee is otherwise empowered.

The Trustee may do anything that it considers necessary to comply with the SIS Act and Part VIIIB of the Family Law Act 1975.

The Fund must be terminated if the rule of law known as the rule against perpetuities applies to the Fund, on the expiration of the maximum period allowed under that rule for the duration of the trusts established under this Deed.

Notice of Election

5. Trustee to give notice to become a Regulated Superannuation Fund

The Trustee must give to the Commissioner within the period provided by the SIS Act a written notice in the approved form and signed in the manner required by the SIS Act electing that the SIS Act is to apply in relation to the Fund.

Statutory Covenants

6. Statutory Covenants

The purpose of this paragraph is explanatory only. The effect of Section 52 of the SIS Act is that the Trustee covenants as follows in accordance with the SIS Act:-

- (a) to act honestly in all matters concerning the Fund;
- (b) to exercise, in relation to all matters affecting the Fund, the same degree of care, skill and diligence as an ordinary prudent person would exercise in dealing with property of another for whom the person felt morally bound to provide;
- (c) to ensure that the Trustee's duties and powers are performed and exercised in the best interests of the beneficiaries;
- (d) to keep the money and other assets of the Fund separate from any money and assets, respectively:-

- (e) not to enter into any contract, or do anything else, that would prevent from, or hinder the Trustee in properly performing or exercising the Trustee's functions and powers; this does not prevent the Trustee from engaging or authorising persons to do acts or things on behalf of the Trustee.
- (f) to formulate and give effect to an investment strategy that has regard to the whole of the circumstances of the Fund including, but not limited to, the following:
 - (i) the risk involved in making, holding and realising, and the likely return from the Fund's investments having regard to its objectives and its expected cash flow requirements;
 - (ii) the composition of the Fund's investments as a whole including the extent to which the investments are diverse or involve the Fund in being exposed to risks from inadequate diversification;
 - (iii) the liquidity of the Fund's investments having regard to its expected cash flow requirements;
 - (iv) the ability of the Fund to discharge its existing and prospective liabilities;
- (g) if there are any reserves of the Fund - to formulate and to give effect to a strategy for their prudential management, consistent with the Fund's investment strategy and its capacity to discharge its liabilities (whether actual or contingent) as and when they fall due;
- (h) to allow a beneficiary access to any information or documents prescribed under the SIS Act.

- (i) to observe such covenants as are prescribed to be included in the governing rules of the Fund prescribed by the Act.

39. Pension Reserves

Subject to the Act, where it considers it appropriate the Trustee may:
