Harding Superannuation Fund
Notes to the Financial Statements
As at 30 June 2023

Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is not a reporting entity because it is not publicly accountable and is not required by law or governing document to prepare financial statements that comply with Australian Accounting Standards. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994*, the trust deed of the fund and the needs of members.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *SISA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

Harding Superannuation Fund

Notes to the Financial Statements

As at 30 June 2023

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

Harding Superannuation Fund
Notes to the Financial Statements
As at 30 June 2023

The financial report was authorised for issue on 13 October 2023 by the directors of the trustee company.

Note 2 – Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	Current	Previous
Liability for Accrued Benefits at beginning of period	832,852.11	936,401.72
Benefits Accrued during the period	85,272.75	(56,769.61)
Benefits Paid during the period	(48,780.00)	(46,780.00)
Liability for Accrued Benefits at end of period	869,344.86	832,852.11

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 – Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

	Current	Previous
Vested Benefits at beginning of period	832,852.11	936,401.72
Benefits Accrued during the period	85,272.75	(56,769.61)
Benefits Paid during the period	(48,780.00)	(46,780.00)
Vested Benefits at end of period	869,344.86	832,852.11

Note 4 – Guaranteed Benefits

No guarantees have been made in respect of any part of the liability for accrued benefits.

In many cases, it is not the same as the adjusted or reduced cost base, or the reset cost base resulting from the CGT relief. To view the tax cost base and unrealised gain/(loss) for tax purposes refer to the Unrealised Capital Gains Report or change the report parameter to tax cost base.

Dear Mark & Sue

**Harding Superannuation Fund
Terms of Engagement for SMSF Audit**

1. Purpose

This Terms of Engagement for Audit Engagement Services (TE) confirms our understanding of the engagement and the nature and limitations of services provided.

2. The objective and scope of the audit

2.1 You have requested that we audit the Harding Superannuation Fund:

- a. financial report, which comprises the statement of financial position as at **30 June 2023** and the notes to the financial statements; and
- b. compliance during the same period with the requirements of the *Superannuation Industry (Supervision) Act 1993* (SISA) and SIS Regulations (SISR) specified in the approved form auditor's report as issued by the Australian Taxation Office (ATO), which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, and 13.18AA of the SISR.

2.2 We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted pursuant to the SISA with the objective of our expressing an opinion on the financial report and the Fund's compliance with the specified requirements of the SISA and SISR.

2.3 We wish to draw your attention to our firm's system of quality control which has been established and maintained in accordance with the relevant APESB standard. As a result, our files may be subject to review as part of the quality control review program of the Accounting Profession which monitors compliance with professional standards by its members. We advise you that by accepting our engagement you acknowledge that, if requested, our files relating to this engagement will be made available under this program. Should this occur, we will advise you.

3. The responsibilities of the auditor

3.1 We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB) and with and the Accounting Professionals and Ethical Standards APES 210 Conformity with Auditing and Assurance Standards. These standards require that we comply with relevant ethical requirements relating to audit and assurance engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement and that you have complied, in all material respects, with the specified requirements of the SISA and SISR.

- 3.2 The annual audit of the financial reports and records of the Fund must be carried out during and after the end of each year of income. In accordance with section 35C of the SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in the SISR, 28 days after the trustees have provided all documents relevant to the preparation of the auditor's report.

3.3 **Financial audit**

A financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report. Due to the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered.

In making our risk assessments, we consider internal controls relevant to the Fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the Fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a letter to the trustee.

3.4 **Compliance engagement**

A compliance engagement involves performing audit procedures to obtain audit evidence about the Fund's compliance with the provisions of the SISA and SISR specified in the ATO's approved form auditor's report. Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the Fund, which has been reviewed regularly and gives due consideration to risk, return, liquidity, diversification and the insurance needs of members. Our procedures will include testing whether the investments are made for the allowable purposes in accordance with the investment strategy, but not for the purpose of assessing the appropriateness of those investments to the members.

During the course of our engagement, if we identify or suspect that Non-Compliance with Laws or Regulations (NOCLAR) has occurred or may occur, which may have a direct effect on material amounts or disclosures in the financial statements or compliance and may be fundamental to the fund's ability to continue its business or to avoid material penalty, we may:

- 3.4.1 discuss the matter with the appropriate level of management, those charged with governance or the internal auditor, as appropriate
 - 3.4.2 communicate the non-compliance or suspected non-compliance with the trustee and external auditor, unless prohibited by law or regulation
 - 3.4.3 disclose the matter to an appropriate authority even when there is no legal or regulatory requirement to do so; and/or
 - 3.4.4 withdraw from the engagement and the professional relationship where permitted by law or regulation
- 3.5 Where appropriate we may inform you of our intention to disclose the matter to an appropriate authority before disclosing the matter. However, if we have reason to believe that the actual or intended conduct would constitute an imminent breach of a law or regulation that would cause substantial harm to the general public, we may immediately disclose the matter to an appropriate authority in order to prevent or mitigate the consequences of such imminent breach of law or regulation.

- 3.6 Any information pertaining to your affairs, whether it be provided by you, or through a Trusted Adviser, will be utilised and stored in an appropriate manner to maintain our professional standards and obligations. Further information on privacy is noted at section 10 of this letter.

4. The responsibilities of the trustees

- 4.1 We take this opportunity to remind you that it is the responsibility of the trustees to ensure that the Fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the Fund. The trustees are also responsible for the preparation and fair presentation of the financial report.
- 4.2 Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report and for determining that the accounting policies used are consistent with the financial reporting requirements of the SMSF's governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members. This responsibility includes:
- Establishing and maintaining controls relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error. The system of accounting and internal control should be adequate in ensuring that all transactions are recorded and that the recorded transactions are valid, accurate, authorised, properly classified and promptly recorded, so as to facilitate the preparation of reliable financial information. This responsibility to maintain adequate internal controls also extends to the Fund's compliance with SIS including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements;
 - Selecting and applying appropriate accounting policies;
 - Making accounting estimates that are reasonable in the circumstances; and
- 4.3 Making available to us all the books of the Fund, including any registers and general documents, minutes and other relevant papers of all Trustee meetings and giving us any information, explanations and assistance, we require for the purposes of our audit. Section 35C(2) of SISA requires that Trustees must give to the auditor any document, relevant to the conduct of the audit, that the auditor requests in writing within 14 days of the request.¹
- 4.4 As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

5. Reporting

- 5.1 Our audit report is prepared for the members of the Fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the Fund, or for any purpose other than that for which it was prepared.

5.2 Report on matters identified

Under section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the ATO of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of the materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be or may be about to become unsatisfactory.

¹ If the Fund is a reporting entity this sentence requires amendment to read: 'Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report in accordance with Australian Accounting Standards'.

- 5.3 You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matters that you should be aware of in meeting your responsibilities. The completed audit report may be provided to you as a signed hard copy or a signed electronic version

6. Independence

- 6.1 We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of the SISA and SISR including APES 110 Code of Ethics for Professional Accountants in relation to the audit of the Fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

7. Administration, Fees and Billings

- 7.1 Our professional fees will be calculated primarily on a fixed fee basis, however the fee may exceed fixed fee which is applied to “standard” Fund’s with no breaches or contraventions and low level of complexities and transactions.
- 7.2 Our invoices may also include disbursements paid by us. These may include photocopying charges, telephone and facsimile transmission charges, travel fares and expenses, stamp duty and fees paid to third parties such as couriers, registration fees or fees for other professionals.
- 7.3 Unless other payment terms are agreed, each invoice is payable within 7 days of receipt.
- 7.4 If the engagement involves the use of trust monies, we will manage those funds in accordance with APES 310 Client Monies and as authorised by you in the Trust Account Authority Letter or as otherwise instructed by you.

8. Ownership of materials

- 8.1 You own all original materials given to us.
- 8.2 We own all materials produced by us that resulted from our skill and attention to the extent that the materials produced by us incorporate any original materials you give to us.
- 8.3 We may exercise a lien of your documents in our possession in the event of a dispute, which will be handled in accordance with our firm’s dispute resolution process.
- 8.4 Subject to the payment of all outstanding professional fees and disbursements owing to us, we will provide you with materials produced by us for you in the event you engage the services of another practitioner and the materials are required by your new practitioner.

9. Privacy

- 9.1 Our collection use and disclosure of your personal information (PI) may be subject to the Privacy Act 1988 (Cth) and accordingly we will only collect PI about you that relates to the TE. We may disclose PI about you for the primary purpose of this TE or to third parties by express consent or as required by law.
- 9.2 We may collect PI about you, your representatives, your clients and others when we provide services to you. If we do, you agree to work with us to ensure that we both meet our respective obligations under the Privacy Act 1988 (Cth). Your obligations may include ensuring your privacy policy and contracts include a reference to your collection practices, how you will use the PI and that you may disclose the PI to an agent for public accounting services.

Dear Sir/Madam,

Representation Letter From the Trustees Harding Superannuation Fund Year Ended 30 June 2023

This representation letter is provided in connection with your audit of the financial report of the Harding Superannuation Fund (the Fund) and the Fund's compliance with the *Superannuation Industry (Supervision) Act 1993* (SISA) and *SIS Regulations* (SISR), for the year ended 30 June 2023, for the purpose of you expressing an opinion as to whether the financial report is, in all material respects, presented fairly in accordance with the accounting policies adopted by the Fund and the Fund complied, in all material respects, with the relevant requirements of SISA and SISR.

The trustees have determined that the Fund is not a reporting entity for the year ended 30 June 2023 and that the requirement to apply Australian Accounting Standards and other mandatory reporting requirements do not apply to the Fund. Accordingly, the financial report prepared is a special purpose financial report which is for distribution to members of the Fund and to satisfy the requirements of the SISA and SISR. We acknowledge our responsibility for ensuring that the financial report is in accordance with the accounting policies as selected by ourselves and requirements of the SISA and SISR, and confirm that the financial report is free of material misstatements, including omissions.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

1. Sole purpose test

The Fund is maintained for the sole purpose of providing benefits for each member on their retirement, death, termination of employment or ill-health.

2. Trustees are not disqualified

No disqualified person acts as a director of the trustee company or as an individual trustee.

3. Fund's governing rules, Trustees' responsibilities and Fund conduct

The Fund meets the definition of a self-managed superannuation fund under SISA, including that no member is an employee of another member, unless they are relatives and no trustee [or director of the corporate trustee] receives any remuneration for any duties or services performed by the trustee [or director] in relation to the Fund.

The Fund has been conducted in accordance with its governing rules at all times during the year and there were no amendments to the governing rules during the year, except as notified to you.

The trustees have complied with all aspects of the trustee requirements of the SISA and SISR.

The trustees are not subject to any contract or obligation which would prevent or hinder the trustees in properly executing their functions and powers.

The Fund has been conducted in accordance with SISA, SISR and the governing rules of the Fund.

The Fund has complied with the requirements of the SISA and SISR specified in the approved form auditor's report as issued by the ATO, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of the SISR.

All contributions accepted and benefits paid have been in accordance with the governing rules of the Fund and relevant provisions of the SISA and SISR.

There have been no communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report [or we have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial report and the Auditor's/actuary's contravention report].

4. Investment strategy

The investment strategy has been determined and reviewed taking into account the circumstances of the fund as a whole, with due regard to risk, return, liquidity and diversity. We have ensured the assets of the Fund have always been invested in line with this strategy. We have considered the insurance needs of Fund members in determining the investment strategy.

5. Asset form and valuation

Investments are carried in the books at market value. We consider the valuations within the financial report are reasonable in light of present circumstances.

We have no plans or intentions that may materially affect the carrying values, or classification, of assets and liabilities.

There are no commitments, fixed or contingent, for the purchase or sale of long term investments other than those disclosed in the financial report.

6. Accounting policies

All the significant accounting policies of the Fund are adequately described in the financial report and the notes attached thereto. These policies are consistent with the policies adopted last year by the trustee in accordance with legislative requirements and the fund's trust deed.

7. Fund books and records

We have made available to you all financial records and related data, other information, explanations and assistance necessary for the conduct of the audit; and minutes of all meetings of the trustees.

We acknowledge our responsibility for the design and implementation of internal control to prevent and detect error and fraud. We have established and maintained an adequate internal control structure to facilitate the preparation of reliable financial reports, and adequate financial records have been maintained. There are no material transactions that have not been properly recorded in the accounting records underlying the financial report.

We have disclosed to you the results of our assessment of the risk that the financial report may be materially misstated as a result of fraud. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Fund and involves the trustees or others.

In instances where the Fund uses a custodian, we confirm we have not been advised of any fraud, non-compliance with laws and regulations or uncorrected misstatements that would affect the financial report of the fund.

Information retention obligations have been complied with, including:

- accounting records and financial reports are being kept for five years;
- minutes and records of trustees' [or directors of the corporate trustee] meetings [or for sole trustee: decisions] are being kept for 10 years;
- records of trustees' [or directors of the corporate trustee] changes and trustees' consents are being kept for at least 10 years;
- copies of all member or beneficiary reports are being kept for 10 years; and
- trustee declarations in the approved form have been signed and are being kept for each trustee appointed after 30 June 2007.

8. Safeguarding Assets

We have considered the importance of safeguarding the assets of the fund, and we confirm we have the following procedures in place to achieve this:

- authorised signatories on bank and investment accounts are regularly reviewed and considered appropriate; and
- tangible assets are, where appropriate, adequately insured and appropriately stored.

9. Significant assumptions

We believe that significant assumptions used by us in making accounting estimates are reasonable.

10. Uncorrected misstatements

We believe the effects of those uncorrected financial report misstatements aggregated by the auditor during the audit are immaterial, both individually and in aggregate, to the financial report taken as a whole. A summary of such items is attached.

11. Ownership and pledging of assets

The Fund has satisfactory title to all assets appearing in the statement of [financial position/net assets]. All investments are registered in the name of the Fund, where possible, and are in the custody of the respective manager/trustee.

There are no liens or encumbrances on any assets or benefits, and no assets, benefits or interests in the Fund have been pledged or assigned to secure liabilities of others.

All assets of the Fund are held separately from the assets of the members, employers and the trustees. All assets are acquired, maintained and disposed of on an arm's length basis and appropriate action is taken to protect the assets of the Fund.

12. Related parties

We have disclosed to you the identity of the Fund's related parties and all related party transactions and relationships. Related party transactions and related amounts receivable have been properly recorded or disclosed in the financial report. Acquisitions from, loans to, leasing of assets to and investments in related parties have not exceeded the in-house asset restrictions in the SISA at the time of the investment, acquisition or at year end.

The Fund has not made any loans or provided financial assistance to members of the Fund or their relatives.

13. Borrowings

The Fund has not borrowed money or maintained any borrowings during the period, with the exception of borrowings which were allowable under SISA.

14. Subsequent events

No events or transactions have occurred since the date of the financial report, or are pending, which would have a significant adverse effect on the Fund's financial position at that date, or which are of such significance in relation to the Fund as to require mention in the notes to the financial report in order to ensure the financial report is not misleading as to the financial position of the Fund or its operations.

15. Outstanding legal action

We confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for and appropriately disclosed in the financial report.

There have been no communications from the ATO concerning a contravention of the SISA or SISR which has occurred, is occurring, or is about to occur.

16. Going Concern

We confirm we have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

Declaration

We understand that your examination was made in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the Fund taken as a whole, and on the compliance of the Fund with specified requirements of SISA and SISR, and that your tests of the financial and compliance records and other auditing procedures were limited to those which you considered necessary for that purpose.

Yours faithfully

REPORTING ENTITY CONCEPT:

It was resolved that, in the opinion of the trustee, the fund is not a reporting entity because it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy specifically all their information needs.

Therefore, the financial statements for the fund are to be prepared on the basis of the fund being a "non-reporting entity", and will therefore take the form of Special Purpose Financial Reports.

REPORTS AND STATEMENTS:

The Financial Reports consisting of Statement of Financial Position, Operating Statement and Notes to the Financial Statements, Trustee's Declaration, Compilation Report, Auditor's Report and Member Statement for the period ended 30 June 2023 were tabled for consideration at the meeting.

It was resolved that the financial statements be adopted in their present format and that the statement by the trustees attached to the financial reports be signed by the Trustees, stating that:

1. the financial statements are drawn up so as to present fairly the financial position of the fund as at 30 June 2023, the benefits accrued as a result of operations and its cash flow for the year then ended;
2. the financial statements have been prepared in accordance with the requirements of the trust deed and Australian Accounting Standards as noted in Note 1 to the Financial Statements and
3. the fund has operated substantially in accordance with the trust deed and the requirements of the *Superannuation Industry (Supervision) Act 1993 (SISA)*, during the year ended 30 June 2023.

INCOME TAX RETURN:

The completed Self-Managed Superannuation Fund Annual Return for the financial year ended 30 June 2023 was tabled for consideration at the meeting.

It was resolved that:

1. the particulars contained in the 2023 income tax return and the relevant records used to ascertain the taxable income, as shown, derived by the fund from all sources in and out of Australia during the year of income are true and correct and;
2. the fund satisfies the statutory requirements and conditions applicable to be classified as a 'Regulated Superannuation Fund/Complying Superannuation Fund' for the year of income and;
3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2023 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

It was resolved that the aims and objectives of the investment strategy were being achieved and that the said investment strategy requires no further modification or adoption at this time.

TRUSTEE AND MEMBER STATUS:

Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the fund and that they are not disqualified persons as defined by Section 120 of the SISA.

Each of the member(s) confirmed that they are a member of the fund and agreed to be bound by the provisions contained within the Trust Deed of the fund (and any subsequent amendments).

Dear Trustee,

**Subject: Actuarial Certificate – Tax Exempt Percentage for the 2022/23 year
Harding Superannuation Fund**

Thank you for requesting this actuarial certificate from Verus SMSF Actuaries.

Results

We calculate that the tax exempt percentage for Harding Superannuation Fund in the 2022/23 financial year is **99.92%**.

There were one or more periods in the financial year when the Fund was entirely in retirement phase and therefore was deemed to be segregated. The tax exempt percentage shown above should only be applied to the investment income earned in the period(s) during which the Fund was *unsegregated*.

More Information

Further details regarding this actuarial certificate are contained in the appendices, including:

- Appendix 1: Data Summary
- Appendix 2: Detailed Results
- Appendix 3: Further Information

Note that the results in this certificate are based on the information provided to us. If there are any material changes to the information provided, please contact us, as the results may need to be updated.

Yours sincerely,

Segregation

The Fund was entirely in retirement phase during the period(s) listed below. During those periods, the Fund has been deemed to be segregated.

The tax exempt percentage shown in this actuarial certificate should only be applied to the investment income earned in the period(s) during which the Fund was *unsegregated*. That is, the periods when the Fund was *not* entirely in retirement phase (i.e. the times during the financial year, *excluding* the period(s) shown below).

Deemed Segregation Period(s):

- From 1 June 2023 to 30 June 2023.

Appendix 2 - Detailed Results

Tax Exempt Percentage

This actuarial certificate has been prepared to provide the tax exempt percentage applying to Harding Superannuation Fund for the 2022/23 financial year.

During the 2022/23 financial year, the Fund contained only member accounts in accumulation phase and account based pensions. Therefore no assumptions about future inflation, investment returns or discount rates have been required to calculate the tax exempt percentage. Only data regarding the Fund's balances in accumulation phase and the Fund's balances in retirement phase plus details of transactions within, to and from the Fund during the year have been provided for this calculation.

Using the data supplied, we have calculated the tax exempt percentage based on the ratio below:

$$\begin{aligned} & \frac{\text{Average value of current pension liabilities}}{\text{Average value of superannuation liabilities}} \\ &= \$809,185 / \$809,801 \\ &= 99.92\% \end{aligned}$$

The values for the current pension liabilities and the superannuation liabilities shown above are time weighted average balances over the financial year. Segregated current pension assets and segregated non-current assets (if any) have been excluded from the values shown above.

Member Breakdown

To assist you, we have also calculated the breakdown of the tax exempt percentage between the Fund's members, as follows:

Member Name	Tax Exempt Percentage	Taxable Percentage
Mark Harding	72.79%	0.08%
Sue Ellen Harding	27.13%	0.00%
Reserve	0.00%	0.00%
Total	99.92%	0.08%

This breakdown between members is not required for the Fund's tax return, but may assist in other ways, for example with allocating the Fund's tax liabilities between members.

Appendix 3 - Further Information

Actuarial Standards

This actuarial certificate has been prepared in accordance with Professional Standard 406 of the Institute of Actuaries of Australia.

Other Comments

We have been informed by the trustee and/or their advisors that the relevant pension liabilities meet the requirements to be considered a retirement phase superannuation income stream. We have relied upon this information in preparing this actuarial certificate.

As required under Professional Standard 406, we are satisfied that the value of particular liabilities of the Fund at a particular time as set out in this certificate is the amount of the Fund's assets, together with any future contributions in respect of the benefits concerned and expected earnings on the assets and contributions after that time, that would provide the amount required to discharge those liabilities as they fall due.

We also document the following information items provided to us, and upon which we have relied, when preparing this certificate:

Item	Information Provided
Does the Fund meet the definition of Disregarded Small Fund Assets for the tax year covered by this certificate?	No
Have the trustee(s) chosen (if eligible) to treat all of the assets of the fund as not being segregated current pension assets for the whole of the tax year covered by this certificate?	No

Requirement for and Use of Actuarial Certification

This actuarial certificate is required so that the Fund can claim an exemption from tax on the investment income derived from the unsegregated assets supporting members' balances that are in retirement phase. The certificate should be obtained before the Fund submits its tax return. It does not need to be submitted with the Fund's tax return, but should be retained in the Fund's records.

An actuarial certificate is required for a Fund that has been partly in retirement phase and partly in accumulation phase during the year and which is not applying the segregated method throughout the year. Therefore an actuarial certificate is not required if:

- The Fund was entirely in accumulation phase for the whole of the tax year; or
- The Fund was entirely in retirement phase for the whole of the tax year; or
- The Fund's retirement phase assets and accumulation phase assets were fully segregated throughout the tax year.

The tax exempt percentage should be applied to the Fund's assessable income (excluding any non-arm's length income, concessional contributions and any income derived from segregated assets) to determine how much income is exempt from tax.
