Dear Anthony,

Re: Account Based Pension (TRIS)

We have recently completed a review of the assets of A & F Donnelly Super Fund and your account based pension account in the Fund as at 30 June 2018.

Based on the account balance and the legislative requirements for account based pensions, I have set out below the Minimum income stream which must be taken for the year ending 30 June 2019.

Your Account Based Pension account - \$415,656.56

Your Age at the beginning of the year - 59

Your Minimum income stream applicable - \$16,630.00

Your Maximum income stream applicable - \$41,570.00

The income stream taken will consist of:

- Taxable component - 99.78%
- Tax Free component - 0.22%

You have a choice as to the annual income stream you are to take, between the minimum and the maximum amounts (for a Transition to Retirement Pension) as outlined above.

Should you have any queries please do not hesitate to contact me.

Yours Sincerely,

.....
Anthony Donnelly
