There are two ways you can prove your identity: electronically or the paper method. It is important that you select Option 1 or Option 2 (by ticking below) so your identity can be verified. If an option is not selected, we may not be able to action your request.

# Option 1 - Electronic method

(not available for people currently living overseas) If you choose to prove your identity electronically. you'll need to tick Option 1 and provide your driver licence or passport number.

By giving this information, you agree to QSuper providing your name, address and date of birth to a credit reporting agency (CRA) to check if the information matches (in whole or part) the information contained on your credit information file with the CRA. It doesn't give us access to other information about you and our request won't be recorded on your credit information file and the CRA can't use it for anything else. If we can't identify you in this way, we'll write to you and let you know the name of the CRA and also advise you of another way to verify your identity. # Option 2 - Paper method

# 5 Providing your tax file number (TFN)

You do not have to give us your TFN, but if you do, we'll be able to accept all types of super contributions from you and you'll be able to take advantage of benefits such as paying a lower tax rate on your contributions.

Under the Superannuation Industry (Supervision) Act 1993, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The trustee of your superannuation fund may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN not be disclosed to any other superannuation provider.

Only complete this section if you have a Deferred Retirement Benefit. **If not proceed to section 7.** 

I do not want the Deferred Retirement Benefit and I want QSuper to transfer the discounted value of the funds in this account.

By electing this option, I understand that if I close my Deferred Retirement Benefit account I can't reopen it. I also understand that if I'm under age 55 when leaving the Deferred Retirement Benefit, the amount transferred will be a discounted amount as explained in the *Defined Benefit Account Guide*.

We recommend you speak with a financial adviser before choosing to close your Deferred Retirement Benefit account. The Deferred Retirement Benefit account is very different to the Accumulation account and isn't easily comparable.
