Pension Request:

The Trustee resolved to stop the current pension of Frank and Anne Whelan on 01/07/2018 as was requested by the members and recommence them with their entire balance.

The Trustee noted that the members was entitled to access all their benefits as a pension and the payment of a pension was allowed under the fund's trust deed.

The Trustee resolved to advise the member of their annual pension payments for their pension. The Trustee will consult the superannuation fund's accountant to provide assistance with calculating the annual pension amount.

Investment Strategy Review:

Given that the fund's current investment strategy provides sufficient liquidity to enable the Trustee to meet all pension payments, the Trustee resolved that the fund's strategy remains unchanged following the commencement of the new pensions.

The Trustee resolves to request the superannuation fund's accountant to assist in the completion of any documentation and other associated paperwork with the pensions.
