2021/22 CLIENT SUBSTANTIATION DECLARATION

NAME: Van Diemen Superannuation Fund

TFN: 796 478 245

For The Year Ended 30 June 2022

We, the Trustees of Van Diemen Superannuation Fund, confirm that you have advised us that we must demonstrate that we have incurred an expense for income producing purposes. In addition, you have advised us of the stringent substantiation legislation we must satisfy in relation to work, car and business travel expenses, and mobile and home telephone costs.

In addition, you have informed us that we must obtain original receipts and keep them for a minimum of five years from the date our return is lodged. The receipts must contain the following details:

- Name of supplier
- Amount of expense
- Nature of goods and services (noting the specific type of items purchased or expenditure incurred which we are able to personally record up to the date of lodgement of our return where not adequately noted by the supplier)
- Date of expense (which we are able to personally record where not noted by the supplier)
- The date of the documents.

Penalties to apply with incorrect returns

You have also advised us that additional tax, penalties, interest and possible prosecution action may be taken against us by the Australian Taxation Office if we provide details which lead to an incorrect tax return being lodged.

Income from sources in and out of Australia for the year of income

You have advised us that as Australian residents we must declare income from all sources, in and out of Australia, including net capital gains received, for the year of income in our tax return. I am aware that this includes any cash or cash sales that I may have received for the financial year of income in my tax return.

Apportionment

Where items are used for both business and private purposes, eg, car, mobile telephone, home telephone, computer etc, we have records to verify our business usage claim. Further, we have instructed you to prepare the return based on us being able to produce these records, if required.

Audit matters

We further confirm that:

- We are aware of the procedures to follow if a document is lost or destroyed
- We may be required to verify any income or expense item noted in our return in the event of an Australian Taxation Office audit
- We understand the Substantiation schedules we completed for all work, car and travel expense claims under selfassessment
- We have read and understood the return prepared for us.

2022 Client substantiation declaration

We declare that:

- We have disclosed and you have returned all of the income, including net capital gains which we have earned/received, for the 2022 income year.
- All income declared, claims for deductions and tax offsets/rebates included in our return are based on our specific instructions and advice that we satisfy the relevant taxation requirements.
- We have all receipts or documentation necessary to substantiate the above claims and we will make them available if required by the Tax Office
- You have clarified what written evidence (including car/travel records) will be required during an audit and penalties, (including prosecution) that may be applied if incorrect claims are identified in an audit situation.
