Keep an eye on your super

Checking and managing your super online is quick and convenient. You can see what your super balance is today, update your details, switch your investments and print off a list of your transactions.

Over the page is a quick snapshot in time of what your super looked like on 31 December last year. To see what your balance is today and check your account details, just log in from your mobile, tablet or desktop at **firststatesuper.com.au/login**.

View your digital summary

A digital summary of your account is also available. To access this summary, just go to **firststatesuper.com.au/login** and click on the link provided on your home page.

We're here to help

If you have any questions please email us at **enquiries@firststatesuper.com.au** or call us on 1300 650 873 Monday to Friday, 8.30 am to 6 pm (AEST/AEDT).

What has affected your returns?

A lot happened in the six months to 31 December: trade tensions between the US and China escalated and the US central bank raised interest rates while, in Australia, the Hayne Financial Services Royal Commission made daily headlines and the housing market showed signs of cooling. These events and others contributed to an increase in share market volatility, which may have affected your returns.

To find out *What the recent market volatility means for you*, read the enclosed flyer or visit **firststatesuper.com.au/supernews**
