

<sup>1</sup> The amount of 'Foreign Income Tax Offsets' you are entitled to will depend on the amount of foreign tax offsets you have received from all sources. If the amount does not exceed \$1,000, you should be entitled to an offset for the full amount received. If the amount is more than \$1,000 you should do one of the following:

- \* simply claim a tax offset of \$1,000; or
- \* calculate the amount of foreign income tax offset to which you are entitled. Refer to the ATO publication 'Guide to foreign income tax offset rules 2020'.

<sup>2</sup> It is assumed that you have no brought forward Capital Losses and no other Capital Gains Tax (CGT) events such as sale of shares, sale of units in managed funds or distributions from managed funds in the 2019/2020 financial year.

If this is not the case and you are an individual Australian tax resident, you should refer to the ATO publications 'Guide to capital gains tax 2020' and 'Personal investors guide to capital gains tax 2020' for guidance on calculating your gross capital gain and net capital gain or loss for the 2019/2020 financial year.
