Dear Investor,

Thank you for your participation in the Magellan Global Fund Partnership Offer.

Please find enclosed details of the Closed Class Units and MGF Options issued to you under the Partnership Offer. The number of Closed Class Units issued to you includes the additional 7.5% partnership benefits that were funded by Magellan Financial Group.

You can view and update your holding information on our unit registry's (Mainstream Fund Services) online portal, which can be accessed via the Magellan website. To register for portal access go to www.magellangroup.com.au and click on the 'Investor Login' button.

The offer price of Closed Class Units under the Partnership Offer was \$1.7383 being the net asset value per Closed Class Unit on 26 February 2021.

Closed Class Units (ASX: MGF) and MGF Options (ASX: MGFO) issued under the Partnership Offer will begin trading on ASX on 2 March 2021.

An MGF Option gives the option holder the right, but not the obligation, to acquire one (1) Closed Class Unit in the Magellan Global Fund at an exercise price equal to 92.5% of the Estimated NAV per Closed Class Unit at the time of exercise. Magellan Financial Group will bear the economic cost associated with the 7.5% discount each time a MGF Option is exercised.

The MGF Options can be exercised from 1 June 2021 either through Mainstream's online portal or through submitting an MGF Option Exercise Form. Further details of how to exercise the MGF Options will be made available closer to the start of the exercise period. The MGF Options expire on 1 March 2024.

Please see over this page for the key terms of the MGF Options as outlined in the PDS for the Partnership Offer.
