

Chris Jackson Super Pension Fund

Abn 32 579 021 109

Fund Investment Strategy

The Trustees of the Fund, set up to manage the pension component rolled over from The Chris Jackson Family Super Fund, is to invest in assets the Trustees believe will maximise the benefit of the pension with a view to maximum returns and preserving the longevity of the Fund.

The Trustees have reviewed the Investment Policy originally written 30 June 2021 and maintain the strategy.

The Trustees have considered insurance and do not believe it is required for this Fund.
