1. Net investment earnings are the investment returns on your investment after payment of transaction costs, government charges, taxes and duties and charges relating to the management of your investment options. If you have invested in the Cash investment option, the interest is detailed separately and does not form part of the Net investment earnings. Your total investment earnings, as represented by your 'Return for the period', is the sum of your net investment earnings plus interest paid on the Cash investment option.

2. Administration fees may include a Low Balance Fee Refund. Refer to the Fees and costs summary section for more information.

Your insurance summary

From 01 November 2021 the following ANZ Smart Choice insurance benefits have ceased:

INSURANCE	DESCRIPTION
Death benefit	In the event of your death, your beneficiaries would be paid \$354,335.75.
Insurer: OnePath Life Limited	This includes your sum insured and your account balance ¹ .
Sum insured: \$300,000.00	
Total and Permanent Disability benefit	In the event of your Total and Permanent Disability, your sum insured of \$300,000.00 will be paid into your ANZ Smart Choice Super account.
Insurer: OnePath Life Limited	If you satisfy a condition of release you will be able to access the balance of your account. This includes your sum insured and your account balance ¹ .
Sum insured: \$300,000.00	

1. Your benefit amount may vary due to it being comprised of the sum of: your account balance (which will vary with movement in the underlying investments' value) and the sum insured amount (which may vary based on your age or salary). Any accrued fees or tax liability resulting from the payment of the benefit has not been included in the benefit amount shown. We are obliged to supply you any information you reasonably require to understand your benefit entitlement. You can view your latest benefit amount on ANZ Internet Banking or may call Customer Services on 13 12 87.

You no longer have insurance in your ANZ Smart Choice Super account.

If you held insurance as part of ANZ Smart Choice Super, your insurance cover ceased at the date of exit from the Fund and no further insurance fees are payable.

Continuing your cover

If you transferred your balance from ANZ Smart Choice Super to ANZ Smart Choice Pension your Death cover will continue, subject to eligibility. Any Total and Permanent Disability cover and/or Income Protection cover you held ceased on the day your ANZ Smart Choice Super account was closed.

You may exercise a continuation option for Death cover only provided certain conditions are met. The list of conditions that must be satisfied is contained in the Insurance Guide which is available at www.anz.com/smartchoicesuper or call Customer Services on 13 12 87 for a copy.

Your beneficiaries

NAME	PERCENTAGE	TYPE
No beneficiaries nominated		

Why does nominating a beneficiary matter?

In the event of your death the Trustee is required to pay your Super and any Death insurance benefit (if payable) to your nominated beneficiary(ies).

If you don't have a valid nomination, the Trustee will determine where to pay your benefit. It could be to your estate, your spouse, or to your dependants. To have your say on who receives your benefit:

- Nominate your beneficiary(ies) if you haven't done so
- Regularly review your nominated beneficiary(ies).

You can make a new nomination or review your existing beneficiary(ies) online via ANZ Internet Banking or by calling Customer Services on 13 12 87.

For more information on beneficiary nominations, please refer to the 'nominating a beneficiary' section in the ANZ Smart Choice Super Additional Information Guide, by visiting anz.com/smartchoice

Additional Explanation of Fees and Costs

¹ The amounts disclosed in the "Gross" column are the fees and costs you pay before the benefit of any income tax deduction or income tax effect reflected in the unit price or interest credited is applied to those amounts. The amounts disclosed in the "Tax benefit" column are the income tax deduction which may be available to be claimed under the applicable laws in respect of a fee or cost charged to you, or income tax which may apply in respect of a fee refund/reversal. Where an income tax deduction can be claimed under the applicable laws in respect of a fee or cost charged to you, the benefit of the income tax deduction has been passed on to you and is reflected as a reduced fee or cost in the "Net" column. Where an income tax deduction cannot be claimed for fees and costs, such as investment management fees charged by underlying fund managers and other indirect costs, the "Net" column also incorporates the benefit of any tax effect (assumed to be 15% where the costs are charged in accumulation phase) recognised through the unit price or interest credited resulting in reduced costs.

² The Administration fee may include a Low Balance Fee Refund. We are required to refund the total combined amount of administration fees, investment fees and indirect costs which exceeds 3% of a member's account balance, where the account balance is less than \$6,000. If an amount is payable to you it will appear in your statement.

³ The Gross and Net amount is inclusive of any Reduced Input Tax Credit received through payment of the fee.

⁴ While no Switching fee applies, normal buy/sell spreads apply to investment switches into investment options which covers the transaction costs of buying and selling the unit.

⁵ Fee rebates are calculated and credited as additional units to your account balance and are disclosed as positive amounts that reduce the total fees you paid.

Note: Other charges - The Trust Deed of the Fund permits the Trustee to be reimbursed from the Fund assets for all the costs, charges, expenses, outgoings, government charges and levies reasonably and properly incurred by the Trustee in connection with the performance of its duties or the exercise of its rights, powers, administration or termination of the Fund.

Explanatory notes

The following notes are to help you understand your exit statement. Further information in relation to the financial product is available upon request. Please contact the ANZ Smart Choice Customer Service team on 13 12 87, email us at anzsmartchoice@anz.com or visit our website at anz.com/smartchoicesuper.

Contributions tax

Concessional contributions, including superannuation guarantee, salary sacrifice and personal contributions for which a tax deduction is claimed, are generally taxed at 15% in the Fund. Tax payable may be reduced by deductions such as the Administration fee, Insurance fee and the Member Advice Fee.

Tax is deducted from your account after the end of each month and appears in your account transactions as Contribution Tax. If you make a withdrawal during the year, Contribution Tax will also be deducted at the time of withdrawal.

If you provide a valid Notice of intent to claim or vary a deduction for personal super contributions, we will deduct or adjust Contribution Tax after processing your tax deduction claim.

Government contributions

Your account may consist of Government Co-contributions and/or a Low Income Superannuation Tax Offset (LISTO) if applicable.

The Government Co-contribution is an incentive from the Australian Government designed to assist eligible individuals to save for their retirement. If you have made personal super contributions and are eligible, the Government will match your contribution with a Government Co-contribution up to a maximum.

The LISTO is a Government tax offset to help low-income earners save for their retirement. The LISTO represents a refund of the contributions tax paid on certain concessional contributions up to a maximum.

If applicable, the above Government contributions may appear on your statement as either an addition or a deduction.

An addition represents a payment from the ATO into your account and a deduction represents a correction to a previously overpaid amount by the ATO.

If you wish to know whether your contribution is a Government Co-contribution or a LISTO please contact us.

Investment fee

The Investment fee is an approximate amount deducted from the investment option(s) you are invested in. The fee is calculated by multiplying the investment fee for the investment option by your average account balance over the reporting period. The investment fee is charged at the investment option fund level and is reflected in the respective investment option unit price.

Preservation

The Preserved amount is the amount of your benefit that is required to be preserved under superannuation laws and the Trust Deed. You cannot access this amount until you have met a condition of release.

The Restricted non-preserved amount is the amount of your benefit that can be accessed by you on leaving the service of a contributing employer, or when preserved benefits are payable.

The Unrestricted non-preserved amount is the amount that can be accessed by you at any time.

Return for the period

The Return for the period on your statement is an individual rate of return weighted across all investment options that you were invested in, during the statement period. This takes into account total cash flow and changes to the value of your total investment in your individual account in the course of the statement period. This may differ from the rate of return published in the annual report which represents the actual performance of the investment options over the financial year.

Fee Information for 'Dual-Account' holders

The member fee rebate, applicable when holding 'Dual-Accounts' with us, created under the 'MySuper' regime, will be made to your original super account. If you have consolidated your original account into this account, your rebate will be credited here.

Employer paid fees

If your employer has arranged to pay any fees on your behalf these will be shown as Employer additional contributions.

Insurance cover - important information

The Insurance fees shown on this statement have been deducted in the same manner as your future contributions investment strategy. The insurance fees that apply to the trustee are inclusive of all applicable taxes such as stamp duty.

Stamp Duty

Any applicable stamp duty is included in the Insurance fees that apply to the Trustee.
