Important

We must give you the information you need to understand your plan and benefit entitlements. The additional information below supports and explains the details shown in this document. You can also see the **product disclosure statement (PDS)** and **plan rules** for your product, or other plan documentation, or visit amplife.com.au for more details.

If you have any more questions about your plan including insurance benefits, fees and charges that apply or how to make payments, please contact us or talk to your financial adviser.

Please note that some of the information below may not apply to your plan.

Statement notes

The following may be referred to in your statement:

Statutory Fund

Your plan is backed by our Australian Statutory Fund No. 1.

Changes to premiums

We may review and change our premium rates from time to time. If we change our premium rates, we'll apply the change to all plans that we consider to be similar to your plan. For more details, please see your **plan rules**.

Stamp duty

Stamp duty is a State/Territory Government levy payable on certain types of insurance cover and may be included with your insurance premium or be an additional amount payable. If the stamp duty amount is an additional amount, it will be shown separately on this statement.

The charge for stamp duty may vary from time to time due to changes imposed by the State/Territory Revenue Office. As stamp duty charges are based on our recorded address of the insured person on this plan, changes or corrections to the insured person's address may affect the amount of stamp duty payable with your next premium after that change is notified.

Please note it is your responsibility to inform us of any corrections or changes to the insured person's address.

Plan fee

This year the plan fee has increased in line with CPI.

You are in control of your cover

Is the cost and amount of cover you have still right for you? It's important to regularly review your insurance to make sure your cover meets your current needs and is appropriate to your financial objectives. Also, there may be ways to save on your insurance like reducing the amount of cover you have. To find out more on how you can control your cover visit amplife.com.au/insurance-affordability.

If your needs, objectives or financial situation have changed, for example you have other insurance or are having difficulty paying your premiums, please contact us or talk to your financial adviser to discuss your options.

Thinking of reviewing your cover?

If you are thinking of changing or cancelling your insurance cover and replacing it with other cover, it's important to know about the risks involved. For example, you'll probably need to provide current medical and financial information for the new application and, if the insured person's health has changed, this may affect the terms of the new cover. Also, if you cancel your current insurance while you're applying or before the new cover starts, there may be a period when you won't be protected.

If you want more details, please contact us or talk with your financial adviser.
