No events or transactions have occurred after year end, or are pending, which would have a significant adverse effect on the Fund's financial position at that date, or which are of such significance in relation to the Fund as to require mention in the notes to the financial statements in order to ensure they are not misleading as to the financial position of the Fund or its operations.

12. Outstanding legal action

I/we have made investments for the members of the Fund and fully understand all the investment risks for each investment, including loss of capital and income. I/we acknowledge that you will not be checking the liquidity, risk, return, and nature of the investments or their suitability to our investment strategy. If any asset of the Fund fails and capital/income is lost, I/we will not be taking any action for damages against you under section 12GF of the Australian Securities and Investments Commissions Act 2001.

I/we acknowledge that you will not form an opinion or report to us if the Fund is making or likely to make an economic loss or the Fund's assets are getting impaired or likely to get impaired due to the conduct of any other person whom we rely on for investment decisions or appoint as custodian or investment manager. I/we understand your appointment is to audit the Fund's financial report and not to audit entities where this Fund invests, for example custodian services, related/unrelated trusts, related/unrelated companies or other entities.

I/we understand that your examination was made in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the Fund taken as a whole, and on the compliance of the Fund with specified requirements of SISA and SISR, and that your tests of the financial and compliance records and other auditing procedures were limited to those which you considered necessary for that purpose.

16. Timing of representations

Should this representation letter be signed on a date other than when the audit report is signed, I/we note that the above representations are still appropriate, relevant and accurate to the date on which your audit report is signed. Should this not be the case, I/we shall inform you prior to the finalisation of your audit and the signing of your audit report.

Yours faithfully
