Keep your corporate key number safe

The corporate key is an eight-digit security feature to protect your company's information from unauthorised lodgement. The corporate key is connected to your Australian Company Number (ACN) and is located on the first page, top right of the enclosed company statement. (This security number is not included on company statement reprints).

Register for online access

The corporate key can be used to register for online access, allowing you to conveniently and securely change your company details electronically on our website. Go to www.asic.gov.au for more details on online lodgement.

Need a new corporate key

As an officeholder of this company, you are responsible for the security of your corporate key. You can apply for a new corporate key on our website at www.asic.gov.au/corporatekey.

Information on whether or not you are able to pay your company debts as they fall due (company solvency)

The directors of your company must pass a solvency resolution no more than two months after the review date (unless your company has lodged with us, within the last 12 months, a financial report and directors' report required under Chapter 2M of the *Corporations Act 2001*). You must keep a copy of the solvency resolution. If the solvency resolution was not made, or was negative, you need to lodge a Form 485 *Statement in relation to company solvency*.

Failure to pass a solvency resolution, when required, is an offence.
