Dividend Reinvestment Plan (DRP)
As announced on 17 August 2017, the DRP has been suspended. Telstra intends to reinstate the DRP when circumstances allow. When we are in a position to reinstate the DRP we will continue to follow the existing instructions regarding participation that have been provided previously by shareholders who have elected to participate in the DRP, unless we are advised otherwise. We will publish dates for providing updated instructions at that time. Please note, participation in the DRP (when operational) is optional and available to shareholders with registered addresses in Australia and New Zealand.

The total amount together with the franking credit (if any) should be disclosed as assessable income in your Australian tax return.
