Dear Trustees

RE: AUDIT MANAGEMENT LETTER

I wish to advise that the audit of Raylyn Super Fund for the year ended 30 June 2021 has recently been completed.

Auditors are encouraged by the Australian Taxation Office to issue management letters at the completion of each audit as a means of advising the trustee of any matters noted during the audit.

My audit work involves an examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report to form an opinion as to whether, in all material respects, the financial report is fairly stated in accordance with the accounting policies described in the notes thereto. Further, my audit work involves an examination, again on a test basis, of evidence supporting compliance with certain requirements of the Superannuation Industry (Supervision) Act 1993 and the Superannuation Industry (Supervision) Regulations 1994 ("SIS").

I would like to bring the following to your attention.

Generic Investment Strategy

Section 52 and Regulation 4.09 of SIS require that the trustee formulate an investment strategy that has regard to the whole circumstances of the fund, giving a number of items that must be considered such as risks, returns, liquidity, diversification, the availability of valuation information and insurance for members. While the fund's investment strategy notes that these items have been considered it provides no detail as to how these considerations have been addressed. I suggest that the trustees consider developing a more detailed investment strategy.

Except above, I advise that I have not encountered any matters during my audit that I believe should be brought to your attention.
